Jamal Parris Says "We Would Have to Be the Craziest Kids in the World" to Accuse Eddie Long...

CHILD SEXUAL ABUSER, EDDIE LONG ~PRESS MARTYR? GIVE ME A BREAK!

Bishop Eddie Long said he [didn't want to try his case in the court of public opinion](#) but that was taken out of his hands as soon as the scandalous sexual allegations against him were announced in a [press conference](#). But Jamal Parris, his third accuser, ramped up the

sex scandal game somewhat when he stopped to talk to Atlanta reporters outside a Colorado grocery store. Jamal Parris told Fox 5 Atlanta that Bishop Eddie Long "manipulated" him and others from childhood and he was no man, but a "monster."¹

Jamal Parris, 23, was described as reluctant to speak at first but soon opened up to the Atlanta reporter. His words reflect a quiet hostility toward the man he claims in his [lawsuit](#) told him to call him "daddy" and used biblical scripture to justify their sexual relationship.

Eddie Long *Effeminate, Child Abuser Bishop*

1 Cor. 6:9-11

"Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, 10 Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God.

11 And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus. and by the Spirit of our God." KIV

Parris said he loved Eddie Long. "I'm always going to have love for the things that he taught me," he said. "But how he left us hurt worse than anything I ever felt in my life."

Jamal Parris and his mother joined Eddie Long's mega church, the New Birth Missionary Baptist Church in Lithonia, Georgia, in 2001 when Parris was only 14. A product of a single-parent household, Eddie Long soon became a father figure and a mentor. Parris alleges in his [lawsuit](#) that Long gave him a cell phone just weeks after he became a member of the church. But the relationship developed into one where Eddie Long gave him gifts, cash, cars, and took him on long trips in exchange for sex.

"You finally have a father that you've always wanted for and always dreamed of," Jamal Parris said of Long. "He would just walk away from you if you don't give him what he wants. So you end up turning into something you never thought

you would be which a slave to a man that you love is now."

Bishop Eddie Long's Ex-Wife Claimed 'Vicious' Abuse During Divorce

Another of the Pastor's Accusers in Alleged Sex Abuse Scandal Speaks, Says 'I Pray' for Eddie Long ... (PAT HOLLIDAY SAYS... SHOULD BE DRIVEN OUT OF THE CHURCH AS A PASTOR!)

In 1985 **divorce** documents, Dabara **Long**, now Dabara Houston, claimed she was scared of **Long** and left the home with her son "in order to ensure their safety."

Jesus said in Mark 10:19. **"Thou knowest the commandments, Do not commit adultery, Do not kill, Do not steal, Do not bear false witness, Defraud not, Honour thy father and mother."** KJV

This arrogant, perverted sin-drenched man's betrayal of his wife was ignored by Eddie Long's spiritually blinded congregation;

The ex-wife of the Atlanta mega-church pastor **accused of sex abuse** by four young men once claimed the exalted church leader had a "vicious and violent temper" and beat her while she was pregnant with his son.²

1 Cor. 6:18... **"Flee fornication. Every sin that a man doeth is without the body; but he that committeth fornication sinneth against his own body."** KJV

In court documents filed during the couple's 1985 divorce, Dabara Houston, then Dabara Long, said she was terrified of **Bishop Eddie Long** and that she fled their home with their son "in order to ensure their safety."

Among the allegations were that Long, then an assistant minister, beat his wife using his fists with she was 7 1/2 months pregnant and that she was subjected to "cruel treatment"

Long's attorney, Craig Gillen, did not immediately respond to requests for comment.

Houston could not be reached, but her brother said in an interview with ABCNews.com that he wasn't privy to his sister's abuse allegations and that she "stays pretty much to herself" these days.

"That's been a long time ago," Lonnie Houston said, adding that he last saw Long about 20 years ago. "He was a fine fellow."³

CHILDREN MOLESTED BY SEXUAL PERVERTS

What happens to young men who are molested by homosexual perverts hiding in the Christian Church?

These young children fall away from Jesus. They are wounded for life and filled with perverts lead them away from everything that is considered good, normal, moral, or proper Biblical activity.

Child sexual abuse is a form of **child abuse** in which an adult or older adolescent uses a child for sexual stimulation.^{[1][2]} Forms of child sexual abuse include asking or pressuring a child to engage in sexual activities (regardless of the outcome), **indecent exposure** of the genitals to a child, displaying **pornography** to a child, actual **sexual contact** against a child, physical contact with the child's genitals (except in certain non-sexual contexts such as a medical exam),

viewing of the child's genitalia without physical contact (except in nonsexual contexts such as a medical exams), or using a child to produce [child pornography](#).^{[1][3][4]}⁴

The effects of child sexual abuse include [depression](#),^[5] [post-traumatic stress disorder](#),^[6] [anxiety](#),^[7] propensity to further [victimization](#) in adulthood,^[8] and physical injury to the child, among other problems.^[9] Sexual abuse by a family member is a form of [incest](#), and can result in more serious and long-term [psychological trauma](#), especially in the case of parental [incest](#).^[10]

In [North America](#), for example, approximately 15% to 25% of women and 5% to 15% of men were sexually abused when they were children.^{[11][12][13]} Most sexual abuse offenders are acquainted with their victims; approximately 30% are relatives of the child, most often brothers, fathers, uncles or cousins; around 60% are other acquaintances such as 'friends' of the family, babysitters, or neighbors; strangers are the offenders in approximately 10% of child sexual abuse cases.^[11] Most child sexual abuse is committed by men; studies show that women commit 14% to 40% of offenses reported against boys and 6% of offenses reported against girls.^{[11][12][14]} Most offenders who sexually abuse prepubescent children are [pedophiles](#),^{[15][16]} although some offenders do not meet the clinical diagnosis standards for pedophilia.^[17]

Under the law, "child sexual abuse" is an [umbrella term](#) describing criminal and civil offenses in which an adult engages in sexual activity with a [minor](#) or exploits a minor for the purpose of sexual gratification.^{[4][18]} The [American Psychiatric Association](#) states that "children cannot consent to sexual activity with adults", and condemns any such action by an adult: "An adult who engages in sexual activity with a child is performing a criminal and immoral act which never can be considered normal or socially acceptable behavior."^[19]

REAL LIFE EXPERIENCE

I was at a conference in Washington D. C. in the eighties and a woman approached me and said, "Are you Pat Holliday?" "Yes," I replied. She told me that a group of women had been witnessing to a waiter that was a homosexual. He said the sinner's prayer and had asked Jesus to be his Savior. "He's agreed to coming to my room tomorrow for deliverance. Would you come and help me to deliver him?"

"Sure."

At exactly three o'clock, he knocked on her door. He sat down and (I'll call Sarah) started counseling him. I sat quietly on the couch. Suddenly, Jack got up and walked over to the table. He took a knife off the table and turned rushing at me with the knife fully intending to kill me.

"I bind you in Jesus' name and command that you cannot hurt us. He stopped in his tracks.

⁴ http://en.wikipedia.org/wiki/Child_sexual_abuse

The devils spoke to my mind, "You can command him not to kill you but he belongs to me and I'm going to make him slit his throat. Tomorrow the voice continued there will be worldwide lines, 'Two women kill man in Washington Hotel room.'"

"I forbid you to kill him in Jesus' name." Jack was standing with the knife at his throat. "He's mine," the voice said, "I'm going to make him kill himself."

"Father," I prayed. "Send Your warring angels to stop these demons from killing this young man in Jesus' name."

Suddenly an angel appeared and took the knife from the young man's hand and threw it across the room. Jack collapsed on the floor weeping with his hands covering his face.

"What's wrong with me lady, I don't want to kill you."

Sarah started ministering some scriptures to him.

He opened for deliverance and rolled back into head, convulsed and thrashed around but soon got free from filthy demons that had him bound and received the Baptism of the Holy Spirit.

He told his story of being a minister of music in many churches. Every time, he was able to lure the pastor's son into a sexual tryst. Finally, he decided to leave the church and move into a gay community. He started weeping concerning the young men that he had perverted.

A footnote, I heard from Sarah. Jack had come to work for her television station, had married and was doing very well.

SCURLILLIOUS PREACHER'S EVIL EDDIE LONG CHEERED FOR HIS LOATHSOME EVIL

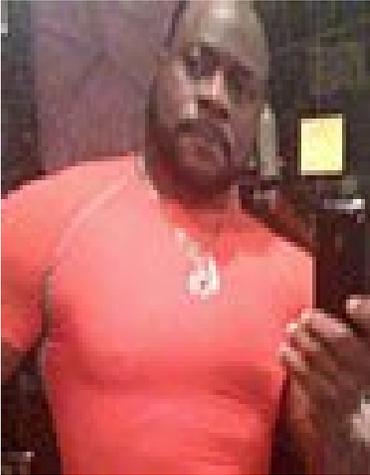

By the New Birth Missionary Baptist Church in Lithonia, Georgia.

It is sickening when a disgraceful, despicable, degenerate so-called pastor falls into these kind of reprehensible perversions of highly unacceptable molestations against children. Their ungodly actions must be rejected and scorned, People must follow the Word of God and Jesus or they qualify as being guilty of his sin... Christians should leave a church like this. After the molested children came forth uncovering years of being mind controlled and sexual abuse by this homosexual pervert who used his power and money to destroy young boy's souls, his spiritually blinded congregation stood to their feet and cheered and applauded his unashamed depraved behavior. The unchristian women and men who applauded this unashamed abnormal sinful lust of this deviant's molestation of these children is an outrageous abuse of pastoral power. Black children who do not have fathers to stand and protect them, one would think Christian fathers would rise up and defend them from the homosexual reprobate mind, demon possessed man. I wonder if you would be standing and cheering if Eddie Long had assaulted your children? You all need to repent and seek Jesus with fear and trembling for walking in agreement with Satan and diverging sharply from His Word and Christian generally accepted holy standards and customary traditions.

Phil. 2:12 **“Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling.”** KJV

People choosing to support these unrepentant ministers may bust hell wide open.... Think about the destroyed faith and souls of these deluded, molested children and stand and protect them, not a hardened sexual predator displaying such divergent sinful behavior.

**EDDIE LONG-
PERVERTED CHRISTIAN**

1Thess. 5:21-22
“Prove all things; hold fast that which is good. 22 Abstain from all appearance of evil.” KJV

When a so-called pastor falls into these kind of reprehensible perversions of highly unacceptable molestations of children, their ungodly actions must be rejected and scorned. 2 Cor. 6:17 **“Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you,”** KJV God is against them, why are you for them?

"Bishop Eddie Long" - Investigation, Sex Scandal - No Mention of Adultery? What's Missing?

With all the talk about the **"Bishop Eddie Long"** investigation, law suit, sex scandal, and possibilities of being gay, there has been little or no mention of adultery and possibility of **divorce** from his wife this

may have caused. ...there has been little or no mention of adultery and possibility of divorce from his wife this may have caused.⁵

COUNSELOR TO FORMER PRESIDENT BILL CLINTON

HA, HA, HA, HA.... IS THIS A JOKE OR WHAT?

However, recently, in the Bishop Eddie Long investigation, the charismatic leader who once counseled **former President Bill Clinton** during the **"Monica Lewinsky scandal"**, **has been sued**. Three young male members of his congregation allege that the Eddie Long, the "homophobic" pastor, coerced them into having sex with him when they were teenagers. The *Bishop Eddie Long investigation* shows the pastor as an out-spoken opponent of gay and lesbian relationships, and his sermons and books support his position on homosexual relationships, and same-sex marriage.⁶

TOUCHING SATAN'S ANOINTED

⁶ <http://www.gather.com/viewArticle.action?articleId=281474978544298>

The Bishop Eddie Long investigation has not touched on Vanessa Long, the "First Lady" of New Birth. The media and headlines are missing a very important element of the investigation by not making mention of the organic side and resulting fall-out this could be causing to the pastor's marriage. Long and the "First Lady" share three sons and one daughter together.

Experts all agree that the visceral reactions the sex scandal has caused, has a negative impact on marital affairs. In the tradition of the Black mega-church, a scripture is shared: Psalm 105:15 says, "touch not mine anointed, and do my prophets no harm". Will members loyal to Bishop Eddie Long use this as a mantra or cover-up to the alleged behavior by the embattled pastor?⁷

Christian People must follow the Word of God and Jesus or they qualify as being guilty of his sin... True Christians should leave a church like this that would cheer a so-called pastor pervert whose sexual behavior is considered unacceptable abnormal lust of this physical attacking, offensive child assaulting buffoon. Women and men that applauded this deviant's molestation of these children, would you be standing and cheering if he had assaulted your children? You all need to repent and seek Jesus with fear and trembling diverging sharply from a customary, traditional, or generally accepted standard, or displaying such divergent behavior.⁸

The apostle Paul put the debauched characters out of the church; he did not cheer them and applaud them. Shame on you.

Phil 2:12 **"Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling."**
KJV

People that choose to stand with these unrepentant ministers may bust hell wide open.... Think about the destroyed faith and souls of these molested, fatherless children and stand with them, not a hardened, not a sexual immoral pastor who should be imprisoned for his criminal activity.
