BLIZZARD DUMPS SNOW ON COPENHAGEN AS LEADERS BATTLE GLOBAL WARMING

World leaders flying into Copenhagen today, leaving giant carbon footprints, to discuss a solution to global warming will first face freezing weather as a blizzard dumped 10 centimeters (4 inches) of snow on the Danish capital overnight.¹

POLAR BEARS DO SWIM MORE THAN 200 MILES!

*"And there was no more sea."
Revelation 21:1*

Scarcely could we rejoice at the thought of losing the glorious old ocean: the new heavens and the new earth are none the fairer to our imagination, if, indeed, literally there is to be no great and wide sea, with its gleaming waves and shelly shores. Is not the text to be read as a metaphor, tinged with the prejudice with which the Oriental mind universally regarded the sea in the olden times? A real physical world without a sea it is mournful to imagine, it would be an iron ring without the sapphire which made it precious. There must be a spiritual meaning here. In the new dispensation there will be no *division*--the sea separates nations and sunders peoples from each other. To John in Patmos the deep waters were like prison walls, shutting him out from his brethren and his work: there shall be no such barriers in the world to come. Leagues of rolling billows lie between us and many a kinsman whom to-night we prayerfully remember, but in the bright world to which we go there shall be unbroken fellowship for all the redeemed family. In this sense there shall be no more sea. The sea is the emblem of change; with its ebbs and flows, its glassy smoothness and its mountainous billows, its gentle murmurs and its tumultuous roarings, it is never long the same. Slave of the fickle winds and the changeful moon, its instability is proverbial. In this mortal state we have too much of this; earth is constant only in her inconstancy, but in the heavenly state all mournful change shall be unknown, and with it all fear of *storm* to wreck our hopes and drown our joys. The sea of glass glows with a glory unbroken by a wave. No tempest howls along the peaceful shores of paradise. Soon shall we reach that happy land where partings, and changes, and storms shall be ended! Jesus will waft us there. Are we in Him or not? This is the grand question. Spurgeon

WASHINGTON BEFORE A FINAL VOTE AT UN SUMMIT.²

SLEEPING AT COPENHAGEN ... OBAMA BORING... MAGIC GONE!

Delegates rest, after a 24-hour period of plenary sessions at the UN Climate Summit in Copenhagen, on Saturday December 19, 2009. UN Secretary-General Ban Ki-moon said "We have a deal" after a climate conference in Copenhagen decided to recognize a political accord brokered by President Barack Obama with China and other emerging powers. Take a look at all those who nodded off during this important moment.

MEANWHILE, THE REACTION TO OBAMA'S USA PROPOSALS -- SEE ABOVE -- THIS IS VERY EXCITING, EMOTIONAL RIVETING STUFF. IS IT REALLY TRUE ... AS

RUSS LIMBAUGH SAID FRIDAY, "OBAMA'S MAGIC IS GONE?"⁸

Job 37:22-24 – “Fair weather cometh out of the north: with God is terrible majesty. 23 Touching the Almighty, we cannot find him out: he is excellent in power, and in judgment, and in plenty of justice: he will not afflict. 24 Men do therefore fear him: he respecteth not any that are wise of heart.” KJV

PRINCE CHARLES SAYS – “WE HAVE ONLY SEVEN YEARS!”

Has the seven years tribulation period started? All these committed stooges of the N W O seem to be on a time program to activate their evil, greedy world program of taxing the entire world OFFERING THE MARK OF THE BEAST for the world covetous, criminal, robber baron bankers.

POOR BONNIE CHARLES, WILL HE EVER BECOME KING OR WILL DIVINE INTERVENTION LEAP OVER HIM IN FAVOR HIS SON, PRINCE WILLIAM? Seems that these N W O people are living long self-serving, voracious lives, turning wrinkled, saggy and, well, very old.

'Hypocrite' Prince Charles slammed for flying to Copenhagen in jet with large carbon footprint.

December 17, 2009

Not many people understand climate change. But they can recognize hypocrisy when they see it, and are also likely to count their spoons whenever wild-eyed politicians invoke the impending end of the world.

On Tuesday, Prince Charles flew to Copenhagen to attend the climate change summit, where he delivered a keynote speech.

³ Keep praying Saints, God is listening

He informed his audience that ‘the world has only seven years before we lose the levers of control’. Not at all long, then.

For the Prince this was an important speech with an important message.

If we have so little time and man-made climate change is such a terrifyingly imminent threat, he might have taken a boat or train to Copenhagen, or even, as a symbolic gesture, decided to walk.

He may be the green prince, but Britain's heir to the throne has been slammed for being a hypocrite after flying to the Copenhagen climate change summit to deliver a keynote speech on an executive jet with a large carbon footprint, UK media reports say.⁴

Prince Charles attended the conference in Denmark on the \$21,800 RAF Royal Flight that emitted about 6.4 tons of carbon dioxide, the *Daily Mail* reported. It was 5.2 tons more than that of a commercial flight, Carbon Footprint Limited told the *Mail*.

The Prince and Prime Minister Gordon Brown were also criticized for taking separate flights to Copenhagen.

"It is unbelievable that those who lecture us on climate change set such a poor example," Liberal Democrat MP Norman Baker told the *Mail*.

"Prince Charles, over the last four years, has been travelling the world on a private jet lecturing us about carbon emissions.

"As for Gordon Brown, I find it astonishing that he and his office could not find scheduled flights to suit them. If not, then maybe they should have followed the example of so many other delegates and gone by train."⁵

Job 37:24 [Men do therefore] Therefore men, °-naashiym, wretched, miserable, ignorant, sinful men, should fear him.

[He respecteth not any] No man is valuable in his sight on account of his wisdom; for what is his wisdom when compared with that of the Omniscient? Whatever good is in man, God alone is the author of it. Let him, therefore that glorieth, glory in the Lord.⁶

DC snowstorm chills Pelosi's global warming trip

Posted: December 18th, 2009 09:44 AM ET

From **CNN White House Correspondent Ed Henry**

GOD SENDS A BLIZZARD TO DISCREDIT MENTALLY SICK LOOKING WOMAN

A winter storm is expected to wallop the D.C. area Saturday.

SO THIS IS HOW THEY BRIBE THE VOTES FOR THEIR COMMUNIST AGENDA

- ✎ This may be the largest [congressional](#) delegation I have ever heard of," said a source at the 89th Air Wing stationed at Andrews Air Force Base of the trip to the UN summit, which is increasingly being criticized as a farce.
- ✎ Using her authority as speaker, Pelosi reserved at least two jets based at Andrews AFB to fly her and her delegation to Denmark for the final days of the two-week conference.

The 89th Air Wing's biggest planes are the military versions of the [Boeing](#) 757 and the Boeing 737.

The 757 carries 45 passengers and costs more than \$10,000 per hour to fly, according to Air Force figures.

The roundtrip cost to Copenhagen and back for the C-32A would cost taxpayers \$160,000.

The 737 carries 26 passengers and costs about \$7,500 per hour of flight time, bringing the costs of a Copenhagen jaunt to \$120,000.

The smaller Gulfstreams hold 12 passengers apiece, but only the Gulfstream V has the range to reach Copenhagen from Washington without refueling. It costs more than \$4,300 per hour to fly, bringing that taxpayer tab to more than \$68,000 for a weekend in Copenhagen.

These figures do not include the cost of keeping the planes and flight crews on the ground in Copenhagen.

Copenhagen (CNN) – In a strange twist, a Washington snowstorm is forcing Speaker Nancy Pelosi, D-California, to make an early departure from a global warming summit here in Denmark.

Pelosi told CNN that military officials leading her Congressional delegation have urged the 21 lawmakers to leave Copenhagen several hours earlier than scheduled on Saturday.

The Speaker said she has agreed to the new travel plan so that lawmakers can get back to Washington before much of the expected storm wallops the nation's capital.

Venezuelan President Hugo Chavez said he "still" smelled sulfur after President Obama made a keynote speech at the Copenhagen climate conference Friday, accusing the American president of carrying the same satanic scent that Chavez believes followed Obama's predecessor, George W. Bush.

THE BLACK 'SKULL AND BONES' - THE "BOULE"

In 1904, the first African -American Greek Secret Society was formed in Philadelphia, by Dr. Henry Minton and five of his colleagues. The Boule, (an acronym for Sigma Pi Phi) and pronounced "boo-lay"), was formed to bring together a select group of educated Black men and women.⁸

Fashioned after Yale's *Skull and Bones*, the Boule historically takes pride in having provided leadership and service to Black Americans

during the Great Depression, World Wars I and II, and the Civil Rights Movement.

What could the Boule offer America's Blacks in the early 20th century? Joining the exclusive secret society offered advancement and perks to select Blacks in return for loyalty to its objectives.

The upper tenth of Blacks started to live the good life as Boule members, while the majority of ordinary Blacks were disenfranchised. But what were the Boule's objectives?

Obama Orders Jesus Name Covered at Georgetown Speech... yet Takes his Shoes off at Mosques?

The Obama Administration continues to shock and awe me. Before giving a Keynote Speech at Georgetown University, Barack Obama ordered the symbol of Jesus be covered before he would speak.

Is this the same man who visited Turkey last week, and made the symbolic gesture of taking his shoes off before entering a Mosque? And bowed to Kings who were leaders of other Nations? And did his first Live interview with the Arab street on Al Jazeera, rather than his own country?

So, Jesus is bad... Mosques are okay. Got it. I wonder if Homeland Security Secretary Janet Napolitano knows about this? ⁹

Rues Difficulty Of Activating “Global Governance Agenda” At Copenhagen

<http://www.prisonplanet.com/rothschild-rues-difficulty-of-activating-global-governance-agenda-at-copenhagen.html>

Rev 9:11-10:1—“And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.

12 One woe is past; and, behold, there come two woes more hereafter.

13 And the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God,

14 Saying to the sixth angel which had the trumpet, Loose the four angels which are bound in the great river Euphrates.

15 And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men.

16 And the number of the army of the horsemen were two hundred thousand thousand: and I heard the number of them.

17 And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses were as the heads of lions; and out of their mouths issued fire and smoke and brimstone.

18 By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths.

19 For their power is in their mouth, and in their tails: for their tails were like unto serpents, and had heads, and with them they do hurt.

20 And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk:

21 Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.” KJV

Notice that as Obama proudly leaves the platform at this lying conference, he ignores returning the salute of the service man; but he goes into the audience and bows before one of the attendees.... No wonder he's losing so much popularity around the world.... No one likes to see the supposedly President of the United bowing and scraping in front of the world's criminal soul snatchers ...
