OBAMA AS SHIVA DESTROYER GOD OF CERN

The Powers of Faith

OBAMA as SHIVA the DESTROYER!!!! Obama/Cover of Newsweek...Shiva/Cern Statue! Spot any similarities!

Here is an image of Obama the destroyer aping of **SHIVA the DESTROYER** in the "Dance of Death" Pose, no less!

We know he can read a teleprompter like a god...as long as it's not on the fritz...but to portray Obama as any sort of god is...well...blasphemy.

Who are the puppet-masters going to destroy? Are they writing the handwriting on the wall?

The Shiva statue to the right is the statue in front of the CERN large hadron collider in Geneva Switzerland. Many believe still that CERN in its search for the "god" particle will start a black hole that may consume the earth.

Paul Pilgrim writes: This image of Obama on Newsweek is not a coincidence, not a mistake, not funny. He is doing the "dance of death" of the Hindu god Shiva "the destroyer".

The Shiva statue to the right is the statue in front of the CERN large hadron collider in Geneva Switzerland. Many believe still that CERN in its search for the "god" particle will start a black hole that may consume the earth. You may remember the protests that took place before they switched the thing on.¹ Is it any wonder that the destroyer god of the Hindus - Shiva was put there? And doing the death dance no less? Is it any wonder that the destroyer death dance is now done by Obama? Yes, folks he is showing everybody that he is the "god" that is set to destroy America. If you remember that blue vortex that appeared in the sky when Obama got his peace prize, was it connected to CERN also?

You can see the video of the vortex here:

INVENTING INCARNATION, AVATAR, GOD MAN

They are reinventing the world through reality that is constantly being shaped by magic words and ritual black enchantments. Nothing is real like it seems, even the President and our political leaders are mere actors on a stage—nothing more than virtual reality cyber-mannequins. "The Secret;" Orwellian double-speak in everyday language; the Illuminati's goal of "shifting" or "reinventing" the world; using Illuminist, magical code-words and worship of the god of the forces.¹³

A strong delusion is spreading beyond America and throughout the world. The world that rejects Jesus Christ is waiting for its "incarnation" (avatar or "god-man"), to step on the world's platform to take the reins to bring in the so-called New Age. Satan, the god of all delusions, is hungry for souls. He wants you!

Shiva's Cosmic Dance at CERN

On June 18, 2004, an unusual new landmark was unveiled at CERN, the European Center for Research in Particle Physics in Geneva — a 2m tall statue of the Indian deity Shiva Nataraja, the Lord of Dance. The statue, symbolizing Shiva's cosmic dance of creation and destruction, was given to CERN by the Indian government to celebrate the research center's long association with India.

In choosing the image of Shiva Nataraja, the Indian government acknowledged the profound significance of the metaphor of Shiva's dance for the cosmic dance of subatomic particles, which is observed and analyzed by CERN's physicists. The parallel between Shiva's dance and the dance of subatomic particles was first discussed by Fritjof Capra in an article titled "The Dance of Shiva: The Hindu View of Matter in the Light of Modern Physics,"

¹ Nov 18, 2010 at 11:41 PM, Pilgrim <pilgrim4life@embarqmail.com>

published in Main Currents in Modern Thought in 1972. Shiva's cosmic dance then became a central metaphor in Capra's international bestseller The Tao of Physics, first published in 1975 and still in print in over 40 editions around the world.

A special plaque next to the Shiva statue at CERN explains the significance of the metaphor of Shiva's cosmic dance with several quotations from The Tao of Physics. Here is the text of the plaque:

WHY IS OBAMA NOW BEING DEPICTED AS A PUPPET SHIVA'S COSMIC DANCE AT CERN?

He is doing the "dance of death" of the Hindu god Shiva "the destroyer".

Messiah Archetype Transformational Figure.

There is a SHOCKING Islamic Shiite Prophecy about Barack Hussein Obama. According to a Hadith written in the 17th Century by Mullah Majlisi, Muhammad's cousin named Imam Ali Ibn Abi-Talib prophesied that at the End of Times and just before the return of the Mahdi, the Ultimate Saviour of Muslims, a "tall black man will assume the reins of government in the West". Commanding "the strongest army on earth," the new ruler in the West will carry "a clear sign" from the third imam, whose name was Hussein Ibn Ali. The Hadith concludes: "Shiites should have no doubt that he is with us". In a curious coincidence, Obama's first and second names Barack Hussein mean "the blessing of Hussein" in Arabic and Persian. His family name, Obama, written in the Persian alphabet, reads O Ba Ma, which means "he is with us," the magic formula in Majlisi's tradition. Barack Hussein Obama definitely fits this profile. Obama is a tall, black, western leader and is commanding the strongest army on earth.

The Bible shows that the mind can be manipulated by supernatural forces. **"But their minds were blinded: for until this day remaineth the same veil taken away in the reading of the old testament; which veil is done away in Christ,"** (2 Cor. 6:14). These devils use deception to transference spirits through the mind. **"Satan disguises himself as an "angel of light,"** (2 Cor. 11:14), appearing to men as a messenger of that which is good and wholesome to indicate that truly he comes from God.

- Is he a Muslim? Many Americans are still spiritually stoned out of their minds believe that Obama is not what he claims. He is a Muslim... [YouTube - Obama Admits He Is A Muslim ...](http://www.youtube.com/watch?v=tCAffMSWSzY)

Obama is most definitely a man who does not honor the god of his father which is not the Jewish God nor the Christian God. True Muslims will only worship Allah, the Muslim god and declare everyone else infidels Therefore, Obama who gives only lip service to his father's faith, can only be perceived as an infidel by any true Muslim because he receives all religions as equal to the Muslim faith.

Daniel 11:21-45

He will impiously dishonor the God of Israel, the only living and true God, called here the God of gods. He will, in defiance of him and his authority, do according to his will against his people and his holy religion; he shall exalt himself above him, as Sennacherib did, and shall speak marvelous things against him and against his laws and institutions. He will forbid sacrifices to be offered in God's temple, and order the Sabbaths to be profaned, the sanctuary and the holy

people to be polluted, and to the end that they might forget the law and change all the ordinances and this upon pain of death. 7

The New Age Christ will not regard the god of his father's; he made laws to abolish the religion of his country, and to bring in the idols of the Greeks. And though his predecessors had honored the God of Israel and given great gifts to the temple at Jerusalem, he offered the greatest indignities to God and his temple. His not regarding the desire of women may denote his barbarous cruelty (he shall spare no age or sex, no, not the tender ones) or his unnatural lusts, or, in general, his contempt of everything which men of honor have a concern for, or it might be accomplished in something we meet not with in history.

He shall set up an unknown god, a new god, v. 38. In his estate, in the room of the god of his father's (Apollo and Diana, deities of pleasure), he shall honor the god of forces, a supposed deity of power, a god whom his father's knew not, nor worshipped; because he will be thought in wisdom and strength to excel his fathers, he shall honor

this god with gold, and silver, and precious stones, thinking nothing too good for the god he has taken a fancy to. This seems to be Jupiter Olympius, known among the Phoenicians by the name of Baal-Semen, the lord of heaven. 8

John 3:16-19 “For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. 17 For God sent not his Son into the world to condemn the world; but that the world through him might be saved. 18 He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God. 19 And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.” KJV

First the Occult Mind Controllers create a champion, depicting a god-like person such as Obama. Through mass media they develop this person as a god to be worshiped by the masses. At the top of his/her power, they suddenly assassinate the god they have created which brings about a mass emotional trauma. This trauma will open the mass consciousness to open for a spirit of fear to enter and then the mind is unlocked to be manipulated by the Psi-war handlers. The people lose their mind so to speak. The manipulators take the worship for the dead god and use it to instill their new world order programs; the people become controlled walking zombies.

DEAD MEN WALKING

Working through Frankenstein Science, zombies are created and still enjoy the public adoration as they did when alive. For instance, Former VP Dick Cheney has gone bionic. During a recent heart surgery, doctors implanted a ventricular assist device to augment Cheney's failing ticker. While these heartless rulers lay plans to kill its elderly through death panels, they give us this dead man walking to continue to lead us as if he was still alive. **Dick Cheney, they say, HAS NO PULSE, AND HIS BLOOD IS CIRCULATED THROUGH HIS BODY BY A PUMP ATTACHED ON THE OUTSIDE OF HIS BODY.** Doctors and ambulances travel with him as he gives speeches attempting to resurrect former President George Bush's lost popularity as Obama spins in the wind awaiting his destined fate at the hands of his puppet masters.

The particular model Cheney has is about the size of a D battery, is powered by batteries that are about 4-by-6 inches and connected by a wire that goes through the skin. Though it's not a cure and doesn't replace the heart (the pump usually acts as a temporary solution while waiting for a donor heart), it does have a unique side effect on the patient it's implanted in. According to NYT, because it pushes blood continuously, most patients with this kind of implant don't have a pulse.²

THIER PUPPET ZOMBIE LIVES AT GREAT EXPENSE,

WE DIE As George Orwell said, “we are all equal, but some are more equal than others.” In case of medical emergencies, Mr. Cheney will have to wear a special bracelet highlighting why he doesn't have a pulse like the rest of us.³

Republican vice Presidential candidate Sarah Palin warned recently that, if Obama's so-called "health-care reform" is

passed, Death Panels made up of bureaucrats will decide who will live or die.⁴

How will these Occult Cabbalistic hidden rulers accomplish their goals?

Barack Obama was, from the start, a creation and puppet of the world's **Occult Cabbalistic** shadow government leaders. His global government rulers invented him for the purpose to radically reshape American culture into the more desirable "Socialistic Utopia." His Illuminati handlers are behind an ages-old Plan to overthrow America using the Rothschild's banking cartel, have the goal of plundering America. They intend to use this nation's military to police and maintain the New World Order and are now in the process of stealing America's wealth and redistributing it to the world banks. Traitors within our own government are assisting this sabotage and subversion project. Prophetically, the Illuminati is organizing a satanic world reinvention; behind Obama are the diabolical overlords bent on world dominion. Is Obama a closet Communist, working covertly to level America and submerge our once great country into a global system? Is the greatness of America at an end?

These cabalist magicians must use a mass trauma and fear base occasion to split or splinter and shatter the collective minds, such as the World Trade Center catastrophe. Remember, it was this disastrous event that changed America and the world, pushing the masses into agreement that for the exchange of our safety, we will give up our liberties. Every knowledgeable person is waiting and expecting another false flag event to occur that will shock the masses and thrust the traumatized masses into the New One World government. Have these psychopathic men devised a perfect plan concerning their god-man puppet, Obama which will spiral him into an eternal **SHIVA destroyer god** death dance by doing the unthinkable to cause a massive worldwide trauma? Wizards all testify that when they traumatize their victims, they receive a paranormal energy that gives them more power.

Traumas to split the mind are not just high voltage, or natural phobias, but encompass the full range of the emotional and spiritual being of the victim. The victim is eventually stripped of every spiritual or emotional resource by a variety of traumas, such as "blood orgies" where male and female genitals are cut, torture sessions on all types of medieval torture machines, staged events where actors imitating God, Jesus Christ, police, and therapists curse the victim, reject the victim, and even "kill" the victim in simulated drug deaths. Children are placed in hospitals in captive abusive conditions. Children are tied to innocent children who are systematically and brutally killed while the children are made to believe that they are guilty for the child's punishment. Near death experiences such as drowning have become an art with these abusers. Trauma works.

Occult Cabbalistic Rituals of the Illuminati—Mass Mind Control, Magic and the End of America

It is recorded within us for we are like computers; thoughts fed into our subconscious minds affect us, for good or for evil. For our own good, we need to heed this warning in the scriptures and rid ourselves of subconscious contamination. If one seeks after another god, then one would be cursed, the children are cursed, grandchildren are cursed, and great grandchildren are cursed. They do it through mass media.

Illuminati magic has enveloped the world. **Texe Marrs explains how, all around us, reality is constantly being shaped by magic and ritual. Nothing is real like it seems, even the President and our political leaders are mere actors on a stage—nothing more than Virtual Reality Cyber-Mannequins.**⁵

- **Marrs also examines: The New Age craze, promoted by Oprah Winfrey, known simply as "The Secret;" Orwellian double-speak in everyday language; the Illuminati's goal of "shifting" or "reinventing" the world; and the Illuminist, magical code-words employed in the JFK assassination—words like "Ruby," "Ozwald," "Specter,"**

⁴ <http://remnantradio.org/Archives/audio/TM2009/TM2009.htm>

⁵ <http://www.texemarrs.com/>

"Jackie O" (witch), and JFK's missing brains ("scarecrow"). Was the JFK affair a ritual mind control staged drama played out according to a pre-prepared script? And did the odd and curious lyrics of Don McLean's subsequent hit, "Bye, Bye, Miss American Pie," purposely divulge some of the arcane secrets of the programmers?

The Bible shows that the mind can be manipulated by supernatural forces. "But their minds were blinded: for until this day remaineth the same veil taken away in the reading of the old testament; **which veil is done away in Christ,**" (2 Cor. 6:14). These global devils use deception to transference spirits through the mind. "**Satan disguises himself as an "angel of light,"**" (2 Cor. 11:14), appearing to men as a messenger of that which is good and wholesome to indicate that truly he comes from God. The Bible reveals these cabalistic men are successful and the entire world will follow their chosen puppet, "with one mind." Rev 17:13, "**These have one mind, and shall give their power and strength unto the beast.**"

The stage is being set to bring the Antichrist to power. Will this new Jesus deceive the whole world? Is the Great Apostasy as prophesied in (2 Thess. 2), the end-time stage in which the full powers and miraculous works of Satan's Antichrist come to fullness? Rev 13:4, "**And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, who is like unto the beast? Who is able to make war with him?"**

It is very evident that the natural "psyche" man does not understand the things of God. Man also will not understand the things of Satan. If the spiritual person is a believer and understands the things of God, that person should also understand the things of the spirit of the devil. While many have received instruction concerning the Holy Spirit, only a few have been taught about the wiles of the unholy spirit, The Bibles is a supernatural book inspired by God and shows the reality of the transference of spirits. The apostle Paul shows us in (1Cor. 2:11), "**For what man knoweth the things of a man, save the spirit of man which is in him? even so the things of God knoweth no man, but the Spirit of God. Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God. Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual. But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned."**

What does it all mean? Soon we'll know. There is more than we know behind Obama's **SHIVA** destroyer god death dance

ARE YOU READY?

No nation which denies the true God has, or ever will, successfully endure. So therefore if America falls, we can anticipate far reaching global repercussions, not only economically and politically, but more so spiritually. In a world of spiritual darkness, man will attempt to guide himself by the satanic constellations of secular humanism, New Age religions, atheism, eastern mysticism, occultism AND WORSHIP OF HUMAN GODS.. Meanwhile, the

globalist psi war masters through magical collective manipulation or having power over the masses by magical system of reality manipulation.

America stands as the last bastion of true Biblical Christianity. It is becoming a weakening spiritual lighthouse in a global storm of confusion. There is an answer, however, for the world, both individually and collectively, which is a spiritual rebirth through the person and work of the Lord Jesus Christ.

Millions are being drawn into these fantasy worlds and the real world turns into very dull place. They can become great arm- chair champions, entrapped in the imaginations of their minds. They are actually spiritually enslaved and mind controlled idiots. They eat, sleep and play. They become ensnared to a world that does not exist and their future and ambitions to survive and compete in the real world come to an end. In the real world, they are failures. These deceptive games, steal their time, lives and futures and yes, their eternal souls. We have become a nation of mind-controlled zombies. These willing mind controlled captives are connected into technocratic manipulations and the only way out through the deliverance power of Jesus and He can save and set captives free.

Sleep on Church, Jesus is coming soon.
