## OBAMA'S OBJECTS OF PAGAN WORSHIP

FROM HIS WORD! ~ PAT HOLLIDAY, PH. D.

### Lord Hanuman image

A group of Hindus in India have presented Sen. Barack Obama's campaign with a two-foot Hindu monkey-god idol after hearing the candidate carries a smaller version of the Lord Hanuman good-luck charm with him as he vies for the presidency. Earlier this week, according

to reports in India, Obama Representative Carolyn Sauvage-Mar accepted the gold-plated statue, promising to pass it on to the candidate after it is sanctified through ritual Hindu prayers.

"The idol is being presented to Obama as he is reported to be a Lord Hanuman devotee and carries with him a locket of the monkey god along with other good luck charms," reported the Times of India.

An hour-long prayer [meeting](#) to sanctify the idol was conducted by Congress party leader Briimohan Bhama and temple priests.

### OBAMA'S MONKEY GOD

"And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light," (Rom. 13:11-12).

Obama says that America is no longer a Christian nation . . . or is it America no longer has a Christian President? Can one man wipe out two centuries of the Christian Faith?

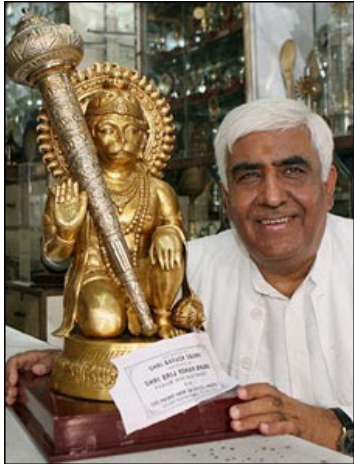

The idol is being presented to Obama as he is reported to be a Lord Hanuman devotee and carries with him a locket of the monkey god along with other good luck charms," reported the Times of India.

An hour-long prayer [meeting](#) to sanctify the idol was conducted by Congress party leader Briimohan Bhama and temple priests.

"Obama has deep faith in Lord Hanuman, and that is why we are presenting an idol of Hanuman to him," said Bhama.

Accepting the souvenir, Sauvage-Mar, chairwoman of Democrats Abroad-India, said, "Obama has

extended his thanks for the support."

The idol will be kept at the temple for 11 days and then sent to the U.S. It will reach Obama by Aug. 24 – a day before the Democratic National Convention opens in Denver.

The idea of sending an idol of Hanuman dawned on Bhama after friends in the U.S. mentioned a "prominent American politician who carried a miniature Hanuman idol in his pocket for luck."

"After hearing that, I decided to gift Mr. Obama a larger, gold-plated version along with the wishes of thousands of his supporters in this country," Bhama told the Hindu newspaper.

Along with the idol, a copy of "Hanuman Chalisa," a compilation of Hindu hymns, will be sent to Obama.<sup>1</sup>

The group decided to order the idol after they read a magazine report saying that Mr. Obama

carried a good luck 'Monkey King' Charm.

They say that a Barack Obama victory would be good for India. \

(Hebrews *lehashim*, "**charms**"; (Isa. 3:20), KJV, "**earrings**"). A supposed preservative against sickness, accident, witchcraft, and evil spirits or demons. Amulets consisted of precious stones, gems, gold, and sometimes of parchment written over with some inscription. They have been widely used from antiquity and are still worn in many parts of the world. They were often worn as earrings (which see), as the centerpiece of a necklace, and among the Egyptians frequently consisted of the emblems of various deities. Among the Arabs the figure of an open hand is used, as well as that of a serpent.<sup>6</sup>

## BARACK'S A 'CHARMER'<sup>2</sup>

By GEOFF EARLE, Post Correspondent, AP

- **Barack Obama** trounced Hillary Rodham Clinton with the help of the Monkey King, an American eagle and a poker chip.<sup>3</sup> Obama, campaigning in New Mexico, revealed to a group of voters in a cafe the pocket full of charms that he carries with him.

<sup>2</sup> [http://www.nypost.com/seven/06242008/news/nationalnews/baracks\\_a\\_charmer\\_116926.htm](http://www.nypost.com/seven/06242008/news/nationalnews/baracks_a_charmer_116926.htm)

<sup>3</sup> [http://www.nypost.com/seven/06242008/news/nationalnews/baracks\\_a\\_charmer\\_116926.htm](http://www.nypost.com/seven/06242008/news/nationalnews/baracks_a_charmer_116926.htm)

He said he keeps a "lucky poker chip" given to him by a voter, and an American eagle pin that was given to him by a Native American woman, saying they remind him of the people he meets along the campaign trail.

They'll hand it to you and they'll say, 'I want you to be well, but I want you to fight for me,' "Obama said, pulling some of the items from his pocket.

"And they'll talk about not having health care for their family, or they'll talk about being laid off.

"If you've been talking to somebody like that, then you want to work harder if you're asking them to vote for you."<sup>4</sup>

**The Scripture warns us to be careful about companionship with the people of the world. In (2 Jn.7),"For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an Antichrist." And then in (2 Jn. 9), we see a separation is to be established between the believer and unbeliever. "Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son."**

About 85 % or black Christians and large amount of white Christians voted for Obama. They simply believe that the Christian faith did not matter. The only thing that seemed to matter was that he was half black. His black revolutionary- Communistic connections with radical Christian church did not matter either. Even rumors of being a Muslim didn't faze the American Christian Community. They voted for him anyway. Now we have an idolater in the White house that treats Christians like second rate citizens and tells the world that American is no longer a Christian nation. He also will NOT SPEAK IN A CHRISTIAN CHURCH that displays the name of Jesus. Many Christians have capitulated to this idolater, never defending the name of Jesus Christ. CAN YOU IMAGINE A PERSON SO WEAK THAT THE DEMONS IN HIM COULD STAND TO LOOK AT THE NAME OF JESUS? How soon before Obama comes for your Bible?

Hindus revere monkeys which they believe are descendents of the monkey God Hanuman.

The two-foot tall, 15kg gold-polished, brass idol has been made as a present for Mr. Obama because "he will be good for India if he becomes the next president," according to Brij Mohan Bhama, leader of the group. Mr. Bhama belongs to the ruling Congress party and also runs a textile mill in the western city of Mumbai.<sup>5</sup>

**The apostle Peter indicated that many would come in the name of Christ, yet deny Him as both Lord and Savior. The apostle also said that these same apostates would make merchandise of the members of the churches. In other words, like the Nicolaitians, they would use the money to gain advantage,” (Rev. 2).**

**We are seeing people fall away from Christ left and right.**

They are in church one night and the next back into world. It is terrifying to see a Christian backslide. Great darkness surrounds them and they usually become like spiritual monsters. One pastor fell away from the pulpit several years ago, today he sits on a bar stool drinking. At the end of the evening, he takes drunks to his house; continuing to drink, they will watch his old sermons and laugh and mock Jesus together!

**Another preacher turned his back on God through adultery.** He takes crack and wallows in sin with the street prostitutes. A brother went to him to try to restore him to Jesus Christ. He told him that he could get free if he would come to see Dr. Holliday. She could deliver him and Jesus would restore him. The preacher said, “Oh no, she’ll cast my sex demons out!” These are truly perilous times.

The Apostle Paul challenges the believer in (Gal. 5:1-8), to *"Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage. Behold, I Paul, say unto you, that if ye be circumcised, Christ shall profit you nothing. For I testify again to every man that is circumcised, that he is a debtor to do the whole law. Christ is become of no effect unto you, whosoever of you are justified by the law; ye are fallen from grace. For we through the Spirit wait for the hope of righteousness by faith. For in Jesus Christ neither circumcision availeth any thing, nor uncircumcision; but faith which worketh by love. Ye did run well; who did hinder you that ye should not obey the truth? This persuasion cometh not of him that calleth you.*

## **Why Does Obama Carry a Hindu Monkey god Charm?**

August 20, 2008 – The [Chicago Tribune](http://www.chicagotribune.com) reported in late June, 2008 that Senator Barack Obama (D-IL) carries a series of good luck charms with him.(see above picture). One of those charms is a Hindu brass monkey king. The charm is an image of

## [Hanuman, Hinduism's monkey god.](#)<sup>6</sup>

Brij Mohan Bhama, a politician associated with the ruling party in India, is a follower of Hanuman and presented the Senator with a 2-foot-high gold-plated Hanuman idol, which had been blessed by a dozen Hindu priests in a special prayer service. According, "Obama has deep faith in Lord Hanuman and that is why we are presenting an idol of Hanuman to him." Bhama also told *The Hindu* news: "We will ensure that Mr. Obama receives the idol by August 24, a day before the Democratic National Convention in Denver, Colorado." [In addition to the idol](#), Obama will also receive a Hindu hymn book called the Hanuman Chalisa.

[Hanuman is a Hindu god](#) worshipped as a symbol of physical strength, perseverance and devotion. [Hanuman's](#) exploits are recounted in a Hindu epic called [Ramayana](#).

Sen. Obama also carries an [American Eagle pin given to him by a Native American woman and a poker chip](#) given to him by one of his supporters, [a Madonna and child, and a bracelet](#) belonging to a soldier deployed to Iraq.

"This seems to be an odd assortment of trinkets to carry around," said TVC Executive Director Andrea Lafferty. "Perhaps this collection of lucky charms is symbolic of Obama's buffet-style religious belief system, nurtured as a child in an Islamic school in Indonesia and for 20 years under the teachings of [Black Liberation Theology racist Rev. ## WITCHCRAFT, SYMBOLS AND ACCURSED OBJECTS - AMULET

Concerning witchcraft, **Nelson's Illustrated Bible Dictionary** says, **a charm or ornament usually assumed to have supernatural powers.** Often inscribed with magic incantations, amulets supposedly protected the wearer from evil—such as sickness, disease, accidents, witchcraft, evil spirits, and demons. They also were thought to serve as aids to success.<sup>8</sup>

Deliverance ministers should always be aware of occult charms and religious jewelry. Demons always hold people in slavery by these means. Recently a lady came for deliverance. She had different kinds of hippie bead jewelry. I asked her about them. "Where did you get this beaded jewelry?" I work in a shop. The owner says she is an ascended master (High order of New Age Witchcraft). She

<sup>6</sup> August 20, 2008 – The [Chicago Tribune reported in late June, 2008](#) that Senator Barack Obama (D-IL)

prays everyday over her articles” After we asked her remove the necklace, bracelet, earrings, rings, toe rings and anklet, we were able to free her from the evil spirits that had enslaved her!

Amulets formed part of the trappings that Jacob commanded his household to put away (Gen 35:4). The most fanciful and superstitious notions have prevailed respecting the marvelous powers of gems. The gem appropriate for a particular month was worn as an amulet during the month and was supposed to exert mysterious control in reference to beauty, health, riches, and so forth. One's person and house were thought to be protected from malignant influences by holy inscriptions placed upon the door. The existence of such a custom is implied in the attempt of Moses to turn them to a proper use by directing that certain passages of the law should be employed, (Exo. 13:9,16; Deut. 6:9; 11:18), **"to look at and remember all the commandments of the Lord, so as to do them"** (Num. 15:39).

Such written scrolls afterward degenerated into instruments of superstition among the Jews, so that **"there were hardly any people . . . that more used or were fonder of amulets, charms, mutterings, exorcisms, and all kinds of enchantments"**<sup>9</sup>

(Matt. 24:24). These amulets consisted of little roots, parts of animals, or, more commonly, bits of paper or parchment upon which were written words or characters, and were supposed to have magical power to protect from evil spirits. **One of the most frequent of the latter was the cabalistic hexagonal figure known as "the shield of David," and "the seal of Solomon."**<sup>9</sup>

**Many of the Christians of the first century wore amulets marked with a fish as a symbol of the Redeemer**, or the pentangle, consisting of three triangles intersected and made of five lines, which could be so set forth with the body of man as to touch and point out the places where our Savior was wounded. Among the Gnostics Abraxas gems were used. At a later period ribbons with sentences of Scripture written on them were hung about the neck. The Council of Trullo ordered the makers of all amulets to be excommunicated and deemed the wearers of them guilty of heathen superstition.<sup>10</sup>

## **SATAN WORSHIP OBJECTS**

In Satan worship, oftentimes the arms are crossed as a sign of submission to and being bound by the devil. (Also a sign of rebellion).

Often good luck charms, ankhs, astrological symbols, animals, insects, snakes and other jewelry with hex signs, etc. will cause interference with DELIVERANCE. Some objects, particularly rings, bracelets, necklaces and other jewelry which have been given to a person by someone in witchcraft will have curses and/or bondage in them. The person that receives the object from a witch or wizard will come under spiritual enslavement of that person.

---

<sup>9</sup> Lightfoot Horae  
<sup>10</sup> Unger's Dictionary

There is a resurgence of hex signs, and ancient geometric and mystical motifs which are being incorporated into designs for clothing, jewelry, decorative objects and china. In antique shops there are often selections of rings, pendants, pins and various kinds of jewelry which were originally designed to bring good luck and to act as a talisman to chase evil.

Some of the most popular currently include: The Egyptian ankh (a cross with a loop at the top which was an ancient fertility symbol); the ancient witchcraft sign of the broken cross, popularly known as the peace symbol; *Chais* (consists of Hebrew characters spelling the word life); all kinds of Polynesian *tikkis*, figures, and other things; a wiggly tail which is called the "Italian horn"; protectors from the evil eye; a hand with the index and little fingers pointing up (a satanic witchcraft sign); and a great variety of crosses, clovers, stars, wishbones, lucky coins, mystic medals, horseshoes and other items.

## Objects of Pagan Worship

### THE SPIRIT OF IDOLATRY <sup>11</sup>

**Things worshiped and Images of Angels, (Col. 2:18). Animals (Rom. 1:23). Gods of Egypt (Exo. 12:12). Golden Calf (Exo. 32:4). Brazen Serpent (2 Kin. 18: 4). Net & dragon (Hab. 1: 16). Pictures; (Ezek. 1 8:10). Earrings (Gen. 35:4). "And they shall no more offer their sacrifices unto devils, after whom they have gone a whoring,"**

**(Lev. 17:7). This will be a law or ordinance forever unto them throughout their generations. "They sacrificed unto devils, not to God; to gods whom they knew not, to new gods that came newly up, whom your fathers feared not,"**

**(Deut. 32:17). "And he ordained for him priests for the high places, and for the devils, and for the calves which he had made."**

**(2 Chron. 11:15). "Ye, they sacrificed their sons and their daughters unto devils,"**

**(Psa.106: 37). "But I say that the things which the Gentiles sacrifice, they sacrifice to devils, and not to God: and I would not that ye should have fellowship with devils. Ye cannot drink the cup of the Lord, and the cup of devils; ye cannot be partakers of the Lord's Table, and of the table of the devils," (1 Cor. 10:20).**

**(1 Tim. 4:1). "Now the Spirit speaketh expressly that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils. . ."**

**gold, and silver, and brass, and stone, and of wood; which neither can see nor hear, nor walk,”**

## **SOME ACCURSED OBJECTS**

Statues and pictures such as, stuffed animals, owls, frogs, unicorns, horseshoes; items from other countries such as Africa, China, Japan; American Indian artifacts, carvings, pictures, Buddha statues. The popular goose with the blue ribbon around its neck is an Egyptian god found on kitchen canisters, curtains, paper towels, plates, baskets. Dolls and stuffed animals - dolls originated in voodoo. Paisley patterns on anything. Nike is a Greek god, according to the dictionary.

Many objects will bring a spirit of infirmity with them, such as, owls, dolls, frogs, collections, unicorns, pictures of movie stars, horseshoes, Some items passed down from ancestors, shamrocks, Any kind of good luck charm, statues, Oriental objects, African items, Indian items, American Indian items, Any items that are used in worship of false gods and witchcraft, The Book of Mormon, **Satanic Bible**, Books on other religions, rock and roll music, etc.

As stated above, pray and ask the Lord what you need to destroy. The word of God says that he who seeks shall find.

### **HOUSE DELIVERANCE**

After these things have been destroyed then break curses over you and your family and cast the demons out of your house; also anoint your house.

### **PERSONAL DELIVERANCE**

Confess, repent and ask forgiveness for the iniquity of idolatry for you, your ancestors, spouse, former spouses, former sex partners and their ancestors. Break the curses and cast OUT demons (of yourself) having to do with idolatry.

### **BURN OR DESTROY IT**

In the Book of Acts, is the story about the seven sons of Sceva. After one of the demons beat them up, (Acts 19:16), **“And the man in whom the evil spirit was leaped on them, and overcame them, and prevailed against them, so that they fled out of that house naked and wounded.”** Then, we find in verse 17, **“This became known to all who lived in Ephesus, both Jews and Greeks, and alarm and terror fell upon them all; and the name of the Lord JESUS was extolled and magnified”.** 18 **“Many also of those who were now Believers came making full confession and thoroughly exposing their [former deceptive and evil] practices.** 19 **And many of those who had practiced curious, magical arts collected their books and**

**[throwing them, book after book, on the pile] BURNED THEM in the sight of everybody . . . " This is the scripture that Christians use for "book burnings" "record burnings," etc.**

**Note they BURNED the books.** We're talking New Testament here. Why didn't they just bind up or cast out the demons in these books? The Satanic anointing on these types of books will retain their unholy persuasions and draw others to read them. The evil spirits cling to these unholy things. Some of you have artifacts from Africa, India, etc., where these artifacts are offered up to their gods, many pray demons into these artifacts, and then they sell them. I have had people tell me that they bound up the demons or cast them out of the artifacts. God says to destroy them. I've heard many testimonies of severe problems because of such artifacts (including dolls, rock and roll albums, jewelry, etc.)

A pastor that I personally knew went to Africa to preach. When he returned he returned with many African artifacts, such as, masks, staffs with fetishes, shields. He hung them on his office wall. When I warned him about having these things, he laughed at me saying, **“That’s stupid, these are just pieces of wood, they have no power.”**

I tried to sway him to think about the evil spirits that could be attached to them. Nothing worked. He had been taught a natural Christianity that did not recognize that demons really do have power and could take advantage of a Christian through owning ungodly paganistic articles. This particular preacher lost his super big church and was demoted to a small-town country church.

We also recommend destroying books and tapes from any ministry that is teaching false doctrine, in particular, that "Christians cannot have demons."

We have heard that anything that becomes a fad has probably got a demonic background - angel statues, for instance - started by the new agers. Rainbows - started by the new agers.

**FROGS** - In our local paper on November 20, 1998, it said, "Frogs' time has come - The frog is chirping its way into our pads in the form of Christmas ornaments, wine corks, CDs and sink stoppers. The latest amphibian landing: New World Frog Clock, a 13-inch blue wall model featuring frogs at every hour and a fly on the second hand." It croaks through the hours with sounds of many different frogs. See how the frog has become another fad. **Frogs will bring infirmity spirits into a house.**

## **Cleaning Your House (Office)**

12

This is from my book *Old Gods of Idolarty*, <http://www.patholiday.com>

**“When you go into battle in your own land against an enemy who is oppressing you, sound a blast on the trumpets. Then you will be remembered by the Lord your God and rescued from your enemies,” (Num.10:9).**

## **PEACE IN THE HOME**

Your house must be cleaned from articles, occult jewelry, occult books, etc., for you to enjoy complete freedom. Spiritual house cleaning should be done by anointing it with olive oil in the name of Jesus.

Jesus taught us that we have the power to bind demonic spirits. Binding and commanding all powers of darkness to leave is shown in (Matt. 18:18).

When you driving evils spirits out, anoint the doorways, windows. Discard all statues, images of animals. Many unknowingly invite demonic attack by dabbling in jewelry with occult symbolism and power.

In the cause of objects dedicated to demons (idols, artifacts, etc.), the best course of action is to destroy them. However, it is well to check secondhand cars, homes, and apartments also because if the former owners had Ouija boards, or other occult paraphernalia, or were involved in serious bondage to sin, then there is every reason to suspect that evil spirits could be lingering behind. These Spirits can and will cause trouble to the new owners.

Keep in mind that any prayers offered to anyone or anything, other gods, than the Father, through the name of Jesus, the Son constitutes prayers and/or worship to demons. Very often these are answered in the form of curses, for demons can and do respond to those who request of them. (If you know of demonic prayers against your family, break the curses placed against you).

We suggest that two believers go on a mission such as this with The Bible in hand. These should be destroyed.

Look for little Mexican sun gods, idols, incense, Buddha, hand-carved object from Africa or the Orient, Ouija Boards, anything connected with astrology, horoscopes, and fortune telling, and so on. Books or objects associated with witchcraft, good luck charms, or the cult religious (Metaphysics, Christian Science, Jehovah's Witnesses, etc.) Rock and roll records and tapes all fall in the category of things which have been often loaded with evil spiritual power.

Verbally denounce Satan and his power, and all of his demon hosts and claim authority as a believer-priest because of the name of Jesus Christ and the authority of His shed blood. (There is more power in the spoken word.) Some Scripture which has proven useful in this includes: (Rev. 12:11; 22:3; Gol. 2:14-15; Gal. 3:13; Deut. 21:23, 32:5; Num. 23-8, II Sam. 7:29). (Read out loud in the house).

In some cases the door lintel and window sills have been anointed by touching them with olive oil. Other things such as statues have been so anointed in Jesus Name and many times the demonic power is checked or destroyed.

Any specific areas of demonic activity or influence of which you are aware should be denounced by name, (Prov. 3:33).<sup>11</sup>

## OBJECT TO BE EXORCIZED

An amulet is worn to ward off evil spirits, while a talisman supposedly transmits power to the wearer.

Often it is covered with figures or words which are alleged to bring good luck and avert evil. It is an insult to God for believers to wear such trinkets when they have such marvelous promises, (Ps. 50:15; 91:11).

**“The graven images of their gods shall ye burn with fire: thou shalt not desire the silver or gold that is on them, nor take it unto thee, lest thou be snared thereof: for it is an abomination to the Lord they God,”** (Deut. 7:25).

There is an increase of hex signs, and ancient geometric and mystical motifs which are being incorporated into designs for clothing, jewelry, decorative objects and china.

Rings, pendants, pins designed to bring good luck or act as a talisman to chase evil. Masonic rings or Eastern Star rings. Astrological symbols Egyptian ankh, Tau cross, Symbols of the Egyptian fertility goddess (Ist).

One branch of witches called Alexandrine's combine a rose with five petals with the Ankh. It is a cross with an oval loop on top.

A ram or goat's head is worn by Satan worshipers. This too is a symbol of fertility and lust. The broken cross (peace symbols) *Chais*, (consists of Hebrew characters spelling the word life) Polynesian *Tikkis* of Gods, (carved to represent various gods)

Italian Horn, (a wiggly tail) also called Leprechaun Staff, (An emblem that is known in the occult as the Elf or Fairies Wand, introduced by the Lord Druids of Scotland and Ireland, this symbol was used as the instrument of the druids for castrating animals and humans. It has been hexed and is used for luck and fortune. Satan's priests wear this emblem for prosperity as a charm about their neck). Protectors from the evil eye.

Another charm supposed to work against the evil eye is the *Manu Cornatu* or The Hand.

There is an amulet called a *Figa* (a fist with the index and little finger pointing up and the two middle fingers held down by the thumb). It is sometimes called a *Mano* (to make a fig with the hand). This sign is used as a "goat's head" by Satan worshipers and also as an obscene gesture.

Crosses, clovers, stars, wishbones, lucky coins, four leaf clovers, mystic medals, horseshoes, religious fetishes and statues, red Aztec Temple (Sun God medals' talisman).

## Scriptures

**“Thou hast also taken thy fair jewels of my gold and of my silver, which I had given thee, and madest to thyself images of men, and didst commit whoredom with them, And tookest thy brodered garments, and coveredst them: and thou hast set mine oil and mine incense before them,” (Ezek. 16:17,18).**

**Now when all this was finished, all Israel that were present went out to the cities of Judah, and brake the images in pieces, and cut down the groves, and threw down the high places and the altars out of all Judah and Benjamin, in Ephraim also and Manasseh, until they had utterly destroyed them all. Then all the children of Israel returned, every man to his possession, into their own cities.” (2Chr. 31:1).**

#### **Easter eggs.**

"The egg as a symbol of fertility and of renewed life goes back to the ancient Egyptians and Persians, who had also the custom of coloring and eating eggs during their spring festival.<sup>11</sup>

Statues of foreign gods; Buddha, fertility; Crystal stones, peeping stones; Black stones .

African masks, shields, statues, etc. Mask, frequently with an elaborate costume as well, is a way of concealing and submerging your own personality and identifying yourselves with a spirit or other supernatural character in dance or drama.<sup>13</sup> African jujus, (shaped like snakes, hands, figures, and other things.

**Hindu statues of gods and goddesses, snake beetles, etc.**

Egyptian symbols, art and jewelry.

**Catholic idols**

Statues and articles of images of Jesus, Mary, Joseph, saints, Rosary beads, metals dedicated to saints and holy people, relics (pieces of bone or objects from dead saints). "In almost all countries then, we meet with something in the nature of prayer counters or rosary beads. ". . . including sculpture of ancient Nineveh, mentioned by Layard, of two-winged females praying before a sacred tree, each holding a rosary. For centuries, among the Mohammedan, a bead string consisting of 33, 66, or 99 beads has been used for counting the names of Allah. Marco Polo, in the thirteenth century, was surprised to find the King of Malabar using a rosary of precious stones to count his prayers. St. Francis Xavier and his companion were equally astonished to see that rosaries were universally familiar to the Buddhists of Japan.<sup>14</sup>

Among the Phoenicians a circle of beads resembling a rosary was used in the worship of Astarte, the mother goddess, about 800 B. C.<sup>15</sup>

The veneration of dead bodies of martyrs was ordered by the Council of Trent, the Council which also condemned those who did not believe in relics. "The holy bodies of holy martyrs . . . are to be venerated by the faithful, for through these bodies many benefits are bestowed by God on men, so that they who affirm that veneration and honor are not due to the relics of the saints are wholly to be condemned, as the Church has already long since condemned and also now condemns them."<sup>16</sup>

Break the powers of the sins of your ancestors and descendants and release the blessings of Abraham over you and your family. Ask God to forgive them and you forgive them. Ask God to forgive you from all your idolatrous sins and you forgive yourself for all sins against your own body. Clean out the house of those objects, books, rock records, computer games of the occult, and the things shown in second chapters. Anoint the house with oil and cast evil spirits out of the house. Bind and rebuke all curses from others.

To Exorcize Inanimate objects. Many Christians, including many pastors do not believe that demons will hang around inanimate objects. In fact, they believe you are going off the deep end if you talk about these things. There is much Biblical evidence to the truth of demons association with inanimate objects. In the case of objects dedicated to demons (Idols, artifacts,

etc.) . . . Destroy them. Second hand: Homes, clothes, jewelry, etc. Should be prayed over in the name of Jesus. Former owners could have been in the occult, Ouija boards, or any number of other sins. Evil spirits could linger behind. These spirits will attack new owners.

### **Look for Cursed objects and Demon Infestation.**

Idols, incense, Buddha, hand carved objects from Africa or the Orient, Mexican sun gods or sun disks, Ouija boards, occult games, Dungeons and Dragons, all things connected with astrology, horoscopes, fortune telling, Occult books, pornographic materials, objects associated with witchcraft, good luck charms, cult religions such as: Metaphysics, Christian Science, Jehovah's Witnesses, Mormonism, New Age Religions, Mind Sciences, Catholic Statues, Mason Bibles and paraphernalia;

### **Objects and literature that pertain to false religions, cults, the occult and spiritism.**

Graven images of gods (demons); Objects dedicated to demons (Idols and artifacts) Rock and roll records and tapes; computer occult games; animal figures; African masks and paraphernalia; Witches' masks and fetishes used by witch doctors. African jujus (shaped like snakes, hands, figures, and other things all kinds of masks. **Owl and frog images** (creatures of the night (Deut. 14:7-19). Abounding with evil spiritual power.

Verbally denounce Satan and his power and all of his demon hosts and claim authority as a believer priest in the name of Jesus Christ and the authority of His shed blood. (Matt. 18:18). It is necessary to casting out evils' spirits in a house or church; it is wise to cleanse spiritually afterward, to head off any trouble which might be caused by spirits remaining in the place.

Forbid devils from staying on the premises . . . Ask God to send His warring angels to make the devils accountable to the name of Jesus. Send them to where Jesus sends them. Forbid them from ever returning. Loose the anointing and power of God in the name of Jesus. It is amazing how far Satan has pushed his program of contagion. This causes legal grounds and legal holds to be given to his demons for attacking on their dupes, their homes and families.

Symbols play a vital role to those involved in the New Age Movement. Jim Channon speaks of them in his "**First Earth Battalion**" training materials. Alice Bailey makes repeated reference to them in her voluminous works. So did Helena Petrovna Blavastsky of the Theosophical Society and Rosicrucians. Max Heindel and Swinburne Clymer. Marilyn Ferguson, David Spangler and other New Agers make frequent mention of symbol usage and its importance to the maintenance of the New Age Movement.

The symbol served both as a form of universal language and a device for helping to reinforce and altered or trance-like state of consciousness. A familiar symbol brings a person a kindred spirit. Since he was taught in his mediation classes to respond emotionally to certain symbols, when he again sees them, a conditioned response is reactivated.

Satan uses symbols as a key to unlock the altered or trance-like states of consciousness.

**The unicorn** — a mythical horse like animal with a single horn in its forehead. A symbol of transformation. Its purpose is a tear, destroys and then renew. A regeneration symbol

New Age ideas of "rebirth" and "transformation" by the acquisition of biblically condemned psychic or "spiritual powers."

Pegasus -- Gk. Myth Winged flying horse. **Idolatry** (worshiping or esteeming something or someone above the living God, including secret societies): (Jer. 44:8; Dan. 9:11; Jer. 11:3).

## **ATTACKING FAMILIAR DEVILS**

Get on the attack! A typical manifestation of demonic control is the passivity that is induced; the person's will is inactive, the mind is insensible and the spirit is sleepy or dead. From the natural man's perspective, everything is undisturbed and is at peace.

Attack: Seizes the initiative from the enemy. Dictates the terms of battle. Chooses the ground on which it will be fought. The grounds of victory are the grounds of Calvary.

**The strong man's position is vulnerable, but it is vulnerable only to attack.** The attack must be pressed until the strong man is overpowered.

**Victory: Comes by insisting that God's will be done on earth as it is in heaven.** We need to persist. Stand in that stance until resistance crumbles.

**"Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience. Be not ye partakers with them. For ye were sometimes darkness, but now are ye light in the Lord: walk as children of light: [For the fruit of the Spirit is in all goodness and righteousness and truth;] Proving what is acceptable unto the Lord. And have no fellowship with the unfruitful works of darkness, but rather reprove them,"** (Eph. 5: 6--11).

## **SHOULD HOUSES BE CLEANSED OF EVIL SPIRITS?**

(Deut. 29:29) . . . **"The secret things belong unto the Lord our God: but those things which are revealed belong unto us and to our children forever, that we may do all the words of this law."**

Due to my involvement with demons through DELIVERANCE, I have heard many reports of unusual demon activities in connection with houses and objects. Books and objects identified with anything related to Satan's kingdom have been known to attract demons. Sinful activities on the part of former residents account for some houses needing to be cleansed.

Many have told of hearing voices or sounds in their houses. Such manifestations are sometimes called "poltergeist," a German word meaning "knocking or noisy ghosts."

What about the owls and frogs? These are classified among the creatures mentioned in (Deut. 14:7-19), as unclean and abominable. They are types of demon spirits.

**"The graven images of their gods you shall burn with fire, you shall not desire the silver or gold that is on them, nor take it for yourself, lest you be ensnared by it; for it is an abomination to the Lord your God. Neither shall you bring an abomination (an idol) into your house, lest you be ensnared by it; for it is an abomination to the Lord your God"** (Deut. 7:25-26).

Demons are definitely attracted to houses by objects and literature that pertain to false religions, cults, the occult and spiritualism. All such materials should be burned or otherwise destroyed. Houses or buildings which are suspect of demon infestation should be cleansed by the authority of the name of JESUS. Those who live in such places should stand on the provisions of the blood of JESUS CHRIST (Probably the greatest abomination to God is worshiping other gods in any form such as having an idol in your house.)

Another interesting thing is how many times in religious fetishes and statues there is a dangerous resident demon power. If it is necessary to do a spiritual cleansing by anointing it in the name of Jesus and driving the devils out. To head off any trouble which might be caused by spirits remaining in the place. (Command the demons to leave the people, house and property).

#### **A WORD ABOUT INCENSE**

Believers must be careful about bringing incense into their homes. Most people are unaware that much of the incense sold in curio and novelty shops were manufactured by devotees of the Hare Krishna cult. Their wares are dedicated to this demon god of the Hindus and can cause much trouble.

#### **DOLLS**

The dictionary defines a doll as a small carved or molded figure which served as a cult object or representation of a nursery story, cartoon or puppet character. Dolls were believed to bring good luck to their owners; to make livestock give more milk; help win wars; and heal the sick. In many pagan societies, only witch doctors or medicine men were allowed to handle them. Both *World Book and Britannica* points out those dolls were buried with people and were supposed to be friends and servants in the spirit world.

Roman and Greek girls, in preparation for marriage would leave their dolls on the altar of the temples of Artemis and Diana. To this day multitudes of an idol (demon) worshipers use dolls in pagan religious ceremonies.

#### **DOLLS IN TOLEDO, OHIO - 1980**

One night when my wife was complaining to me about the child's insolence, out of nowhere I said, "Her problems are those stinking doll babies, its witchcraft." The next night

while I was praying for someone's DELIVERANCE, she picked up an encyclopedia to check what it said about dolls! There it was: "origin in witchcraft and magic."

### **A BABY - SEVEN MONTHS OLD**

The Lord began to show us the legal grounds Satan held. It was in his dolls! He had received one for Christmas and a small plastic boy sailor doll at birth. The Lord also told my husband of various stuffed toys (in shapes of animals - whales, dogs and kangaroos), a plastic toy "Big Bird" and matching bib. These were thrown away and curse from them broken. (Look for strange sicknesses or diseases that will not heal in children).

When the Lord commanded that "no graven images" were to be made, He wasn't being cruel and heartless. He knew the damage they could put upon people (Ex. 20:4). The Lord has also shown us that puppets are a deception and the Lord places a curse on those that use deceit (Jer. 48:10).

### **TO EXPEL THROUGH PRAYERS INANIMATE OBJECTS**

In the case of objects dedicated to demons (idols, artifacts, etc.), the best course of action is to destroy them. However, it is well to check secondhand cars, homes, and apartments also because if the former owners had Ouija boards, or other occult paraphernalia, or were involved in serious bondage to sin, then there is every reason to suspect that evil spirits could be lingering behind. These spirits can and will cause trouble to the new owners.

Keep in mind that any prayers offered to anyone or anything other than God the Father, Son and Holy Spirit constitute prayers and/or worship to demons. Very often these are answered in the form of curses, for demons can and do respond to those who request of them. (If you know of demonic prayers against your family, break the curses placed against you).

We suggest that two Believers go on a mission such as this with A Bible in hand. These should be destroyed: Look for little Mexican sun gods, idols, incense, Buddha, hand carved objects from Africa or the Orient, Ouija boards, anything connected with astrology, horoscopes, and fortune telling, and so on. Books or objects associated with witchcraft, good luck charms, or the cult religions (metaphysics, Christian Science, Jehovah's Witnesses, etc.), rock and roll records and tapes all fall in the category of things which have been often loaded with evil spiritual power.

Verbally denounce Satan and his power, and all of his demon hosts and claim authority as a Believer-priest because of the name of JESUS CHRIST and the authority of His shed Blood. (There is more power in the spoken word). Some Scripture which has proven useful in this includes: (Rev. 12:11; 22:3; Col. 2:14-15; Gal. 3:13; Deut. 21:23; 32:5; Num. 23:8, 23; II Sam. 7:29). (Read out loud in the house).

In some cases the door lintel and window sills have been anointed by touching them with olive oil. Other things such as statues have been so anointed in JESUS name and many times the

demonic power is checked or destroyed. Any specific areas of demonic activity or influence of which you are aware should be denounced by name (Prov.3: 33).
