MODERN ZOMBIES

True Christians are admonished in the Word to be sober and to be vigilant because of the adversary that walks about seeking whom he may devour. Additionally the Bible tells us that the righteous are scarcely saved and that there would come a time that there would be such iniquity that if it were possible the very elect would be deceived. Stay close to the Lord in the latter days!

“Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits and doctrines of devils...” 1Timothy 4:1

Young people are committing suicides around the country due to psychotropic drugs, school death programs, demonic movies, alcohol and perverted sexual spirits and false Christian ministries.

I just received a call that a young Christian boy, 18 years old committed suicide as I worked on this article... Pastor Wake Up!

Social Media: Preparedness 101:

Zombie Apocalypse

The following was originally posted on CDC Public Health Matters Blog on May 16th, 2011 by Ali S. Khan.

There are all kinds of emergencies out there that we can prepare for. Take a zombie apocalypse for example. That's right, I said z-o-m-b-i-e a-p-o-c-a-l-y-p-s-e. You may laugh now, but when it happens you'll be happy you read this, and hey, maybe you'll even learn a thing or two about how to prepare for a *real* emergency.

A Brief History of Zombies

We've all seen at least one movie about flesh-eating zombies taking over (my personal favorite is Resident Evil), but where do zombies come from and why do they love eating brains so much? The word zombie comes from Haitian and New Orleans voodoo origins. Although its meaning has changed slightly over the years, it refers to a human corpse mysteriously reanimated to serve the undead. Through ancient voodoo and folk-lore traditions, shows like the Walking Dead were born.

A couple dressed as zombies - Danny Zucco and Sandy Olsson from the movie Grease walking in the annual Toronto Zombie Walk.

In movies, shows, and literature, zombies are often depicted as being created by an infectious virus, which is passed on via bites and contact with bodily fluids. Harvard psychiatrist Steven Scholzman wrote a (fictional) medical paper on the zombies presented in *Night of the Living Dead* and refers to the condition as *Ataxic Neurodegenerative Satiety Deficiency Syndrome* caused by an infectious agent. The Zombie Survival Guide identifies the cause of zombies as a virus called solanum. Other zombie origins shown in films include radiation from a destroyed NASA Venus probe (as in *Night of the Living Dead*), as well as mutations of existing conditions such as prions, mad-cow disease, measles and rabies.

The rise of zombies in pop culture has given credence to the idea that a zombie apocalypse could happen. In such a scenario zombies would take over entire countries, roaming city streets eating anything living that got in their way. The proliferation of this idea has led many people to wonder "How do I prepare for a zombie apocalypse?"

Well, we're here to answer that question for you, and hopefully share a few tips about preparing for *real* emergencies too!

Better Safe than Sorry

Some of the supplies for your emergency kit.

So what do you need to do before zombies...or hurricanes or pandemics for example, actually happen? First of all, you should have an emergency kit in your house. This includes things like water, food, and other supplies to get you through the first couple of days before you can locate a zombie-free refugee camp (or in the event of a natural disaster, it will buy you some time until you are able to make your way to an evacuation shelter or utility lines are restored). Below are a few items you should include in your kit, for a full list visit the CDC Emergency page.

- **Water** (1 gallon per person per day)
- **Food** (stock up on non-perishable items that you eat regularly)
- **Medications** (this includes prescription and non-prescription meds)
- **Tools and Supplies** (utility knife, duct tape, battery powered radio, etc.)
- **Sanitation and Hygiene** (household bleach, soap, towels, etc.)
- **Clothing and Bedding** (a change of clothes for each family member and blankets)
- **Important documents** (copies of your driver's license, passport, and birth certificate to name a few)
- **First Aid supplies** (although you're a goner if a zombie bites you, you can use these supplies to treat basic cuts and lacerations that you might get during a tornado or hurricane)

Once you've made your emergency kit, you should sit down with your family and come up with an **emergency plan**. This includes where you would go and who you would call

if zombies started appearing outside your door step. You can also implement this plan if there is a flood, earthquake, or other emergency.

Never Fear – CDC is Ready

Get a Kit, Make a Plan, Be Prepared

If zombies did start roaming the streets, CDC would conduct an investigation much like any other disease outbreak. CDC would provide technical assistance to cities, states, or international partners dealing with a zombie infestation. This assistance might include consultation, lab testing and analysis, patient management and care, tracking of contacts, and infection control (including isolation and quarantine). It's likely that an investigation of this scenario would seek to accomplish several goals: determine the cause of the illness, the source of the infection/virus/toxin, learn how it is transmitted and how readily it is spread, how to break the cycle of transmission and thus prevent further cases, and how patients can best be treated. Not only would scientists be working to identify the cause and cure of the zombie outbreak, but CDC and other federal agencies would send medical teams and first responders to help those in affected areas (I will be volunteering the young nameless disease detectives for the field work).

It is true that Jesus Christ left awesome spiritual power to His church. **“And Jesus came and spake unto them, saying, all power is given to me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost. Teaching them to observe all things whatsoever I have commanded you: I lo am with you alway, even unto the end of the world, Amen,”** (Matt. 28:18:20).

This “Great Commission” is our marching order in evangelism. It is worldwide in its scope, sin-deep in its reach, heaven-high in its hope, and eternity long in the duration of its results.

OCCULT STEPPING STONES TO WITCHCRAFT

“The Spirit speaketh expressly that in the latter times some shall depart from the faith, giving heed to seducing spirits and doctrines of devils.” (1 Tim. 4:1)

The Walking Dead book concerns the Lamb family (a fictitious name) that was living in Central Florida where a white witch that cast deadly spells upon them that almost cost Rita Lamb her life. It also reveals witchcraft power that engaged the teenagers in the community to become involved with the powers of darkness. They became zombies like when this white witch gave them drugs and taught them witchcraft rituals in the local cemetery, thus destroying their lives through demon possession. No one can dabble in witchcraft and come away unshackled. However through Jesus, one can be deliverance, (Matt. 18:18) there are very few Christian ministers that can deliver them. He died for us that we might live.

Dr. Holliday says that the rise and social acceptance of witchcraft in America has caused progressive interest and involvement in the occult and capturing millions spiritual slaves. Also she says, “Witchcraft and Satanic worship, coupled with human sacrifices is widespread and happening now!” Christians should never seek help, guidance or healing from a witch or psychic.

OCCULT PROBLEM

I have written The Walking Dead because of the rise and social acceptance of witchcraft in America. We have entered the supernatural age of progressive interest and involvement in the occult. Satan’s ambassadors are very successful and extremely evangelistic, capturing spiritual slaves. I also believe Satanic worship, coupled with human sacrifices is widespread and happening now! New York’s Queens County District Attorney, John Santucci Claims he has evidence supporting “Son of Sam” killer, David Berkowitz’ bizarre assertion that a devil-worshipping cult helped him murder six people. Since his conviction, Berkowitz has claimed that

he was a member of a New York-based Satanic cult whose secret members were responsible for shootings that killed six and wounded seven people!

Fiendish devil-worshipping cultists are on the verge of spawning an insane bloodbath of murder and terror in cities and towns across the country. Recently, while I was evangelizing in Miami, a young girl who had escaped from a group of Satan worshipers told a frightening tale of human sacrifice and kidnapping: "They find old people who have no relatives and put them in cages. They torture them with hot irons and within three days their hair will actually turn snow white from terror! They tie them to a pentagram table (a table with a five-pointed star, a witchcraft symbol, on the top). Then they sacrifice them to Satan! The Satanist temple is located in a very elite section, she reported.

AMERICA IS EXPERIENCING A MYSTICAL REVOLUTION

Psychic prophets, astrologers, spiritualists, Espiers, hypnotists, flying saucers, space saviors, mind mixers, mind manipulators, mind movers, false prophets of the East, witchcraft, devil worshipers, Séances, occult games and occult movies are presented as having the answers to all of life's problems. People have been sold the bill of goods that occultism is exciting and wonderful.

A CHOSEN GENERATION

The people of the world think of the youth as a lost generation but Jesus sees them as:

"But ye are a chosen generation, a royal priesthood, a holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light: 10 Which in time past were not a people, but are now the people of God: which had not obtained mercy, but now have obtained mercy. 11 Dearly beloved, I beseech you as strangers and pilgrims, abstain from fleshly lusts, which war against the soul; 12 Having your conversation honest among the Gentiles: that, whereas they speak against you as evildoers, they may by your good works, which they shall behold, glorify God in the day of visitation," (1 Pet. 2:9-12).

As the people of God, the mission of the church is to proclaim or announce to the world **Jesus, the Messiah, the Son of the living God.** The church must show forth the praises of Jesus Christ who has called believers out of the dankness of sin into light of His love and life. This is the good news the unsaved needs to know. Through the grace of God they too can pass from the darkness of sin into the light of Christ's love and life.

The world has experienced a population explosion of unprecedented numbers. Millions have grown up without a true sense of moral values. They have been exploited by the worst influences in our society. Many are searching for something that is real, something that can make an eternal difference in their lives. The church must give a clear message of salvation that will bring about the Holy Spirit's conviction to bring them to saving redemption to their souls.

Recently a man, seventeen-years-old came to the altar for prayer. He said that he wanted to quit smoking. We delivered him from cigarettes. He returned to the church. Each time he received ministry and left free. However, the next week, he'd return absolutely oppressed. I asked him if he was taking drugs. He said no. After much probing, he finally admitted that every week he would pick up a prostitute. "You can't do that," I said shocked. "Why not," he replied. "It's against the Bible . . ." I answered. He responded, "You don't understand, I'm not married and I need to sleep with women."

The young man explained further that the public schools told him in sex education classes that it was okay to have sex . . . just as long as he would use a prophylactic! The most tremendous problems that churches are facing today, is a lack biblical understanding about sex. The spiritual interpretation of the demonic imprecations of free sex is astounding. Jesus said, "flee fornication!"

Another young man 21 ask for prayer. "I just got out jail. I was dating a girl in high school and we were having sex. The school gave us sex education courses and told us that it was okay to have sex as long as we used a condom. So, we had sex for several years. I graduated first but we still continued to date and have sex. One day a cop knocked on my door and arrested me for having sex with a minor. The girl's father had pressed the charges."

This young man's life was ruined because our public schools taught him break his moral code. The young man when on to explain, "I knew it was wrong Mrs. Holliday. I was raised in the Baptist Church and they talk us that fornication was wrong. However, when the school teacher said it was okay, I followed them because I wanted to it.

Mrs. Holliday, I was in jail for 10 months. I prayed and fasted and asked the Lord to forgive me. I believe he did. However, he sent me to you for ministry."

We were able to minister deliverance to this young. However, there are millions that are caught up under the powers of Darkness while the Christian Church spends it time collecting money, singing and dancing and many having Kundalini spiritual experiences, mooing like cows; barking like dogs; clucking like chickens; howling at the moon and twisting and wiggling like snakes. May God have mercy.

Demons swarm into a body when it is immoral. Not only do the demons come in from the persons committing the immoral act, but they will receive spirits from both generational lines of the partner! Then, they will receive demons that have entered in from every person that each partner has engaged in illegal sex! This is a problem for our young people as well as many people in church. Many people no longer guard their spirits and minds to insure spiritual purity and freedom. Once demons are invited in, they must be kicked out! Deliverance is so needed in most of our churches.

Parents are looking for a spiritual environment in which they can bring up their children. They want help in teaching the things that really matter. In a recent survey, parents said that the youth's ministry was an important reason for visiting the church the first time, and 94 percent said the youth's ministry was an important reason for staying in the church. By ministering to the young we are able to reach whole families.

WE ARE MEETING EVERY SUNDAY AFTERNOON AT THE BEST WESTERN HOTEL, SALISBURY AND BUTLER BULTER BLVD, JACKSONVILLE, FLORIDA, @ 12:30 p.m. Dr. Pat Holliday, Teaching, Signs and Wonders Meetings. <http://www.patholliday.com> **DON'T**
