## WHO SLAUGHTERED THE STATUE OF LIBERTY?

*Pat Holliday, Ph.D.*

# DON'T WEEP FOR HER AMERICA

**"Tower Woman" The name "Ashtoreth" itself contains the syllable "tor" [tau resh, or TR in Hebrew] which means "to be round," or to "surround," suggesting a structure of a wall, or turret.**

**"Ash-turrit" literally means the "woman that made the encompassing wall," and the "tor" in Ashtoreth can signify "tower." In other words, Ashtoreth, Ishtar, or our modern EASTER or Eas-tor literally means TOWER WOMAN! <sup>i</sup>**

Centuries before Lady Freedom topped the U.S. Capitol or the Statue of Liberty dominated New York Harbor, images of women were already widely used to symbolize the traits, virtues and opportunities of the United States of America. Art historians have traced images of America's lady liberty back to the first years of European discovery and invasion, when America--the untamed New World—was symbolized as **the Indian Queen, a voluptuous, but stern Native American woman dressed in little more than head feathers. Portrayed sitting astride a giant armadillo or sporting a tomahawk, the Indian Queen represented exoticism, danger and adventure:** attributes that 16th- and 17th-century explorers most associated with their new land. <sup>ii</sup>

## **The Female Form as Allegory**

## Creation of Texas Sculpture **STATUE ON TOP OF CAPITOL**

**The Temple of Justice and Faith: The Capitol's East and West Porticoes and Dome**

**In 1791 Pierre Charles L'Enfant had located his "Congress House" atop Jenkins Hill, which he said "stands as a pedestal waiting for a monument."**

### **Temple of Liberty**

#### **Building the Capitol for a New Nation**

- The bronze Statue of Freedom is the crowning feature of the dome of the United States Capitol. It stands 19 feet 6 inches tall and weighs approximately 15,000 pounds.

#### **Origins of the Tejana Goddess**

Selected Precursors- Coatlique, Artemis, Athena, Minerva, Liberty, Virgen de G., Columbia, "Indian Princess", "Feathered Goddess", Lady Liberty, Diana, Venus, "Celestial Virgen", Lydia Mendoza, Yellow Rose, Dallas Cheerleader, Selena.

Accessories and features taken from above goddesses- armadillo, rattlesnake, eagle, feathers, barefoot, frontier fringe, lone star.

By the age of late colonization, however, the Indian Queen came to be seen as perhaps too savage a symbol for the settlers' new home. She was soon replaced with a tamer, more anglicized American image: **the Indian Princess, a tawny, barefoot beauty often guarded by a rattlesnake.**

I remember seeing a giant crane lifting this statue to place it atop the Capitol building when President Clinton was in office. The news report

said, “They took down to clean it.” I believe they were actually putting on top of Capitol Building at this time. I tried to locate when it first appeared there but cannot find anything that tells me when it was placed on top of the Capitol.

In the years surrounding the American revolution, the image of the Indian Princess began to compete with emblems of the Greek goddess emerging from the European schools of classical art and architecture. "By the late 1790s," folk-art historian Nancy Jo Fox points out, "it was not clear whether a feathered Indian Princess had changed into a Greek goddess or whether a Greek goddess had placed feathers or plumes in her hair".<sup>iii</sup>

Alluding to the order and sovereignty of the antique democratic state, the Plumed Greek Goddess represented what the United States, an eager new country, wanted to be. Wrapped in a toga and wearing high-laced sandals, the Plumed Greek Goddess signified a merging of the neoclassical with the new iconography of America. She was sometimes depicted holding a liberty pole, propping up a shield of the United States, standing beside a bust or depiction of George Washington, or **offering food to a bald eagle.**<sup>iv</sup>

In the United States' youngest years, images of the Plumed Greek Goddess or the Indian Princess soon shared space, and at times meshed with, slightly different versions of the female figure of freedom. **Columbia, sometimes considered the feminine counterpart to Christopher Columbus,** emerged as yet another icon for the United States. Dressed in classical robes, but with a kinder face than the Plumed Greek Goddess, Columbia did not appear with plumed ostrich feathers, nor bows and arrows. But the liberty cap and pole almost always accompanied her, and the stars and stripes of America could be found on her dress or cap.<sup>v</sup>

With so many varying forms of the lady liberty, it is no wonder that artists began to mix traits from the Indian Princess, the Plumed Greek

Goddess and Columbia. Other figures merged with these images as well, especially the Greek representations of the Goddess of Wisdom (Minerva) and the Goddess of Liberty. The Goddess of Liberty, in fact, became "so intimately identified with the American cause as in effect to become Americanized.... we have either Liberty representing the United States or the United States interpreted as Liberty" (Fleming, 56).

This Lady Liberty is, by many accounts, the most frequently portrayed of the four American personifications. With her hair flowing behind her, carrying the liberty pole or draped in classical garb, Lady Liberty became the emblem of choice for the U.S. cent and half-cent coins (Fleming, 56). A plaster statue of Liberty and the Eagle even stands above and behind the speaker's chair in the House of Representatives.

Today, representations of lady liberty blend and borrow from each of these images. The Statue of Liberty has been described by historian Marvin Trachtenberg as a "synthomorphosis" of forms (65), a term that aptly describes the way both the New York statue and Lady Freedom atop the U.S. Capitol were formed. Both statues include variations of headdresses, props and clothing: The Statue of Liberty is crowned with a helmet of sun-ray spikes, an allusion to the headgear of the Colossus of Rhodes, a monument to the Sun-God Helios standing astride a Greek harbor, which is said to be one of the key influences on the New York statue. The Statue of Liberty's gown folds around her like a classical Greek toga; the torch in her hand gestures back to images of Liberty holding out an offering to the Bald Eagle.

Lady Freedom wears a helmet of plumed feathers, and looks, from a distance, like an Indian warrior. A circle of stars, similar to Columbia's accessories, rings her head. She holds a laurel wreath and shield in her left hand, while carrying a sword with her right.

Analyzing these two statues in particular, and understanding them within the context of the symbols they both carry, an interesting question emerges: Why were these particular signifiers chosen? Why is Lady

Freedom crowned with a helmet instead of a liberty cap? Why does the Statue of Liberty carry a stone tablet and torch instead of a sword or shield? As historians have begun to uncover the context and pressure under which Lady Freedom and the Statue of Liberty were designed, deeper meanings behind these two statues begin to unfold--and their multiple layers of political, social and aesthetic meanings start to take shape.<sup>vi</sup>

In "*The New Colossus*," Lazarus contrasts the soon-to-be installed symbol of the United States with what many consider the perfect symbol of the Greek and Roman era, the Colossus of Rhodes. Her comparison proved appropriate, for Bartholdi himself created the Statue of Liberty with the well-known Colossus in mind. What Bartholdi did not intend, however, was for the Statue of Liberty to become a symbol of welcome for thousands of European immigrants. As political propaganda for France, the Statue of Liberty was first intended to be a path of enlightenment for the countries of Europe still battling tyranny and oppression. Lazarus' words, however, turned that idea on its head: the Statue of Liberty would forever on be considered a beacon of welcome for immigrants leaving their mother countries.<sup>vii</sup>

## **"LIBERTY WILL BE DECAPITATED!"**

**American Christians do not understand how offensive Idol worship is to their true God, Jesus. They also do not understand that Idols have an enslaving, demonic power. Idols are more than decorations. Remember the Bible story of the first world government leader, Nebuchadnezzar. He built a colossal idol and issued a degree that everyone must worship it or die. He had organized a world, idolatrous religion and the elitist**

**globalist will build a one world religion too.**

**The spiritual yoking power over the people is seen when they all, like zombies, drop to their knees or faces and bow and worship the Idol. When a human being worships an idol, they are actually worshipping the demon which is the power behind the idol.**

Charles Spurgeon said, "No neutralities can exist in religion. We are either ranked under the banner of Prince Immanuel, to serve and fight His battles, or we are vassals of the black prince, Satan. "To whom belondest thou?"

You must make a choice. Time is short and God will move suddenly and quickly. Repent and come into His holy Ark of the New Covenant. Truly many have turned their back against Jesus Christ, However, a multitude still stand and cry out to their God day and night for the poor and the aborted babies of America. They are now crying out for the poor people who have worked all their lives and have lost their homes, pensions, savings, jobs, through the criminal, **greedy international banking cartels** operate under the economic collapse; a planned event that stole the wealth of the nation. Remember, these corrupted men and women are under God's judgment. And He hears the cry of His people. If there is one person crying out, God will listen.

God will overpower this demonic system.

## **GOD HATES IDOLATRY**

### **Dan 3:10-20**

**10 Thou, O king, hast made a decree, that every man that shall hear the sound of the cornet, flute, harp, sackbut, psaltery, and dulcimer, and all kinds of musick, shall fall down and worship the golden image:**

**11 And whoso falleth not down and worshippeth, that he should be cast into the midst of a burning fiery furnace.**

**12 There are certain Jews whom thou hast set over the affairs of the province of Babylon, Shadrach, Meshach, and Abed-nego; these men, O**

king, have not regarded thee: they serve not thy gods, nor worship the golden image which thou hast set up.

13 Then Nebuchadnezzar in his rage and fury commanded to bring Shadrach, Meshach, and Abed-nego. Then they brought these men before the king.

14 Nebuchadnezzar spake and said unto them, Is it true, O Shadrach, Meshach, and Abed-nego, do not ye serve my gods, nor worship the golden image which I have set up?

15 Now if ye be ready that at what time ye hear the sound of the cornet, flute, harp, sackbut, psaltery, and dulcimer, and all kinds of musick, ye fall down and worship the image which I have made; well: but if ye worship not, ye shall be cast the same hour into the midst of a burning fiery furnace; and who is that God that shall deliver you out of my hands?

16 Shadrach, Meshach, and Abed-nego, answered and said to the king, O Nebuchadnezzar, we are not careful to answer thee in this matter.

17 If it be so, our God whom we serve is able to deliver us from the burning fiery furnace, and he will deliver us out of thine hand, O king.

18 But if not, be it known unto thee, O king, that we will not serve thy gods, nor worship the golden image which thou hast set up.

19 Then was Nebuchadnezzar full of fury, and the form of his visage was changed against Shadrach, Meshach, and Abed-nego: therefore he spake, and commanded that they should heat the furnace one seven times more than it was wont to be heated.

20 And he commanded the most mighty men that were in his army to bind Shadrach, Meshach, and Abed-nego, and to cast them into the burning fiery furnace. **KJV**

### **Daniel 3:28**

[Blessed be the God of Shadrach, Meshach, and Abed-nego, who hath sent his angel, and delivered his servants that trusted in him, and have changed the king's word, and yielded their bodies, that they might not serve nor worship any god, except their own God.] Here is a noble

testimony from a pagan. And what produced it? The intrepidly pious conduct of these three noble Jews. Had they been time-servers, the name of the true God had not been known in Babylon. What honour does the Lord put on them that are steadfast in the faith!<sup>ix</sup>

Daniel 3:28; Daniel 3:29

[Then] Nebuchadnezzar spake, and said, m Blessed [be] the God of Shadrach, Meshach, and Abednego, who hath sent his angel, and delivered his servants that trusted in him, and have changed the king's word, and yielded their bodies, that they might not serve nor worship any god, except their own God.

(m) He was moved by the greatness of the miracle to praise God, but his heart was not touched. And here we see that miracles are not sufficient to convert men to God, but that doctrine most chiefly be joined with them, without which there can be no faith.

Daniel 3:29

Therefore I make a decree, That every people, nation, and language, which speak n anything amiss against the God of Shadrach, Meshach, and Abednego, shall be cut in pieces, and their houses shall be made a dunghill: because there is no other God that can deliver after this sort.

(n) If this heathen king moved by God's Spirit would punish blasphemy, and made a law and set a punishment for such transgressors, much more ought all they that profess religion make sure that such impiety does not happen, lest according as their knowledge and responsibility is greater, so they suffer double punishment. <sup>x</sup>

## **GOD SLAYS THE STATUE OF LIBERTY**

*By Nathan Leal - Feb.2, 2009*

Nathan Leal had a prophetic dream, “I found myself standing in a large field and suddenly the Statue of Liberty appeared in front of me. She was on a small hill maybe 50 to 75 feet high. She was not on Ellis Island. She was about 500 feet away from me. I was just starting to look at her, when suddenly her head fell off. It fell to the ground in front of her and started bouncing down the hill toward me. It stopped at my

feet.”<sup>xi</sup>

**Pat Holliday says:**

**In a prophetic dream, God showed Mr. Leal standing in a large field . . . symbolic of America. The Statue of Liberty was standing on a small hill . . . A small group of cabalist men who dream to rule the world were responsible for placing the Statue of Liberty in the New York harbor. These illuminati’s worship another god. Its spiritual force was elevated by the evil elitist’s worship and American people’s gullible admiration. The elitists’ spiritual agenda goes forth to kill and destroy all perceived enemies; and works to manipulate the masses into willingly accepting the globalist agenda of the Illuminati elite.**

**In comparison to God’s Authority the idol’s demonic power was small. God wanted to show Mr. Leal the idol’s total downfall and Brother Leal would see her removal from spiritual mountain of influence over our nation and when the idol falls, it would be at his feet. God wanted him to see that although she is a lifeless statue, it was alive with a powerful demonic force that lived through her presence. The evil spirit drew its power through the worship of humans toward this man-made thing. Her downfall represents Christians standing when God brings about her downfall.**

**Mr. Leal goes on to say, “The dream was over. I woke up and pondered it. I asked myself what this could mean. I wondered, does this mean - "America will be decapitated?"**

**I fell back asleep, several hours later; I had the same dream again. Everything was repeating itself but this time; I saw a giant hand coming out of the clouds with a large sword. The sword was almost as tall as the statue. It was the hand of God and this time the hand with the sword chopped off the head of Lady Liberty!**

Again the head bounced down the hill and stopped at my feet. Then I heard the words, "Liberty will be decapitated!"<sup>xii</sup>

## **PAT HOLLIDAY INTERPRETS NATHAN LEAL'S DREAM**

**“Liberty will be decapitated” and not America. God clearly reveals in Nathan Leal’s dream, the colossal Idol that we know as the Statue of Liberty will be decapitated by the hand of God. God is going to strip the idol’s supernatural power from the evil cabal of the shadow government behind the American system. THESE RICH MEN ARE UNDER GOD’S JUDGMENT. THERE PLOTS WILL BE UNSUCCESSFUL.**

The whole world system lies in the evil one. Mystery Babylon is very evil. The Mystery of Babylon is the religion of witchcraft with Satan at the center piece of its worship. He wants to steal the throne of God. He believes that he can do this by stealing the hearts of God’s creation, humankind.

**James 5:1-8, “Go to now, ye rich men, weep and howl for your miseries that shall come upon you. 2 Your riches are corrupted, and your garments are moth-eaten. 3 Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days. 4 Behold, the hire of the labourers who have reaped down your fields, which is of you kept back by fraud, crieth: and the cries of them which have reaped are entered into the ears of the Lord of sabaoth. 5 Ye have lived in pleasure on the earth, and been wanton; ye have nourished your hearts, as in a day of slaughter. 6 Ye have condemned and killed the just; and he doth not resist you. 7 Be patient therefore, brethren, unto the coming of the Lord. Behold, the husbandman waiteth for the precious fruit of the earth, and hath long patience for it, until he receive the early and latter rain. 8 Be ye also patient; stablish your hearts: for the coming of the Lord draweth nigh,” KJV**

**A world held hostage by this colossal idol and its stench has reached the highest heavens. The power behind this statue and its destination is the Road to Global Armageddon. When God decapitates the head of the Idol, the Statue of Liberty, with His sword of judgment, the psychopathic deviates “Insiders” plots and plans will fall and they will not survive. When the idol loses her head and crashes to the ground, the demonic power will be demolished *and the covert forces Globalist Elite Engineers Chaos will end!***

**President Barack Obama and the Sovietization of America will break down and a blood bath is coming. The Illuminati elite are obsessed with the death culture; secret societies such as the Masonic Lodge, the O.T.O., the Bohemian Grove, and the Order of Skull & Bones are saturated with sex idols, sex ritual, sex gods and goddesses, and sex symbols and homosexuality is rampant They have lived planning the death for the masses to reduce the world population down to 500 million people so that they can create a New Eden and they too will die.**

**Another enemy will come to destroy the American people. It will come from Russia and millions will die with biochemical gas attack. The elitists’ will hide in underground tunnels to survive this attack. After the defeat of the Statue of Liberty and the chemical attack that will cause a catastrophic mass deaths; missile attacks will come from America’s enemies from both coast. The elitists that hide underground and let the common people die will come out to defend themselves. . . They will not be successful . . . Their evil mire of sin *Deception, Chaos, Police State, and Destruction and God* will stretch forth His hand for judgment and utter destruction.**

**See vision below.**

## **PAT HOLLIDAY INTERPRETS ALLEN’S VISION**

**I saw her standing far out in the Gulf of Mexico. She was between the United States and me. I suddenly realized that the telescope had nothing**

to do with what I was seeing, but that it was a vision coming directly from God. And to prove this to myself, I took my eyes away from the telescope, so that I was no longer looking through the lens, but the same scene remained spread before me. There, clear and distinct, lay all the North American continent, with all its great cities.

**Pat says:**

**We are presently seeing our leaders working to connect us into Canada and Mexico through NAFTA Trade Agreement. I believe that God was showing A. A. Allen the time frame when his vision would begin to unfold showing the Statue in the Gulf of Mexico. This vision will happen when U. S. opens its borders to Mexico.**

Allen continues, **And as I looked, suddenly from the sky I saw a giant hand reach down. That gigantic hand was reaching out toward the Statue of Liberty. In a moment her gleaming torch was torn from her hand, and in it instead was placed a cup. And I saw protruding from that great cup, a giant sword, shining as if a great light had been turned upon its glistening edge. Never before had**

Pat says:

**Originally, a cup was designed to for this idol's hand but it was so big that it could not be shipped to America... It is presently in Russia.**

Allen saw," such a sharp, glistening, dangerous sword. It seemed to threaten the entire world. **As the great cup was placed in the hand of the Statue of Liberty, I heard these words, "Thus says the Lord of hosts, Drink ye and be drunken, spew and fall, and rise no more, because of the sword which I will send."**

**Look at the Word of God, "And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication," (Rev 17:4).**

**Pat says:**

**This idol will be destroyed by the hand of God. It is not a loving lady standing in the east river to welcome strangers. It is a demonic image of a goddess an Illuminati statue that has been placed at the entrance of our country. Read on!**

**The History Channel had a program on television last night; I think the show is called Modern Marvels. The subject was the Statue of Liberty. It highlighted its French construction Techniques and why and how it was built, and then detailed its restoration recently. However, nothing was said of its true identity, namely, Queen Simiramis, Isis, and Ashtoreth, wonder why?**

**The program really went into detail about the torch and as we all know the torch does not represent freedom nor liberty but slavery and control (Illuminati torch is present at JFK and Princess Diana's grave sites). Nothing was said about its Esoteric origins, too bad . . . the truth will never be told until more wakes up . . . it was a good show but it's so sad that the elites utilize symbols like this which we all wish to believe in, into their own deviate, self-serving control.**

Allen went on to say, As I heard these words, I recognized them as a quotation from Jeremiah 20:7. **I was amazed to hear the Statue of Liberty speak out in reply, "I WILL NOT DRINK!"**

Then as the voice of the thunder, I heard again the voice of the Lord, saying, **"Thus says the Lord of hosts, YE SHALL CERTAINLY DRINK."** (Jer. 25:28.)

Then suddenly the giant hand forced the cup to the lips of the Statue of Liberty, and she became powerless to defend herself. The mighty hand of God forced her to drink every drop from the cup. As she drank the bitter dregs, these were the words that I heard, **"Should ye be utterly unpunished? Ye shall not be unpunished: for I will call for a sword**

**upon all the inhabitants of the earth, says the Lord of Hosts."** (Jer. 25:29).

Pat says:

**Notice that God coerced her to drink... revealing that this idol and the demon behind the statue is not stronger than God. Also, God has a date with this idol to destroy it. He will end this demon's sinister schemes of inspiring ruling class who are the elite who make up this secretive group.**

**Allen goes on to say:**

**When the cup was withdrawn from the lips of Statue of Liberty, I noticed the sword was missing from the cup, which could mean but one thing. THE CONTENTS OF THE CUP HAD BEEN COMPLETELY CONSUMED! I knew that the sword merely typified war, death, and destruction, which is no doubt on the way. Then as one drunken on too much wine, I saw the Statue of Liberty become unsteady on her feet and begin to stagger, and to lose her balance. I saw her splashing in the Gulf, trying to regain her balance. I saw her stagger again and again, and fall to her knees. As I saw her desperate attempts to regain her balance, and rise to her feet again, my heart was moved as never before with compassion for her struggles.**

Pat says:

**The Idol lost her sword of power of the Illuminati and she drinks from the cup of absolute poison the war against the Harlot continued to be waged by the hand of God.**

**After the cup was completely consumed, which had replaced the sword of war and death, the Lord God struck the idol with a lethal blow.**

**Notice as the Statue struggles to stand but she was still not dead. This reveals that the statue is extremely mighty and had successfully**

ruled over our nation.

Although Allen, who was a Christian, felt great compassion for her death struggles. Like millions of American Christians, he did not look upon this idol as an enemy of God; and a worshipping illuminati cabal of evil men.

The idol, which is backed by demonic powers to change American's religious commitment to Jesus Christ and create a globalist Occult Theocracy is clearly at hand . . . For example, Allen, did not see this detestable idol through the eyes of God or its demonic powers. Allen has deep compassion which exactly typifies how the American Christians look upon the wickedness of this illuminati symbol. They love her and believe that she symbolizes freedom. Actually, she symbolizes tyrannical slavery.

Allen says:

But as she staggered there in the gulf, once again I heard these words, "Ye shall drink and be drunken, and spew, and fall, and rise no more because of the sword that I shall send among you." As I watched, I wondered if the Statue of Liberty would ever be able to regain her feet - if she would ever stand again. And as I watched, it seemed that with all her power she struggled to rise, and finally staggered to her feet again, and stood there swaying drunkenly. I felt sure that at any moment she would fall again - possibly never to rise. I seemed overwhelmed with a desire to reach out my hand to keep her head above water, for I knew that if she ever fell again she would drown there in the Gulf.

Pat Says:

Again, we see Allen having a strong desire to help this wicked thing fallen, even though he knows that it is God killing it.

**Notice the anger of the Lord God concerning His defeat of the power of this satanic figure. To God, idol was not a beautiful piece**

**of art or a piece of history to be revered by masses. She was not a great light to our nation. God knew that depraved idol symbolized the evil of both wicked men and demonic. Allen did not seem to realize that she had been brought to America by these depraved men of the Devil and she will be brought down by God to destroy her iniquitous rule over the hearts of American people. These evil illuminates set her there to replace the touchstone of the authority of Jesus Christ over this nation.**

Again, notice that although Allen believed he was seeing a vision from God, he still sympathized with the evil idol's annihilation by God's hand. Americas will feel the same way when they lose all their things being stolen by the international bankers. Many have already lost their homes, jobs, savings and retirements through their evil scams. They will feel grief for their physical loses because they have long ago lost their spiritual sensitivity to Jesus Christ. God will not sit at the table with the Devil and Jesus at the same time.

## **GOD'S JUDGMENT**

**Allen wrote:**

Then as I watched, another amazing thing was taking place. **Far to the northwest, just over Alaska, a huge black cloud was arising. As it rose, it was as black as night. It seemed to be in the shape of a man's head. As it continued to arise, I observed two light spots in the black cloud. It rose further, and a gaping hole appeared. I could see that the black cloud was taking the shape of a skull, for now the huge, white, gaping mouth was plainly visible. Finally the head was complete. Then the shoulders began to appear, and on either side, long, black arms. It seemed that what I saw was the entire North American continent, spread out like a map upon a table with this terrible skeleton formed cloud arising from behind the table. It rose steadily until the form was visible down to the waist.**

**AS SARA PALIN SAID.... "I CAN SEE RUSSIA FROM MY BACK YARD."**

**A massive black tempest rises bringing great darkness and then Allen sees a cadaverous figure appearing from the north. He watches it form. It appears as the bare bones of starvation. The hunger from Russia will look upon America as the answer to her dearth. The psychopathic deviates that inevitably rise to the top in political empires and then proceed to devastate and destroy everything good and moral in society have brought curses upon the world.**

Allen says, “**At the waist, the skeleton seemed to bend toward the United States, stretching forth a hand toward the east and one toward the west – and then one toward New York and one toward Seattle. As the awful form stretched its form forward, I could see that its entire attention seemed too focused upon the United States, overlooking Canada - at least for the time being. As I saw the horrible black cloud in the form of a skeleton bending toward America, bending from the waist over, reaching down toward Chicago and out toward both coasts, I knew its one interest was to destroy the multitudes (of people).**

**Pat says:**

**The skeleton bends and takes action to destroy the entire continent of America. Where are those mighty men of the illuminati to protect the land that they stole from the people? There is absolutely no movement of resistance by our government to protect us from the diabolical figure.**

As I watched in horror, the great black cloud stopped just above the Great Lake region, and **turned its face toward New York City. Then let out of the horrible, great, gaping mouth began to appear wisps of white vapor, which looked like smoke, as a cigarette smoker would low puffs of smoke from his mouth. These whitish vapors were being blown toward New York City. The smoke began to spread, until it had covered all the eastern part of the United States.**

**Pat says:**

**This high level demonic figure was on a grave mission of death. It had a brain and knew exactly direction to take to accomplish its goal which was death and obliteration every living human being.**

**Suddenly the frightful being began to breathe its great devastation over the land. The monster blew whitish vapors its deadly attack with gas from coast to coast.**

**Then the skeleton turned to the west and out of the horrible mouth and nostrils came another great puff of white smoke. This time it was blown in the direction of the west coast. In a few moments time, the entire west coast and Los Angeles area was covered with its vapors.**

**Pat Says:**

**The vapors were being blown from coast to coast by the breath of this dreadful ogre of death. This is very scary knowing that that last week, Baxter Labs had “accidentally” released live Avian Flu virus . . . to eighteen countries. It was caught because a postal clerk noticed that ferrets had died and it was caught. “They forgot to eradicate it.” This “accident” could have caused the death of millions worldwide.**

**Allen continued his story concerning the frightening skeleton riding on a black cloud who continued its assignment and still not one sign of military resistance for the protection masses of America people. It, uninterruptedly raced toward what seemed to be its target in the Mexico Gulf, The Statue of Liberty that he saw standing in the Gulf.**

**Since the Statue of Liberty is planted in New York Harbor, the gateway of our country, is now visible in the Gulf of Mexico, what does it mean?**

**I believe is a time line indicator as to when this vision will happen. Our leaders are working to open this gateway to our nation now.**

Allen goes on to say, **Then toward the center came a third great puff. As I watched, St. Louis and Kansas City were enveloped in its white vapors and then on it came toward New Orleans. Then on they swept until they reached the Statue of Liberty where she stood staggering drunkenly in the blue waters of the Gulf. As the white vapors began to spread around the head of the Statue, she took in but one gasping breath, and then began to cough as though to rid her lungs of the horrible vapors she had inhaled.**

**Pat says:**

**The culture of death ruthlessly dominates the idea of planting their goddess of liberty to enslave the people of America and now the kingdom of hell rises to kill, rob and steal by blowing its deadly breathing spell. Its target is to kill the ideas of the cabal of evil men and women concerning their plans to consolidate Mexico, America and Canada. This new compact would definitely overshadow the power of Russia.**

**One could readily discern by the painful coughing that those white vapors had seared her lungs and had struck a deadly blow. However she did not die.**

**What were these white vapors? Could they signify bacteriological warfare that could destroy multitudes of people in a few moments time? Or could they be the new G-gas; the horrible nerve gas recently made known to the American public? ...**

**Indeed, Val Peterson, Federal Civil Defense Administrator, estimates that ... "Nerve gas used by an enemy with maximum efficiency could be deadlier than an atomic bomb." Right now you and your family, all of us, are unprotected against the threat of this terror weapon. Of course the internationalists want the wealth of**

**America. Therefore, this is probably their plan of attack.**

**... The Army calls it GB; it's an odorless, colorless, tasteless nerve gas designed to destroy people with paralyzing suddenness. We have it; so do the Russians . . . G-gas, as nerve gas is sometimes called, is cheap to produce, a small amount can do the job, and it leaves a nation's industrial plants, utilities and buildings intact for an occupying power....**

**As I looked with wonder upon the vision God had given me, I wondered could it be this horrible G Gas, which was causing the Statue of Liberty to react so violently, as it floated about her head, looking like an innocent cloud.**

**Then I heard the voice of God, as He spoke: "Behold, the Lord maketh the earth empty, and maketh it waste, and turneth it upside down, and scattereth abroad the inhabitants thereof."**

**"And it shall be, as with the people, so with the priest; as with the servant, so with his master; as with the buyer, so with the seller; as with the lender, so with the borrower; as with the taker of usury, so with the giver of usury to him. "The land shall be utterly emptied, and utterly spoiled: for the Lord hath spoken this word. The earth mourneth and fadeth away, the world languisheth and fadeth away, the haughty people of the earth do languish. The earth also is defiled under the inhabitants thereof; because they have transgressed the laws, changed the ordinance, broken the everlasting covenant. "Therefore hath the curse devoured the earth, and they that dwell therein are desolate: therefore the inhabitants of the earth are burned and few men left." (Isaiah 24:6)**

Allen says:

**As I watched, the coughing grew worse. It sounded like a person about to cough out his lungs.**

**The Statue of Liberty was moaning and groaning. She was in mortal agony. The pain must have been terrific, as again and again, she**

tried to clear her lungs of those horrible white vapors. I watched her there in the Gulf, as she staggered, clutching her lungs and her breast with her hands. Then she fell to her knees. In a moment, she gave one final cough, made a last desperate effort to rise from her knees, and then fell face forward into the waters of the gulf, and lay still - still as death. Tears ran down my face as I realized that she was dead! Only the lapping of the waves, splashing over her body, which was partly under the water, and partly out of the water, broke the stillness....

**Pat says**

**Again, we see Allen tearfully agonizing with the death of the Idol. She is dead. It means that the power that made her is dead. The demons that motivated her are defeated by God. It means the Devil worshipers that elevated her presence at the gateway of our country had suffered utter trouncing at the hands of the “friend” that they had created, Communism.**

#### **A HORRIFYING SCENE ~ STATUE DIES AND ALSO PEOPLE**

Then Allen saw. Suddenly the screaming of sirens shattered the silence. Sirens that seemed to scream "RUN FOR YOUR LIVES!" Never before had I heard such shrill, screaming sirens. They seemed to be everywhere - to the north, the south, the east and the west. There seemed to be multitudes of sirens. And as I looked, I saw people everywhere running. But it seemed none of them ran more than a few paces, and then they fell. And even as I had seen the Statue of Liberty struggling to regain her poise and balance, and finally falling for the last time, to die on her face, I now saw millions of people falling in the streets, on the sidewalks, struggling. I heard their screams for mercy and help. I heard their horrible coughing, as though their lungs had been seared with fire.

**Pat says:**

**They had followed these horrible men of debauchery and loved their idol and they followed her into death. Notice also the paragraphs**

**that describe some hiding in shelters, protected from the destruction. You will also notice that the context is clearly given as World War III and the wrath of God upon the whole world. All nations will suffer mass catastrophic destruction during this time, including the U.S., but many nations will survive and so will America.**

Allen says:

I heard the moanings and groanings of the doomed and the dying. As I watched, a few finally readied shelters. But only a few ever got to the shelters, and above the moaning and the groaning of the dying multitudes, I heard these words: "A noise shall come even to the ends of the earth; for the Lord hath a controversy with the nations, He will plead with all flesh; He will give them that are wicked to the sword, saith the Lord. Behold evil shall go forth from nation to nation, and a great whirlwind shall be raised up from the coasts of the earth. And the slain of the Lord shall be at that day from one end of the earth even unto the other end of the earth: they shall not be lamented, neither gathered nor buried; they shall be dung upon the ground," (Jer. 25:31-33).

**Then Allen sees a terrifying scene. He saw the United States being attacked by nuclear missiles from submarines on the coastlines. It is believed that he saw an atomic war in action. It is interesting to note here that many have testified about underground safe places for the elite. While the masses were killed with some strange gas vapor, those who were "safely underground," were now being attacked by nuclear warfare.**

Allen says,

Then suddenly I saw from the Atlantic and from the Pacific, and out of the Gulf, rocket-like objects that seemed to come up like fish leaping out of the water. High into the air they leaped, each headed in a different direction, but everyone toward the United States. On the ground, the sirens screamed louder. And up from the ground I saw similar rockets beginning to ascend. To me, these appeared to

be interceptor rockets although they arose from different points all over the United States. However none of them seemed to be successful in intercepting the rockets that had risen from the ocean on every side. These rockets finally reached their maximum height, slowly turned over, and fell back toward the earth in defeat.

**Pat says:**

**You will notice that when the rockets fly, then there is a counter attack. The bunkers will not protect those elitist that planned the destruction of America. They were silent when the people faced death but now they will die too.**

**Allen says;**

Then suddenly, the rockets which had leaped out of the oceans like fish all, exploded at once. The explosion was earsplitting. The next thing, which I saw was a huge ball of fire. The only thing I have ever seen which resembled the thing I saw in my vision was the picture of the explosion of the H-bomb, somewhere in the South Pacific some months ago. In my vision, it was so real I seemed to feel a searing heat from it.

**Paul Pilgrim says:**

**One of the elements that make this vision authentic is the mention of interceptor missiles, which did not exist until the advent of STARWARS, Strategic Defense Missiles that are supposed to be able to hit incoming nuclear missiles; but many people say they cannot do the job. This prophecy says they cannot. The judgment of God will vanquish all His enemies.**

Allen continues his describe his apocalyptic vision.

As the vision spread before my eyes, and I viewed the widespread desolation brought about by the terrible explosions, I could not help thinking, "While the defenders of our nation have quibbled over what means of defense to use, and neglected the only true means of

defense, faith and dependence upon the true and living God, the thing, which she greatly feared, has come unto her! How true it has proven that 'Except the Lord keep the city, the watchman watcheth but in vain.'"

**Isn't it interesting, although the evil men of the illuminati cabal created Communism and destroyed the monarchy of Russia, it will be Russian Communism that will destroy them and all their depraved plans to rule the world?**

**They will not defend the lives of the American People who suffer death through the white vapors of a chemical substance or a biological attack that will come from Russia.**

**Allen continues:**

**Then as the noise of battle subsided, to my ears came this quotation from Joel, the second chapter: "Blow ye the trumpet in Zion, and sound an alarm in my holy mountain: let all the inhabitants of the land tremble: for the day of the Lord cometh for it is nigh at hand." A day of darkness and of gloominess, a day of clouds and of thick darkness, as the morning spread upon the mountains: a great people and a strong: there hath not been ever the like, neither shall be any more after it, even to the years of many generations.**

**"A fire devoureth before them: and behind them a flame burneth: the land is as the Garden of Eden before them, and behind them a desolate wilderness; yea, and nothing shall escape them. The appearance of them is as the appearance of horses; and as horsemen, so shall they run. Like the noise of chariots on the tops of mountains shall they leap, like the noise of a flame of fire that devoureth the stubble, as a strong people set in baffle array. Before their face the people shall be much pained: all faces shall gather blackness.**

**"They shall run like mighty men: they shall climb the wall like men of war; and they shall march everyone on his ways, and they shall not**

break their ranks: Neither shall one thrust another; they shall walk everyone on in his path: and when they fall upon the sword, they shall not be wounded.

"The shall run to and fro in the city; they shall run upon the wall, they shall climb upon the houses; they shall enter in at the windows like a thief."The earth shall quake before them; the heavens shall tremble: the sun and the moon shall be dark, and the stars shall withdraw their shining," (Joel 2:1-10).

**Allen said:**

Then the voice was still. The earth, too, was silent, the silence, with the silence of death. And then to my ears came another sound - a sound of distant singing. It was the sweetest music I had ever heard. There was joyful shouting, and sounds of happy laughter. Immediately, I knew it was the rejoicing of the saints of God. I looked, and there high in the heaven, above the smoke and poisonous gases, above the noise of battle, I saw a huge mountain. It seemed to be of solid rock, and I knew at once that this was the Mountain of the Lord. The sounds of music and rejoicing were coming from a cleft, high up in the side of the rock mountain. It was the saints of God who were doing the rejoicing. It was God's own people who were singing and dancing and shouting with joy, safe from all harm which had come upon the earth, for they were hidden away in the cleft of the rock. 1 There in the cleft, they were shut in, protected by a great, giant hand which reached out of the heavens, and which was none other than the hand of God, shutting them in, until the storm be over passed. **"Be not deceived; God is not mocked: for whatsoever a man soweth that shall he also reap. For he that soweth to the flesh shall of the flesh reap corruption."** (Gal. 6:7).

## **A GIANT SWORD ~ GOD KILLS THE STATUE OF LIBERTY**

A. A. Allen writes in 1958, "I suddenly realized that the telescope had

nothing to do with what I was seeing, but that it was a vision coming directly from God. And to prove this to myself, I took my eyes away from the telescope, so that I was no longer looking through the lens, but the same scene remained before me.”

There, clear and distinct, lay all the North American Continent, with all its great cities. To the north lay the Great Lakes. Far to the northeast was New York City. I could see Seattle and Portland far to the northwest. Down the west coast there were San Francisco and Los Angeles. Closer in the foreground, there lay New Orleans, at the center of the Gulf Coast area. I could see the great towering ranges of the Rocky Mountains, and trace with my eye the Continental Divide. All this and more, could I see spread out before me as a great map upon a table.

And as I looked, suddenly from the sky I saw a giant hand reach down. That gigantic hand was reaching out toward the Statute of Liberty. In a moment her gleaming torch was torn from her hand, and in it instead was placed a cup. And I saw protruding from that great cup a giant sword, shining as if a great light had been turned upon its glistening edge. Never before had I seen such a sharp, glistening, dangerous sword. It seemed to threaten the entire world. As the great cup was placed in the hand of the Statue of Liberty, I heard these words, "Thus saith the LORD of hosts, 'Drink ye and be drunken, and spue, and fall, and rise no more, because of the sword which I will send.'" As I heard these words, I recognized them as a quotation from Jeremiah 25:27.

## **A NEW LOOK AT THE “STATUE OF LIBERTY”**

Consider for a moment: The "Statue of Liberty," standing on Liberty Island, is one of the largest statues ever made. Its proper name is "Liberty Enlightening the World." The statue represents a proud woman, standing on a huge pedestal, with her right arm extended, holding high a flaming torch. A turreted crown with huge spikes symbolizing the rays of the sun rests on her head. At her feet is a broken shackle symbolizing the overthrow of "tyranny?" The statue stands 151 feet in height, weighs about 100 tons, and stands on a Babylonia style tower which is 154 feet

high.

In her poem "The New Colossus," Emma Lazarus calls the "Statue of Liberty" the "Mother of Exiles." But the truth is, she is the "Mother of harlots and abominations of the earth" (Rev.17:5). The liberty she promises is slavery to this world's system.<sup>xiii</sup>

## **FALSE GODDESS WORSHIP**

Paul Pilgrim of says concerning the A. A. Vision of 1958. "This vision rang true to me the first time I read it. It is one of several I have on the website; all of them ring true to me. The lord spoke to me several months ago, and began to minister to my spirit that this thing Americans call liberty and freedom is a false god. There is no such thing as liberty and freedom. Liberty and freedom are concepts built around the lie of the serpent that we can be masters of our own destiny, to be as god. Americans and especially American Christians worship this false god above all others. Jesus said we cannot serve two masters, but that is exactly what is promoted in nearly every church in this demonic country. There is usually a corporate US flag flying on the stage of every church. Every pastor in the land almost is still preaching liberty and freedom.

<http://www.remnantradio.org/Archives/Visions/statue.html>

Paul Pilgrim continues to say: American Christians, we all need to repent from this false god worship which we all have done, and were taught to do since birth.

I would not perhaps feel so strongly about this had not the Lord Jesus already had ministered to me about this. But this puts into words EXACTLY what has been moving in me for the past few months. Thank God for writers such as you, who can express properly into words the things that God wants spoken. THIS IS GOD'S WORD FOR TODAY - FOR AMERICA! While these duped Christian's are all fighting over technicalities of scripture JUST LIKE THE PHARISEES DID, God's true word is moving in the spirit of his remnant people.

PRAISE BE TO GOD ALMIGHTY that his WORD will go into the earth and it will not return to him null and void. HIS WORD will intercept the spirit of his

remnant, and THEY WILL respond, and that response will be primarily REPENTANCE, and especially repentance from the worship of idols, false gods and goddesses, especially this one called liberty.<sup>xiv</sup>

Pilgrim goes on to say, “As a further note, as God is moving in my spirit again about this false god: When I started telling my family and friends her about this false god months ago, I found that this word was rejected. Even those who generally listen to what I say did not want to receive this word.”<sup>xv</sup>

**There will only be few who will stand against this idol, Pat. This worship of this idol reinforces the spirit of PRIDE within every American. Every time I see those bumper stickers I rebuke them - "I'm proud to be a -----" Especially the "I'm proud to be an American". The duality is this: Those who will inherit the kingdom of God, and those who will be thrown into outer darkness - Those who humbly submit to Jesus Christ and reject all pride, and those who are proud.**

**Once the spirit of liberty is cast down or out, then the spirit of pride will stand alone to be cast into the fire. But pride hides behind liberty and is unseen, especially with those who call themselves faithful Christians, and go to church every chance they get.”<sup>xvi</sup>**

## **THE GODDESS OF FREEMASONRY**

William Bond writes, “A few years ago I came across an illustrated Freemasonry book in my local library and glanced through it, out of idle curiosity, I was surprised to find I was able to pick out Goddess symbolism within Mason images. This was a surprise; because Freemasonry is suppose to be a male dominated secret society. So why would an organization that has steadfastly refused to allow female members within its ranks for hundreds of years, use Goddess symbolism? It didn't make sense. I began to read more about Freemasonry and found enough information about the connection between Freemasonry and Goddess worship to fill a book. This article is a taste of what I have discovered so far.”<sup>xvii</sup>

The Statue of Liberty was conceived, financed and built by Freemasons. They even had a Freemasonry ceremony when the statue was dedicated on October 28, 1886, by the then President of USA, Grover Cleveland. This colossus was initiated by French Freemason Frederic-Auguste Bartholdi. Whom he claims, "he caught a vision of a magnificent goddess holding aloft a torch in one hand and welcoming all visitors to the land of freedom and opportunity". So clearly in his mind the statue was a Goddess. He also wanted to build a giant statue of the Goddess Isis in Egypt, but as Egypt was then, and now, a Moslem country, this wasn't a good idea, and it fell through. The cost of making and installing this Statue Of Liberty was enormous. The French Freemasons had to raise 3,500,000 French francs, while New York newspaper owner Joseph Pulitzer donated \$100,000 which in the 1870's was a lot of money.<sup>xviii</sup>

The symbolism of the Statue shows she is a Sun Goddess. We can see this by the ray of the sun coming out of her head dress and the flaming torch she is holding. The significance of this is in pagan times there used to be sun-gods and moon-goddesses. With the sun-god being the dominant deity because the sun has the greater light. But in more ancient times there used to be sun-goddesses and moon-gods. So she would be a dominant Goddess taking us back to the Creatrix Great Mother.<sup>xix</sup>

## **WHAT SHALL THE RIGHTEOUS DO? WHAT ABOUT GOD'S PEOPLE?**

**David Wilkerson says, "First, I give you a practical word I received for my own direction. If possible lay in store a thirty-day supply of non-perishable food, toiletries and other essentials. In major cities, grocery stores are emptied in an hour at the sign of an impending disaster.**

**As for our spiritual reaction, we have but two options. This is**

**outlined in Psalm 11. We “flee like a bird to a mountain.” Or, as David says, “He fixed his eyes on the Lord on his throne in heaven—his eyes beholding, his eyelids testing the sons of men” (v. 4). “In the Lord I take refuge” (v. 1).**

I will say to my soul: No need to run...no need to hide. This is God’s righteous work. I will behold our Lord on his throne, with his eye of tender, loving kindness watching over every step I take—trusting that he will deliver his people even through floods, fires, calamities, tests, trials of all kinds.

**Note: I do not know when these things will come to pass, but I know it is not far off. I have unburdened my soul to you. Do with the message as you choose.**

God bless and keep you,

In Christ,

## **A NEW PAGAN WORLD ~ NEW WORLD RELIGION**

**The whole world system lies under the power of the evil one. Mystery Babylon is the epitome of evil and is the religion of witchcraft with Satan at the center-piece of worship. He wants to steal the throne of God and believes that he can do this by stealing the hearts of God’s creation, humankind.**

**The Apostle John was invited by God to view the false end-time religious system in (Rev. Chapter 17): He saw a woman upon a scarlet colored beast, full of names of blasphemy. He describes the**

woman arrayed in purple and scarlet color and bedecked with gold and precious stones and pearls, having a golden cup in her hand full of the abominations and filthiness of her fornication: And upon her forehead was a name written, "Mystery, Babylon the Great, the Mother of Harlots and Abominations of the Earth, . . ." (Rev. 17:1-3).

Dressed as a pagan-temple harlot, this religious system will certainly operate under the cloak of spiritual adultery. Her true personality can be seen by her association of the Beast System of government called Babylon. (Rev. 18:2), "Babylon the Great is fallen, is fallen; she has become a den of demons, a haunt of devils and every kind of evil spirit." Babylon has always been associated with occult practices. The apostle saw the religious system written on this harlots head. "And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH," (Rev 17:5). It is certainly intriguing the Bible shows us exactly what variety of a religious system will come in existence during the rise of the Antichrist and his Babylonian government.

John in a vision that in the last days, demon spirits will be released upon the earth which would go forth to deceive the world. (Rev. 16:13-14), "And I saw three unclean spirits like frogs (demons) come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet."

These three spirits that John saw represent lying, deceiving, seducing demon spirits that are going to be released by Satan. (Rev. 16:14). "For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty."

The Body of Christ is facing the most horrendous, Satanic and demonic greatest confrontation than at any other time in history. It will be a time of intensified spiritual warfare where demons will manifest themselves and will fight in direct confrontation with

God's people. The Lord Jesus told us in (Matt. 10:22), "**And ye shall be hated of all men for. My name's sake: but he that endureth to the end shall be saved.**" And then in (Matt. 6:33), He said, "**But seek ye first the kingdom of God, and His righteousness . . .**"

The Bible gives a clear picture of the downward progression of sinful practices during the Church Age. It shows the condition of the organized church when Christ comes for His Bride. (He is not coming for a harlot). We see the traits and characteristics of the Church as backslidden as one who has left its first love (Rev. 2:4.). It will be filled with materialism, secularization, self confidence, human reasoning, and Spiritual fornication that tolerates false teaching. That kind of a church can never have a cutting edge against the deceptions of the world.

Satan's methods of corrupting the Church are portrayed in both (Matt. 13), and (Rev. 2, and 3). His plan starts with destruction and has no creative power. He has counterfeit and imitation false prophets. What he cannot destroy, he joins for the purpose of pollution. His primary goals are to defame the name of Christ, lie about Christ, and lead people to doubt the Bible, defeating the mission of the Church.

The Word of God says, "**While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage,**" (2 Pet. 2:19).

Standing at the entrance of the United Nations is the mighty **Statue of Zeus (Jupiter) of Ba'al or Zeus. Apollon or Apollyon, Abaddon or Apollo, Jupiter or Zeus**, depending upon whether you're Roman, Persian or Greek — **Heilios, Hermes, Antiochos, Kommagene, Mammon**. These are the **gods of the New Age**. *They are summoning the old gods . . . they are not dead . . . these demonic spirits are helping to build the New World Order.* The world leaders believe that they have open new pathways to God in order to build the new world. They must summon the old gods, **Apollyon**, to do it.

**The New World Government and Religion is here. The Earth Charter, constructed by** (new world religious plans) has already been introduced to the **United Nations** and is waiting to be accepted as a treaty by our U. S. Senate. This new religion wishes to raise our consciousness to the **Spiritual Hierarchy (Demons)**, through **MEDITATION**: In complete, focused silence, visualize the United Nations overshadowed and infused by the Will-to-Good and the Love of **All spiritual Beings** who watch over and guide our planetary evolution. Meditate on the Purpose that seeks to guide the work of the United Nations; they believe that **THE SPIRITUAL WORK OF THE UNITED NATIONS AND THE LIBERATION OF HUMANITY.**<sup>xx</sup>

**America is becoming more pagan and heathen every day. These spirits are replacing our beloved Christianity. The marks of paganism are idol worship, ritualism—religious but lost, ignorance concerning God. Spiritual darkness is the mark of paganism, (Eph. 4:18).**

Modern **change agents** and **mystical movements** are convinced that if a **One World Government** and a **One World Religion** will see realization, then the **thoughts of people must be transformed.** This "**paradigm shift**" is a **change in consciousness**, a change in the way man perceives, thinks, and conceives values. It is a **spiritual, cultural, global and personal change.** Man's **view of life, God, and himself**, is modified and **altered** according to the **new view of reality.**

These elite globalists want to stamp out Christianity and cast Jesus Christ on the same level with every god, demon, and idol in the world. They say, "It's okay to follow Jesus as long as you follow another gospel, another Jesus and another Spirit."

Many churches have become mind control centers being managed by bewitchments and the pleasures of the sex. Emotions are control by manipulation. The flesh is granted every sexual perversion and no longer challenged as sin. People follow those who are spiritually blinded. The pagan highway is being paved by the powers of darkness to prepare the way of the Prince of Darkness.

## THE ANTICHRIST SPIRIT

The spirit of ANTICHRIST is already at work. As these Last Days approach, more and more, we are witnessing people abandon the Bible in favor of the New Age Movement, witchcraft, and Unitarian beliefs.

**(1Jn. 4:3), And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of ANTICHRIST, whereof ye have heard that it should come; and even now already is it in the world.”**

All pathways lead God will lead humanity into great deception Luciferian worship. We know from the Scriptures that Satan’s plan is to deceive the whole world. His objective is to blind the minds of the unbelieving and to recruit those who believed to become part of his agenda to set up an end-times delusion.

## LUCIFERIN WORSHIP

All pathways’ lead God will lead humanity into great deception Luciferin worship. We know from the Scriptures that Satan’s plan is to deceive the whole world. His objective is to blind the minds of the unbelieving and to recruit those who believed to become part of his agenda to set up an end-times delusion.

## GOD OF FORCES

The Book of Daniel, chapter 11, **says that the willful king (ANTICHRIST) will honor a "strange god" -- a god whom his fathers knew not . . . a "god of forces . . . "**

There is a great spiritual blindness the covers the earth today. Many Christians seem to be caught in a web of deceit. Why have so many so often been so blind to the meaning of the great event often been so oblivious to the meaning of the great events transpiring in our time?

Is it because we have not bothered relating the Word of God to those affairs of life which lie beyond our personal interests, our families,

and our immediate circle of Christian friends? As much of Europe rids itself of all traces of biblical Christianity, it has chosen to degrade Jesus too merely a man and mock the bible and in turn embrace a new vision for their future . . . a vision that will usher in the coming of the ANTICHRIST on the world stage.

## ANTICHRIST

Look at (1Jn.2:18), Who is this *antichristos*, ANTICHRIST? Is he the Emperor Domitian, the Gnostics, Nicolaitans, Nazareans, Cerinthians, Romish pontiffs, etc., etc.? Answer: Any person, thing, doctrine, system of religion, polity, etc., which is opposed to Christ, and to the spirit and spread of his Gospel, is ANTICHRIST. We need not look for this imaginary being in any of the above exclusively. Even Protestantism may have its ANTICHRIST as well as Popery. Every man who opposes the spirit of the Gospel, and every teacher and writer, who endeavours to lower the Gospel standard to the spirit and taste of the world, is a genuine ANTICHRIST, no matter where or among whom he is found. The heresies which sprang up in the days of John were the ANTICHRIST of that time. As there has been a succession of oppositions to Christianity in its spirit and spread through every age since its promulgation in the world, so there has been a succession of ANTICHRIST. We may bring this matter much lower; every enemy of Christ, everyone who opposes his reign in the world, in others, or in himself, is an ANTICHRIST; and consequently every wicked man is an ANTICHRIST. But the name has been generally applied to whatever person or thing systematically opposes Christ and his religion.

[Many ANTICHRIST] Many false prophets, false Messiahs, heretics, and corrupters of the truth.

[Whereby we know that it is the last time.] That time which our Lord has predicted, and of which he has warned us.<sup>1</sup>

(1 Jn. 2:22-23). **“Who is a liar but he that denieth that Jesus is the Christ? He is ANTICHRIST, that denieth the Father and the Son. 23 Whosoever denieth the Son, the same hath not the Father:**

**(but) he that acknowledgeth the Son hath the Father also.”**

(1 Jn. 4:3), **“And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of ANTICHRIST, whereof ye have heard that it should come; and even now already is it in the world.”**

(2 Jn. 7), **“For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an ANTICHRIST.”**

(1Jn. 2:22) **“Who is a liar but he that denieth that Jesus is the Christ? He is ANTICHRIST that denieth the Father and the Son.”**

The answer is found in (1Jn. 2:22). The word "Anti" can mean "against Christ" or it can also mean "in place of Christ," meaning a substitute for Christ.

The word "Christ"-- derived from the Greek word, "*Christos*"-- means "Messiah" or "Anointed One." The Holy Spirit emphasizes the point that those who deny the Deity of Christ and His Messiah ship are ANTICHRIST . . . or against Christ. They are also of the "spirit of ANTICHRIST."

Most people today would not deny that Jesus existed. Most would not deny that He died upon the cross. **What they do deny is that Jesus is the Savior-- the Christ/Messiah.** They deny that He is God come in the flesh. They deny His virgin birth, His sinless life and they reject that His death upon the cross was sufficient payment for our sins. They reject His triumphant Resurrection! They scoff at the idea of His Second Coming. (2Pet. 3:3-4). **“Knowing this first, that there shall come in the last days scoffers [mockers], walking after their own lusts, And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation.”**
