

THE BLOOD OF JESUS

Matthew and John as first hand witnesses

Mat 27:45 Now from the sixth hour(noon) there was darkness over all the land unto the ninth hour(3PM).

Mat 27:46 And about the ninth hour(3PM) Jesus cried with a loud voice, saying, My God, my God, why hast thou forsaken me?

Mat 27:50 Jesus, when he had cried again with a loud voice, yielded up the ghost.

Joh 19:34 But one of the soldiers with a spear pierced his side, and forthwith came there out blood and water.

Mat 27:51 And, behold, the veil of the temple was rent in twain from the top to the bottom; and the earth did quake, and the rocks rent;

Mat 27:52 And the graves were opened; and many bodies of the saints which slept arose,

Mat 27:53 And came out of the graves after his resurrection, and went into the holy city, and appeared unto many.

Mat 27:54 Now when the centurion, and they that were with him, watching Jesus, saw the earthquake, and those things that were done, they feared greatly, saying, Truly this was the Son of God.

The crucifixion site was discovered by God's archeologist, a man by the name of Ron Wyatt. The Holy Ghost spoke to Ron Wyatt and told him where the ark of the covenant was. After much digging and discovery which took years, He found not only the ark of the covenant with all the temple furnishings, but also the crucifixion site of Jesus and the two thieves. The ark of the covenant and the temple furnishings were hid in a cave and buried before Solomon's temple was destroyed in 586 BC. This was done to protect these Holy items so they were not destroyed along with the temple.

God had planned the exact place of where Jesus was to be crucified to be in the same place as where the ark of the covenant was hid. This was for a reason.

Only the high priest was allowed into the Holy of Holies during the time of Solomon's temple, and it was here that the high priest sprinkled the blood of the animal sacrifice which was given for a sin offering unto God. The high priest sprinkled the blood on the mercy seat of the ark of the covenant as part of the ritual.

Ron Wyatt found the cross holes where the three crosses were placed into the rock which was directly above where the ark of the covenant had layed hid almost 600 years before the crucifixion. Ron found a fissure(crack) in the rock from the center cross hole that ran all the way down through the rock to the ark of the covenant which lay below. In the account of Matthew above, we see the rocks was split just as Jesus died, and then the spear was thrust into the side of Jesus where the water and blood gushed out. The blood ran down the cross hole through the crack in the rock, and directly onto the mercy seat. Ron found encrusted

blood on the mercy seat and scraped some off. He took it to a laboratory in Jerusalem to have the DNA analyzed. Ron stood with the lab workers as they analyzed the sample. Remarkably, they discovered it was human blood, not animal. Secondly they discovered only the mother's side of DNA, which was highly unusual.

God had it planned all along that as Jesus became the ultimate and final sacrifice for the sins of all mankind, that HIS blood would also be sprinkled onto the mercy seat, ending the need for the temple and temple sacrifices as well as the sin sacrifice. Also note the veil of the temple was rent in two from top to bottom. This veil separated the Holy of Holies from everyone except the high priest. The significance being there is no more separation. Jesus has become our high priest, and through HIM we have access directly to the Holy of Holies in the temple which is not built with hands. Those who are born again and have the Holy Ghost within, have become the Holy temples of where God dwells, we are the temples of the Holy Ghost. The blood of Jesus Christ has provided direct access to God, which gives us the ability to now become sons of God, speaking the Word of God, and becoming God's voice in the world today. Doing all the works that Jesus did, and more.
