MIRACLE DELIVERANCE MINISTRY

BOB JONES CHIEF WIZARD AND TODD BENTLEY~SORCERERS' APPRENTENCE

1Ti 2:5 for [there is] one God, and **ONE MEDIATOR** between God and men, the man **CHRIST Jesus**. You can only come through the Door of the Great Shepherd through repentance and receiving His blood sacrifice.

Pat Holliday Says, Actually this is the secret key that is opening the portals to the Third Heavens for Christians to enter into the forbidden areas of the occult witchcraft practices.

The wizard or the witch has to get a person's agreement of their spiritual gateway, the will. The word faith used here should be expressed, will power. Satan cannot steal a soul without an agreement of the person's will."

WELCOME TO OUR CHURCH LEADERS OF TODAY!

Given the gravity of the heresies and unbiblical experiences that Bob Jones, Todd Bentley, Patricia King, Rick Joyner. Wendy Alec GOD TV AND OTHERS encourage, it is evident that Bentley's experience-oriented "revivals" are not based on the gospel of Jesus Christ or repentance and faith of the Bible. Bentley's definition of faith has nothing to do with having Biblically defined faith in Christ. His high-flying claims are of the sort that Paul warned against in Colossians and 2 Corinthians. May the Lord open Christians' eyes to the perils which they are exposed when they listen to such men and women who are practicing the psychic paranormal variety of religion.

**CONTACTING THE
DEMONIC REALMS**

“And no marvel; for Satan himself is transformed into an angel of light. 15 Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.” -- 2 Corinthians 11:14-15 KJV

The primary danger of the occult is that it is a path away from God brings one into contact with the demonic realm. Demonic forces seek to deceive and destroy individuals. Cult experts and psychologists have documented the connection between occult involvement and psychological and emotional disorders. Participants spend numerous hours studying, practicing, and playing games that involve conjuring demons, sacrificing creatures in cruel rituals, controlling sinister forces, and casting spells to disable and kill their enemies. This can affect a person's spiritual, mental, and emotional state.

Bob Jones claims that when he makes his daily trip to heaven he feels wind and is greeted by angels. The visits to

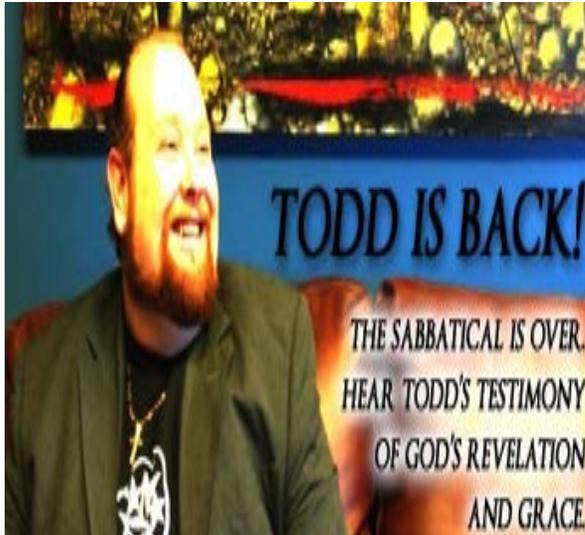

heaven that Bentley and Jones practice and under the influence is the working of the pagan

strain of mystical deceptions. Jones claims that the reason he can go to the third heaven daily is that he has faith for such an experience. Actually, his spiritual blindness has led

him into this direction of spiritual delusions because the Bible does not teach that if we have enough faith a Christian can do this sort of soul travel that is akin to pagan astral projection because this is a common practice by wizard's and witches worldwide.

“And many false prophets shall rise, and shall deceive many. 12 And because iniquity shall abound, the love of many shall wax cold.” --

Matthew 24:11-12 KJV

(Transference of a Demon)

“In a bizarre YouTube.com video of “prophet” Patricia King’s TV program, fellow “prophet” Bob Jones and revivalist Todd Bentley discuss the practice of visiting “the third heaven”. Jones also professes to have taught Bentley and King the practice. [i]

In the clip from her aptly-titled show, “Extreme Prophetic” (which has been viewed more than 50,000 times), she introduces Jones as a seer: “Many people don’t understand seer prophets because they see visions and revelations and

supernatural encounters and mystical experiences, and Bob Jones in our day, I think, is one of the champions of the seer realm. In fact, as a prophet he’s probably the most accurate prophet in our generation, but he is going to share some insights with us.” King evidently has low standards for accuracy. In 1997 Jones prophesied that an earthquake would destroy Los Angeles and that terrorists with nuclear bombs would also attack the city.[ii] He told Christians to flee, which means he considered the events to be imminent. Also, Bob believes that prophets are only about 66% accurate.

Bob DeWaay continues, “The topic of the day for this particular interview, however, was not predictive prophecy but travel to the third heaven. Bentley had previously called King and described traveling into heaven. Here is the account of how he learned this:

**THE GREAT EMMA-O
PROPHET BOB JONES**

Bentley replies, “Yeah, well the first time that I had met Bob was actually in Grants Pass, Oregon and we were sitting in a restaurant and I was real hungry and I knew Bob was a real seer prophet and I thought Lord I am going to get an impartation. I’ve been having all these encounters and all these visions and experiences already soaking, but I thought Lord I need to talk to someone who has been walking in this that’s really a senior prophet. So when I met Bob I thought Lord, I am going to get an impartation. (Transference of demons).

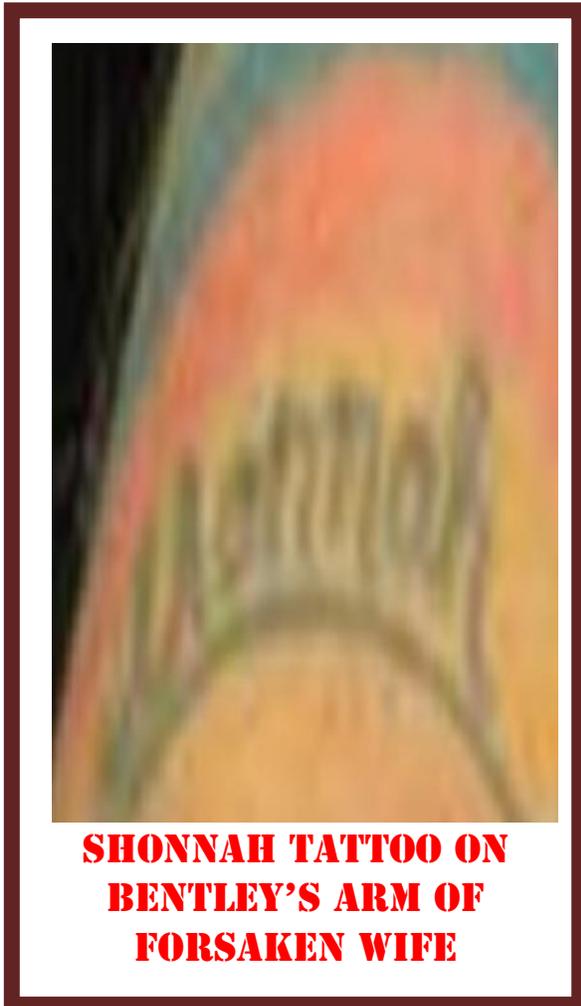

Todd continues, “I remember talking to Bob in a restaurant about going into the heavens and what it was, and we were talking

about the third heaven and going into the immediate abode into that place; the dwelling place of God. I thought—that’s awesome, I’m hungry for it too. I wanted more because up into that point, sovereignty God was just visiting me. And Bob said to me, He said, we can go right now. And I said what do you mean we can go right now? Like we can just make a decision, right now, and enter into that realm of the spirit? And he said sure we can, don’t you have faith boy? (or something like that)—that’s what he said to me (laughter). And I remember Bob took my hand and everyone else sitting at the table; I don’t know maybe 20-30 of the people were yakking at the table, it was quite noisy, a lot of the other leaders there; and Bob just takes my hand, like this, and he says “Alright, here we go, close your eyes. And I remember closing my eyes and Bob saying “Okay there it is, can you feel it, alright here we go, we are going in, whoa we’re going in”; and all of a sudden I felt myself going up. I felt my body being lifted up and it was moving really fast and then he was like “can you smell it? Ah hah, there it is, can you smell it?” That’s what he said to me Bob and he said “it’s the vanilla and right when Bob said “the vanilla” I said “I smell vanilla” and then we started smelling all these other fragrances of the anointing, and then he said “Let’s bring them back with us now”.

During the King interview, Jones claimed that he goes up to the third heaven at will and does so every day. He also claims that once one gets past the second heaven, the

“hooks” of Satan come out and the angels come to greet such soul travelers. He also claims that he teaches children how to have such experiences and that they are naturals at it.

DeWaay asked the key question is whether Christians can validly practice occult astral projection (even if they do not call it that)?

**RICK JOYNER AND TODD BENTLEY
REVIVAL OR PAGANISM?**

<http://www.youtube.com/watch?v=MMDM7HWapwPs>

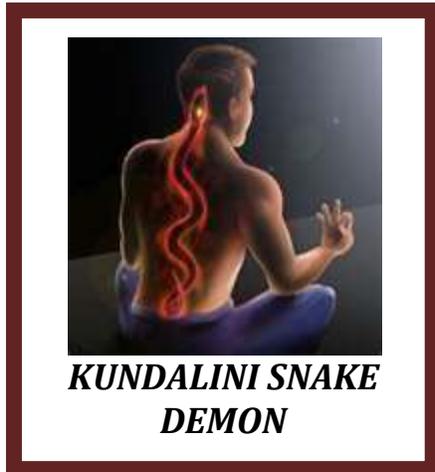

Joy's got “something” that she wants to release. “The spirit behind these new so-called “revival” meetings is bizarre pretending to be the real Holy Spirit as an odd ball. Is the god working in this ministry a “something”? Could God be sending strong delusions and the power of demons?

In 2009 after the Kundalini revival failed in Lakeland and Todd Bentley divorced his wife, Rick Joyner led the restoration team which included leaders who had vouched for Bentley's good character. Joyner said that ‘Even so, they are married

now and are resolved to make the most of their marriage, their lives, and to continue to serve the Lord in the best way that they can.’”

Rick Joyner and Bill Johnson who are both connected in the realm of deceiving spirits from the third heaven are working to bolster Todd Bentley's demonic behavior as acceptable to blinded Christians. Todd Bentley's delusions of “opening up the star gate portals to the third heaven” has absolutely nothing to do with God or Jesus' heavenly

realms and is based on practices by an occultist wizard called Bob Jones who introduced a female “angel” to Bentley. These paranormal beings are familiar spirits and demonic kundalini forces. Everything Bentley engages in is UTTERLY SATANIC... (See AN-ANGEL-CALLED-EMMA

Todd Bentley, Rick Joyner and other Third Wave leaders are dangerous as they don't introduce people to Jesus who is the centrality of the gospel and all thing but to a Kundalini demon - The jerking in Toronto, Brownsville or any other revival place is not a sign of the Holy Spirit but of a Kundalini demon which infiltrated Christianity mainly in North America through Rodney Howard Browne!

The fact is the bible never talks about “jerking” being an attribute of the Holy Spirit but rather it states but the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, self-control THE KEY WORD HERE IS SELF-CONTROL AND WHEN YOU ARE POSSESSED BY A DEMONIC KUNDALINI SPIRIT THERE IS NO CONTROL AND THAT IS TOTALLY WRONG AND AGAINST SCRIPTURE.

Pat Holiday writes Our Ministry has seen many Christians who are bound by demonic powers. If they are seeking religious experiences to feel good, they can be open to receive evil spirits. If they live double lives, unholy, without true commitments to the Lord, they will be demonized. If they find themselves under a religious cult, they will need deliverance. If they are following a person, instead of being led by Jesus Christ and His Word, they will receive spirits of religious

confusion, Antichrist, rebellion, idolatry, and many others.

The Bible tells us, “*Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; 2 Speaking lies in hypocrisy; having their conscience seared with a hot iron,*” (1 Tim 4:1-2).

The opening up of these paranormal “portals” that Bentley is activated by his own soul power/soul energy called kundalini of Hinduism. This is not new it is practiced by those in the occult/new age. <http://newchristian.org.uk/kundalini.html> See a list of some the symptoms. Serpent Power of the Awakening Kundalini:

IN DEFENSE OF ADULTERY, CHEATING, ALCOHOLISM, LYING, DECEPTIONS, STRONG DELUSIONS, ETC., GODTV WENDY ALEC WRITES A NUTTY DEFENSE CONCERNING

“COURAGEOUS MARTYR TODD BENTLEY LAYING DOWN HIS LIFE”

WOW! UNBELIEVABLE!

Wendy Alec writes: **“The first thing we feel led to do is to state unequivocally that in the same manner as the Lord instructed us to broadcast and serve TheCall gatherings with Lou Engle; to broadcast what was happening at the International House of Prayer with Mike Bickle; Rick Joyner and MorningStar; the Solemn assembly in San Francisco; BattleCry and Teen Mania with Ron Luce; Focus on the Family’s prayer event for America; the Day of Prayer for the Peace of Jerusalem; and hundreds of other anointed events over the past three years, we believe that the Lord instructed us to broadcast the Outpouring services at Lakeland with Todd Bentley.**

It was not a mistake.

We believe it was a clear instruction from the Lord.

{Uh huh. So God TV, by its own testimony is ‘led’ by God to broadcast false prophets and heretics – not just the odious Todd Bentley but also Rick Joyner, Lou Engle and Mike Bickle. What kind of God is that? Not the one in the Bible, but one who loves liars, frauds and charlatans and those who peddle antichrist teachings. I only know one such ‘god’, the god of this world, the father of lies. Todd Bentley’s daddy and Bob Jones’ pappa.¹”

TODD BENTLEY, COURAGEOUS MARTYR? OH, COME NOW WENDY, I’M FIGHTING THAT LAUGHING DEVIL.....

“Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!”-- Isaiah 5:20 KJV

WENDY ALEC GODTV DEFENDS her promotion of Todd Bentley’s willful negligence of Christian’s values associated with biblical standards of good behavior. Bentley unchallenged; felt his was above judgment.

Ms. Alec says Bentley is as a “COURAGEOUS MARTYR TODD BENTLEY LAYING DOWN HIS LIFE!”

Please Wendy! A martyr is a willing victim; a sufferer for THE CAUSE OF DEFENDING THE NAME OF JESUS CHRIST; sacrificial victim!

Todd Bentley is not a sacrificial victim; he is a religious-lying scoundrel. He was uncovered in adultery, lying, alcoholism while pretending to be under the power of the Holy Ghost! Another Words, Wendy, he was caught in the act of lying to the Holy Ghost.

This is a grievous spiritual sin and he may have committed the unforgivable sin which is simply attributing the power of the Holy Ghost to Beelzebub. Well, Wendy, how about featuring power of Satan to the power of the Holy Ghost while he drunkenly staggering, falling down and wallowing in his stupor on the ground; laughing like an idiot saying he was drunk on the Holy Ghost?

Jesus said, *“Wherefore I say unto you, all manner of sin and blasphemy shall be forgiven unto men: but the blasphemy against the Holy Ghost shall not be forgiven unto men. 32 And whosoever speaketh a word against the Son of man, it shall be forgiven him: but whosoever speaketh against the Holy Ghost, it shall not be forgiven him, neither in this world, neither in the world to come.”* -- Matt 12:31-32 KJV

Acts 5:1 Ananias, together with his wife Sapphira lied to the Holy Ghost and dropped dead for lying to the Holy Ghost.

Simon the Sorcerer repented that wickedness would not come upon him for his wicked thoughts!

Acts 8:14-24

Peter and John: ministered in the name of Jesus and not the name of Emma-O; guarded the sanctity of His truth and purity by forbidding Him to be smeared by a common sorcerer for money as Todd Bentley did. They rebuked Simon warning him of the danger of his soul. Simon repented and was not made into a champion of sin as you did Bentley!

The same with Acts 13:8—God’s judgment came upon Elymas the sorcerer in vs. 11 *“And now, behold, the hand of the Lord is upon thee, and thou shalt be blind, not seeing the sun*

for a season. And immediately there fell on him a mist and darkness; and he went about seeking some to lead him by the hand.” KJV

Madam Wendy; Todd Bentley is not a martyr, how about a blasphemer? He lied to you, the church leadership, God’s people, his wife and children and because of your lack of discernment giving him a platform to weave his deceptions, the entire world!

Bentley needs to repent if he can, however my dear, you need to repent also. Have you not wondered how many souls has been lead into the powers of hell because of your spiritual blindness?

THE THIRD HEAVEN REVIVAL

WARNING --- DON’T GO!

“For if he who comes preaches another Jesus whom we have not preached, or if you receive a different spirit which you have not received, or a different gospel which you have not accepted-you may well put up with it!” --2 Corinthians 11:4

Fifth columns of demonic hoards have invaded into the church of Jesus Christ through the Third Wave and Word of Faith Movements and give rise to seducing spirits and doctrines of devils; false prophets, seducers, liars and thieves masquerading as men/women of God. The Third Wave believe they have political and spiritual dominion over the church and the world. The Word of Faith have an occultist twisted view of the Word of God and accept as true the New Age doctrines that they are “little Gods,” and teach a prosperity doctrine that creates merchandise out of God’s people.

“And through covetousness shall they with feigned words make merchandise of you: whose judgment now of a long time lingereth not, and their damnation slumbereth not.”-- 2 Peter 2:3 KJV

The Third Wave is a revival of the theology of the Latter Rain tent revivals of the 1950s and 1960s led by a false prophet, William Branham and made popular through ministers such as **Paul Cain**, a prophetic legend and a living bridge to William Branham and the Latter Rain of the 50's, has now been revealed to be an alcoholic and a homosexual. **Bob Jones** former Kansas City prophet who was scandalized for using his 'prophetic office' ... **Third Wave's chief guru**

spiritual experiences are extraordinary as a ruse to get **women to disrobe**) spoke of a female angel called Emma; has a huge impact on false minister, Todd Bentley.

Bob Jones' Third Wave's chief wizard who introduced trance trips and taught how to "visualize" your way into the '**Third Heaven**' through star gate **portals** to **Third Heavens**; "Be carried away into a prophetic journey into the Eye of God with Bob Jones, Jeff Jansen & Ryan Wyatt as they flow in the spirit of revelation. This [soaking music](#) is filled with impartation from the Throne. The spirit of revelation, the fire of healing and oil of the Spirit are released in this project! A "wonder "full CD to use for soaking and impartation. IMPARTATION SIMPLY MEANS TRANSFERENCE OF DEMONS. Christians are being powerfully deceived!

Third Wave doctrines are based on the idea that in the end times there will be an outpouring of supernatural powers on a group of Christians that will take authority over the existing church and the world bringing them into perfection and then Jesus will return. Of course, this false doctrine elevates them over all who are not part of their heresy; therefore, they are called to conquer them. They teach that the believing Christians of the world will be reorganized under the Fivefold Ministry and the church restructured under the authority of Prophets and Apostles and others anointed by God; the young generation will form "Joel's Army" to rise up and battle evil and retake the earth for God. These strange doctrines are not found in the Bible.
