Many in the Christian Church in the west would like to believe that the Devil is dead, or perhaps, he only lives in pagan foreign countries. However, the Devil is alive and thriving in the west. He has a great army of demonic slaves who are very busy capturing millions.

If these so-called "Apostles/Prophets" would spend more of their time in the Scriptures and sitting at the feet of Jesus instead of each other delusions of false visions and dreams, they would find some truth to share to God's people. However, they can be christened as false prophets because their dreams and prophecy do not correspond with the Scriptures and Jesus as the Word of God as its true Lord.

Galactic Alignments are gateways that are created by a particular alignment of the planets and stars of our universe with the Earth. When planets or stars move into a geometrical position in relationship with the Earth, it sets up a communication channel. This channel is a gateway for information to flow through. The more conscious and receptive we are of this available channel, the more we can open to receive, assimilate and utilize this energy and information in our lives.

### SOUND HEALING FREQUENCIES

## Apostle's - Robert Heidler - Planetary Worship

### CHUCK PIERCE SINGING WITH THE SINGING PLANETS

If there is one thing I have learned about the self named apostles and prophets of the New Apostolic Reformation, it is this. It can ALWAYS get weirder. A recent circulating YouTube video clip of Chuck Pierce and Robert Heidler has proved this yet again. This relatively short clip was taken from a larger one in which we see Pierce extolling the virtues of singing with the planets - the sound of heaven. He tells the audience that some of their organs will come alive. What exactly does that mean? He claims that he can see strands of DNA being reprogrammed by the sounds of heaven and that he can see the earth rising up to the sounds of heaven to bring forth the plan of the land. A grey haired lady with the eyes of a cheap fortune teller, makes an appearance a few minutes in and gives a prophesy that I can only describe as creepy. This is followed by strange sounds by a man on stage. I give this a 90/100 on the weirdness scale.<sup>i</sup>

### THIS IS FROM THE NEW AGE PAGE

There are 4 downloads in this package which include the elements of Earth, Water, Fire and Air for a total of 45 minutes of sound healing.

These sounds are produced with the Harmonic tuning tubes and are scientifically attuned to the frequency signature of the planets. They are designed to balance the subtle energies of the body, brain and heart to reintegrate into the larger harmonics of the natural rhythms and cycles of the

Earth and the Universe.

This assists you into a deep relaxed state for better health and enhanced creativity.<sup>ii</sup>

There is no longer any doubt that witches are real and active in modern America. The author asked in the book *Be Free* that was written in the seventies “Do you believe that witches and wizards are real? At that time, Christians hardly believed that demons were real, let alone there were people practicing witchcraft. “All one has to do is keep your eyes on Jesus,” many said, “Another thing, we don’t want to lift the Devil up or give him any credit.” . Meantime, right before our eyes one of the greatest occult explosions was taking place in the history of our country.

Witchcraft was everywhere but somehow the Church people remained willingly blinded and bewitched to it, as well as, its implications to Christianity. “We are Christians, we just want to keep our eyes on Jesus. Meantime, in every area they were being mesmerized by those powers of the world. Christian children were being led into the powers of darkness through cartoons, movies, books, and television, music and computer games. **“In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them,”** (2 Cor. 4:4).

Many Christian leaders have been led into the pathways of all trails lead back to God; or they follow false Christianity which worships other gods. Then many follow a fantasy, Disney World, Better Homes and Garden, false Christianity that preaches everything but the Jesus of Bible.

## **GATHERING ~ SOUL SCALPING BY USING MAGICAL THINKING**

**Fantasy- dramatic magical – Si-fi -- Milky-Way Christianity has arrived.** Synchronism of Christianity with mysticism is now at the center of the world’s stage which I view as an attempt of using dramatic magic to become concepts take their quantum leap to godhood. These ministers are wizards and witches of the New Age. They think of themselves as the sages of the Christian Church to bring it to a new mystical age of supernaturalism to join their gods, the Ascended Masters of the New Age.

What is behind Peter Wagner, Rick Joyner and their followers creating massive festivals on the magical dates such as 07/07/07 and 08/08/08? Are these esoterically oriented men and their followers trying to create the future by using magical numbers? Are they truly Christian men who may be deceived by the powers of darkness or could they simply understand what they are spiritually generating a complete transformation of Christianity into the New Age faith and are simply dupes for the coming New World Christ. Through magical thinking, they have this strange religious doctrine that they will be able to reconstruct the entire world. They believe they are God’s chosen to amend or repair a broken church. This psychopathic behavior that is being motivated by the concentrated force of Satan and demons. They believe they are invincible and make these changes through the occult.

Matt 7:15-21

“Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. 16 Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? 17 Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit. 18 A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. 19 Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. 20 Wherefore by their fruits ye shall know them. 21 Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven. 22 Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? 23 And then will I profess unto them, I never knew you: depart from me, ye that work iniquity. 24 Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock: 25 And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock. 26 And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand: 27 And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it.” KJV

YE SHALL BE AS GOD

<http://www.patholiday.com/radio.php>

In (Gen 3:5), Satan is talking to Eve. He promised her if she would disobey God that she would become like or “as” God. Read the commentary below. Even Satan knew that Adam was NOT a God! “For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil,” (Gen. 3:5 ). [Your eyes shall be opened] Your understanding shall be greatly enlightened and improved; and ye shall be as gods, kee-'Elohiym, like God, so the word should be translated, for what idea could our first parents have of gods before idolatry could have had any being, because sin had not yet entered into the world? The Syriac has the word in the singular number, and is the only one of all the versions which has hit on the true meaning. As the original word is the same which is used to point out the Supreme Being, (Gen 1:1), so it has here the same signification, and the object of the tempter appears to have been this: to persuade our first parents that they should, by eating of this fruit, become wise and powerful as God (for knowledge is power,) and be able

to exist forever, independently of him.<sup>33</sup> Satan did not infer that man could be a “little god,” as some modern ministers teach. Satan said if they disobeyed God, they could be LIKE (similar, similar, equal, equivalent, comparable), to God. Scripture says the Gods that have not made the heavens and the earth *will perish*. If you’re striving to be a God, YOU MUST REPENT! Believe it or not, there are many SO CALLED “Christian” teachers telling Christians that they are “little gods.” They twist the Scriptures to teach this damnable heresy.

**“Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city. 15 For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie. 16 I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star. 17 And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely,” Rev 22:14-17).**

Where do you think Peter Wagner and “his son” Chuck Pierce are getting this New Speak, also known as double speak that they are using and practicing upon blinded Christians? They are taking their script directly from the New Age Movement that is preparing the church for the coming of the Cosmic Christ. TIME GATE 2000 & Galactic Cross Omega

*By Ananda, June 1999, and March-July 2000*

---

**GALACTIC CROSSING**  
**The Zero Point Of 12,900 Years** We are in the Midst of a profound period of history. From July to Autumn 2000 the ending of a momentous event in our planet's precession, is commencing. Amidst this our planet is being swept by record breaking weather patterns, and the Sun is releasing record breaking Coronal Mass Ejections bombarding our atmosphere, and being stirred by "objects" in its proximity. And in the July Time Gate 2000 a major temporal resonance between 2009-2006-2000 is occurring.

Our sun has been drastically changed since the first Time Gate in 1996, when the mathematical Bible code for "end days" renders that year for the end of time beginning. In the Sun Gate conspiracy parts 1. 2. 3. you can view the NASA photographs that show these anomolous objects changing the Sun's north coronal polar hole.

Anomolous objects now remain by the sun constantly, as the NASA SOHO EIT and Lasco photographs show. Amidst the descending wave into Temporal Novelty in Time Gate 2000, the "objects" appeared to be near a massive solar flare, which affected the Earths weather in the days that follow.

Over the last 10 years we have presented and uncovered a plethora of indications of the significance of the year 2012, after Emmanuel alerted me to the year 2011, when I was in my late teens, not knowing any of the evidence that supported it. There is still some time to this event, and our book [The Unity Keys Of Emmanuel](#), explores 2012 in avid detail, in lines with the emerging evidence for the New Universe, from scientific sources.

What about today. We are amidst a most significant pre-script of the Wave to come, ripples in time and space, via the celestial mechanics echoing the last wave 12,900 years before.

December 21st, marked the first solstice to be in the proximity to conjunct the galactic centre (it was also a Time Gate to 2010, in the DNA codon sequence {I-Ching hexagramme} graph of time). We were also to learn, that as our group was "free will" inviting inter-universal man, so a similar link up was made to the Andromedian High Council, via hundreds of peoples invocation. Since, my "contacts" are also Andromedian, it should not surprise one that this occurred synchronized, without awareness of either "contactee". Full conjunction occurs in 2012.<sup>iii</sup>

## **Numerology Explained (Not from Christian Source).**

**Reno Schmalce is not a Christian and is a numberologist. This is being covered from this New Age statements and I have revealed them as a comparison of what these New Mystics so-called Christians.**

<http://www.professionalnumerology.com/numerology.htm>

**Imagine getting up and starting your day in a world without numbers. Like many things, we take numbers for granted.**<sup>v</sup>

**From birth to death, you're a number—and in most cases, a series of numbers. The examples I've just given represent the physical side of numbers, where they're used in some concrete way. Take a case in point—without numbers telephone companies would fold in a very short time. After all, aren't they in the business of numbers?**

**However, there's another side to numbers—an invisible side. In the world of the occult this is known as Numerology, an ancient and accurate science. It seems numbers and Numerology have always existed together. In my large collection of books on this subject,**

authors have given credit to various sources, such as Pythagoras, the Greek philosopher, the ancient Chaldeans, the mystic and mysterious Brahmins of India, and the sages of ancient China.

It's hard to pinpoint exactly where, when, why, and how numbers and Numerology truly began. The common consensus is that it began in ancient history." The references to the seven days of creation in the Scriptures may have been the very first use of Numerology.<sup>vi</sup>

## Chaldean and Pythagorean System

Although the exact origin of Numerology hasn't been truly determined, there are strong clues. The Pythagorean and Chaldean schools of numbers are the most commonly used. Chaldean Numerology is older, but the Pythagorean system of numbers is far more popular especially in the west.<sup>vii</sup>

Pythagoras was considered a master mathematician. Born in Greece in the 6th century B.C., he demonstrated a natural gift with numbers. Many people are familiar with his theorems in geometry. However, he is also considered to be the Father of Modern Numerology. It has been recorded that he spent many years of study in Egypt and other parts of the world learning the ancient science of numbers. He later brought this knowledge back to Greece, where he taught for nearly forty years, and established a college and philosophy of numbers that would bear his name to this very day.<sup>viii</sup>

It was said that Pythagoras taught in secret. That each student, selected with care, had to go through a five-year period of perfect silence for the purpose of contemplation to develop a deep sense of faith. Furthermore, his students had to commit his teachings to memory, for it was forbidden to put any of it in writing. It was only after his death, around the year 500 B.C., that his faithful followers broke with this tradition.

The Chaldean system of numbers—better known as Mystic Numerology—gives us an even stronger clue to the age of this science. Astrology, Numerology, and other occult studies were considered a religion, but not in the way we would know it today. Many Chaldean priests were also famous astrologers. They held the belief that all things were part of Divine Providence, and that the planets were simply heavenly interpreters. In the time of Alexander the Great, around 356 B.C., the Chaldeans believed that their knowledge of Numerology and Astrology went back at least 473,000 years. Perhaps it was no accident that, in time, Chaldea and the occult became synonymous. The Chaldean system of numbers is still in use today.<sup>ix</sup>

There are other schools of Numerology as well, all reflecting their individual places of origin as well as how they're applied. For instance, there were the ancient Brahmins of India. Cheiro (1866-1936), a leading palmist, numerologist, and psychic of his day, credited these mystic men of the East for much of what he knew. In ancient Japan, there's a system known as Ki, based upon certain numerical patterns found in the birth date. This system is slowly coming back into public notice. Then there is the sacred system of Hebrew Numerology, better known as the Kabbalah, which is based upon the meanings of letters and

sounds. And there's still another system coming from Africa that uses numbers for divination purposes. No matter what part of the world we look at, there's a system of Numerology that had its beginnings in the dawn of time.

## Hidden Cosmic Vibrations

This Universe exists in the above Cosmic Energy which has powerful radiations. In addition to this Cosmic Energy there are innumerable energies which have their own radiations and waves (Spandana). The vibration force emitted by every energy has an effect on the radiations of another energy. We cannot see these energies, we can feel them.

For instance, we have radio waves or the T.V. waves which we are not aware of or of their existence around us. In order to know them we have to switch on the button. Similarly every individual emits rays and waves and we can know his radiations through the study of Numerology. His birth date is the clue to find out what type of rays are emitted through him.

## Planets And Numerology

There are nine planets which have greater influence on the human life and each of them has been allotted a particular numerology number. The moment a person is born, he is governed by a certain principal planet and a secondary planet and is governed by the numerology numbers allotted to these planets. He thus starts radiating the vibrations of that numerology number or the planet. Psychology, thinking, reason, emotions, ambition, likes, dislikes, health, career, etc. are all dominated by the numerology number he represents. If this numerology number is in harmony with the number of any other person, he will experience harmonious relationships with the other person. If on the contrary, his number is in opposition to his friends number, the two can never live in harmony with each other.<sup>x</sup>

Numerology has also been attacked for going against the laws and teachings of God. In fact, just the reverse is true. The Bible, the Talmud, the Koran, even the Egyptian<sup>xi</sup>

This is a really good numerology calculator where you can calculate all the vibrations really fast. You can switch between Chaldean and Pythagorean Numerology System

quickly. <sup>xii</sup>

## RICK JOYNER ~ FOLLOWING MAGICAL NUMBERS & BOB JONES & TODD BENTLEY

**Rick Joyner say, “We knew that our gathering on 8/8/08 would be significant, and we were not disappointed. Eight is the number of new beginnings, and we had many prophetic indications that this day was going to release a new beginning for us. It did.”**

**The bride of Christ is called to be without spot, which speaks of her purity. That she will be without wrinkle speaks of her perpetual youthfulness.** Because eight is the number of new beginnings, there was a spirit of renewal present here and it is manifesting in us in many ways. Of course, renewal and refreshing come from the presence of the Lord, and the Holy Spirit will quicken our mortal bodies. Not only are people having their visions and hopes renewed, but many have been feeling and even looking much younger after being in our meetings for a time.

These are also the times when we can expect “signs in the heavens and on the earth beneath” as prophesied in Acts 2:19. The thousands who came to our gathering on August 8 witnessed a significant one. Days before, a high pressure system had been sitting over the area, and the temperatures had been as high as 100 degrees. The night before our gathering, a low pressure system moved through, and cleared the air. When we began our 8/8/08 meeting at 5:00 p.m.,

according to the weather report, it was 88 degrees, and the wind was blowing at 8 mph. Though this is what we prayed for, it is of course far beyond our ability to do something like this. It was a sign from heaven.

August 8 is a special day for my family and our ministry. My daughter Amber's birth was prophesied by Bob Jones in 1988 to come on August 8 and that she would weigh 8 pounds. Bob prophesied this two years before she was born on August 8, 1990, at about 8:00 a.m. She weighed 8 pounds just like we had been told. The prophecy was that she would be a sign of a new beginning that was coming to the church. That new beginning is here! Amber turned 18 on 8/8/08, which is the age of maturity, and we can expect to see the new breed of ministry that the Lord has been promising to now begin to emerge into their purposes.

It was also in 1988 when Bob Jones was told by the Lord that he had "lost his marbles in the garden," as a metaphor of how mankind had lost its mind at the Fall in the Garden of Eden. Bob was also told that he would begin finding marbles in his literal garden that he planted each year, and they would each be a prophecy. On the day of Amber's birth, Bob found marble number 8, and it was amber in color. Amber is the color of the glory of God and represents the coming of His glory to His people. In fact, we need to see His glory to get our sanity back and that is precisely what this new beginning is going to reveal—the glory of God.

When we were given this prophecy, Julie and I were not expecting to have any more children. Many Christians have likewise ceased to expect any more from God, but He has other plans! You may think your time of bearing fruit is over, but it does not matter how old you are because we have been given a new beginning. You have been given a new beginning. This is a new day! We, the church, are not going to be the same from this time forward. A great change has come, and though it may take some longer than others to recognize it, with some resisting it (as is always the case), a new thing has been released, and we will not be the same again.

### **Greater Signs and Wonders**

We have seen more healings, miracles, and supernatural signs in the last sixteen weeks than we have in the last sixteen years—and we have experienced a lot in the past! We continually walk around in awe now, and this is without question a new level for us, but I also think it is just one more step back to what should be normal church life. This "new beginning" is actually a return to the "ancient paths," the path of life that the church in the first century began to walk on before it was diverted from its course.

Nothing on this earth is as wonderful as knowing the Lord and watching Him do the wonderful things that He does. These are truly the days of miracles and wonders. As awesome as 8/8/08 was, and as our nightly Breakout Meetings are, He keeps on telling us to get ready for more! We still have not seen the birth, but what we have been experiencing are the last spiritual contractions, or birth pangs, before the birth. Again, this is not just about MorningStar or the Lakeland Outpouring, it is far bigger. True revival is coming to America!

**TODD BENTLEY'S "OPENING THE STARGATE TO THE FUTURE" OF FALSE PROPHETS ~ EXPOSURE!**

### Todd Bentley's Ministry on 8/8/08

We were very excited about having Todd Bentley back with us for the gathering on 8/8/08. Todd has stirred up the church like few others in recent times. There are also very few who are neutral about him. Immediately, unprecedented excitement and threats about Todd were coming. The threats encouraged us even more that this was from the Lord, but in these times, they must be taken seriously, and we prepared for a move of God and attacks from the enemy. As most of us have learned, the greater the move of God, the greater the attacks usually are.

We had food vendors, different exhibition tents, and bookstores set up and ready early in the morning, and people started coming just after 9:00 a.m., even though the main service was not scheduled to start until 5:00 p.m. By noon, the crowds were getting large, and everyone seemed to be having a great time in the festival atmosphere and the incredible weather.

When the meeting began, the presence of the Lord was heavy, and as often happens in our meetings, many people's eyes were opened to start seeing things in the spiritual realm. To see the energy and zeal on the crowd was most encouraging, and though there was plenty of room for everyone to sit, thousands actually stood for the entire five-hour meeting.

I have known Todd for years and have spoken at his conferences just as he has spoken at ours. However, he was as anointed that night as I've ever seen him, and he said it was the strongest he had felt for some time. His message was both profound and anointed. The ministry time was powerful, and many people, some of whom we knew, were healed. There were also what the Scripture calls **“noteworthy miracles”** (see **Acts 4:16**). When it was over, everyone on our team and everyone I talked to afterward said that the day had exceeded their expectations. God had no doubt smiled on this gathering in a remarkable and prophetic way. The DVD sets from that night will be classics.

What will be happening at MorningStar? I will address that in a bit more depth also, but we received a new commission on 8/8/08, and we are going higher, deeper, and further. We are close to the birth of something we were created for, that we believe will begin this fall, around September 21. We have been given that date like we were 8/8/08 and it is not a coincidence that this date is exactly six months after the Honoring the Father's Conference we hosted with WhiteDove Ministries. Because of this, we moved our Harvest Conference to begin on September 18, and the Worship & Warfare Conference to begin on September 22, so September 21 will be the Sunday in-between. Come to either or both of these if you can, and you may be a part of history.<sup>xiii</sup>

**Five has an ominous meaning in the occult realm: In the occult world, the number '5' is the number of Death!**

**MAY IS THE FIFTH MONTH OF THE YEAR!**

"As to the significance of thirteen, all are aware that it has come down to us as a number of ill-omen. Many superstitions cluster around it, and various explanations are current

concerning them. **13 ~ According to authors Bullinger & Vallowe, the number 13 represents Depravity & Rebellion (1 + 3 = 4).**<sup>xiv</sup>

**E.W. Bullinger writes: "Unfortunately, those who go backwards to find a reason seldom go back far enough. The popular explanations do not, so far as we are aware, go further back than the Apostles. But we must go back to the first occurrence of the number thirteen in order to discover the key to its significance. It occurs first in Gen. Xiv. 4, where we read 'Twelve years they served Chedorlaomer, and the thirteenth year they REBELLED.' "Hence every occurrence of the number thirteen, and likewise of every multiple of it, stamps that with which it stands in connection with rebellion, apostasy, defection, corruption, disintegration, revolution, or some kindred idea."**<sup>xv</sup> Interestingly, the Beast is shown in (Rev. 13:1).

### **SUMMER SOLTICE ~ and Angel Worship~ WHICH JESUS DO YOU FOLLOW?**

Todd Bentley announced that his angel god has told him "something special will happen on the **21<sup>st</sup> of June 2008.**" Well, this is **Sumer Solstice**, a worldwide worship day for all witches, Satanist and New Breed Christians.

**June 21<sup>st</sup>** is the 172nd day of the year (173rd in [leap years](#)) in the [Gregorian calendar](#). There are 193 days remaining until the end of the year.

On certain years, but not every year, this day marks the [summer solstice](#) in the [northern hemisphere](#) and the [winter solstice](#) in the [southern hemisphere](#), and thus is the day of the year with the longest hours of daylight in the northern hemisphere and the shortest in the southern hemisphere. In astrology, it is the [cusp line](#) between [Gemini](#) and [Cancer](#).

On the 23<sup>rd</sup> of June, 2008, Bentley said that Peter Wagner and many leaders are coming to Lakeland to lay their hands upon him and put their stamp of approval on the revival.

**(1 Tim 4:1-2), Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; 2 Speaking lies in hypocrisy; having their conscience seared with a hot iron . . ."**

### **RICK JOYNER AND QUESTIONABLE PRACTICES**

Rick Joyner said in his latest bulletin:

".... We are close to the birth of something we were created for, that we believe will begin this fall, around September 21. We have been given that date like we were 8/8/08 and it is not a coincidence that this date is exactly six months after the Honoring the Father's Conference we hosted with WhiteDove Ministries."<sup>xvi</sup>

Because of this, we moved our Harvest Conference to begin on September 18, and the Worship & Warfare Conference to begin on September 22, so September 21 will be the Sunday in-between. Come to either or both of these if you can, and you may be a part of history.

*[Endtimes notes - Does 21st September have any significance?*

*In ancient Greece, it is the eighth day of the [Eleusinian Mysteries](#).*

*It is also United Nations Global Peace Day.*

*Importantly, it is the date of Maltese Independence and the Knights of Malata celebrate it: <http://stjohnscocathedral.com/news-events.html>*

*But even more importantly Sept 21st is the autumn equinox called 'Mabon' (The god of YOUTH - note Joyner's previous comments on youth). It is one of EIGHT wiccan days and is a wiccan harvest festival called 'The Witches' Thanksgiving'. It has a festival like atmosphere. It is also called Harvest Home, the Feast of the Ingathering, or Thanksgiving - so it is a corrupted pagan festival. Respect is given to the coming darkness (of the winter) and The Dark Mother is honored, the Crone aspect of the triple goddess (a corrupt blasphemous trinity). HUGE BONFIRES ARE LIT. Rituals to thank the growing energies of the God and the fertility of the Goddess are performed. It was celebrated along with Michaelmas by some, the feast of Michael the archangel, so it would be interesting if the angel Michael is mentioned at Joyner's gathering (eg as a 'prophecy') as that would be even more indication of the event's real roots ....]*

“.... We will have midnight bonfires...” said Joyner.

See the occult connection concerning bonfires also known as bone fire.

(A bonfire is a large controlled outdoor [fire](#). The word is a contraction of "bone fire" (cf. for example "kostjor" in Russian - from "kost" meaning "bone"). The practice is believed to derive from the [Celtic](#) festival of [Samhain](#) when animal [bones](#) were burnt to ward off evil [spirits](#).

In [Great Britain](#), bonfires are particularly associated with [Guy Fawkes Night](#) (also known as [fireworks night](#) or [bonfire night](#)), an annual commemoration of the discovery of the [The Gunpowder Plot](#) on [5 November 1605](#). In [Sussex](#) they are particularly associated with the execution of [Protestant martyrs](#). In [Northern Ireland](#), they are associated with celebrations on the anniversary of the [Battle of the Boyne](#), which took place on [12 July 1690](#). Along with the [Maypole](#), it is an important component of the [Wiccan](#) and [Neopagan](#) celebration of [Beltaine](#), also known as [May Day](#). In the [United States](#), a bonfire is often held at the end of a [Homecoming](#) rally.

On [Christmas](#) Eve in Southern [Louisiana](#), bonfires are built along the [Mississippi River levees](#) to light the way for [Santa Claus](#) as he moves along the river with his skiff pulled by eight [alligators](#). This tradition is an annual event in [St. James Parish, Louisiana](#).) <sup>[1]</sup>

*{This bonfire is the proof that many of these guys are pagans/witches! This is not an innocent coincidence that they just so happen to have bonfires on a pagan festival day on the second most important date in the Wiccan calendar - and at MIDNIGHT at that (this has even more significance) - and that Rick Joyner has used other buzzwords when describing the event such as “festival” and “Ancient paths” and “harvest conference” and “youth” (the god Mabon) as well as using all the numerology related to 8 and Saturn! Note that many of these guys are not just innocently deceived, they are deliberate deceivers in the craft!} roaming worship and ministry teams, and other events that will create a festival atmosphere that is conducive to members of the . . . body getting to know one another. Many important bonds between them will begin at this event. This one really could be historic, and I wouldn't be surprised if there were 8,88 that come....”<sup>xvii</sup>*

Look at the “prophecies” of Todd Bentley and his co prophet, Robb Deluca shown on Youtube:

The Role of Prophecy is NOT SHOWN in the Bible as men **“creating with their words”** things that will happen on this earth. Yet, Todd Bentley and Bob Deluca are “prophesying creation words to bring forth **their false strange fire revival”** throughout the world see the above YouTube's.

Notice day May 13, 2008: they admit that belief if they speak words they will bring the things that they speak from the spiritual world and create them into the worldly sphere. Todd Bentley says, on the below Youtube, **"do you understand that we are creating with words . . . the prophetic is creating with words.** Jesus said, 'let there be light, there was light. We can create. . . There is an atmosphere being created,' he is very animated at this time. "And as before there are many that have said these words. . . . What's coming . . . what's coming? What's coming? **It's here and there's a whole new realm of decreeing a thing today,**" Bentley screamed, his head bobbing violently, arms thrashing furiously “It's not like when Paul Cain saw the stadiums filled and we heard about it . . . and we heard about it. . . . “Bob Delucca, interrupts shouting, "It's here now. . . . It's here now..."  
WHATEVER (IT) IS. (The gift of Prophecy is given by the Holy Spirit and He is NOT AN IT!

**GOD OUR LORD JESUS CHRIST IS THE POWER OF GOD!**

(Eph 1:16-22), **“Cease not to give thanks for you, making mention of you in my prayers; 17 That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him: 8 The eyes of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints, 19 And what is the exceeding greatness of his power to**

usward who believe, according to the working of his mighty power, 20 Which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places, 21 Far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come: 22 And hath put all things under his feet, and gave him to be the head over all things to the church, KJV

## WAR AGAINST POWERS OF DARKNESS

(Eph. 3:9-11), **“And to make all men see what is the fellowship of the mystery, which from the beginning of the world hath been hid in God, who created all things by Jesus Christ: 10 To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God, 11 According to the eternal purpose which he purposed in Christ Jesus our Lord:”KJV**

Christians can bind and loose supernatural powers according to the Bible. “Verily I say unto you, Whatsoever ye shall bind on earth shall be bound in heaven: and whatsoever ye shall loose on earth shall be loosed in heaven.” (Matt. 18:18). The things Christians must loose from the Devil’s power according to the Bible. Nation, state, cities, community, geographical areas, church, family individual members of family, relatives, professions, vocations, businesses, education, finances, physical health, mental health. (Lk. 13:12). We war against the powers of darkness. Satan tries to tie and destroy the plans of Jesus. We command him to loose all controls from his powers. Our spiritual power is the greatest force in the universe because it is source of power is God Himself. “God has spoken once; twice have I heard this that power belongeth unto God,” (Ps. 62:11).

**This is what spiritual warfare is about. Jesus must be the center of a person’s life. One must know Him from the stand point of the power of the Word of God, because of His triumph, His people can win their war.** <sup>xviii</sup>

(Isa. 60:2), “For, behold, the darkness shall cover the earth, and gross darkness the people: but the LORD shall arise upon thee, and his glory shall be seen upon thee.”

Jesus is coming soon!

In the Name of the Lord Jesus Christ, I loose myself and my family members from any curses from my involvement in strange wild fire, false gospel and witchcraft. I command all related spirits to come out of HOME now, .

Father, in the Name of the Lord Jesus Christ, I call upon You to loose me and my family line from any spirits that have gotten into our false praise and worship. I take back any part of my body that the enemy is using to mix worship with. Father in the Name of the Lord Jesus, I command spirits of divination, familiar spirits and death spirits that are being unleashed by the blinded prophets of doom to LEAVE my home and state in the name of the Lord Jesus Christ.

Father in the Name of the Lord Jesus Christ, I take authority over spirits of false prophecy, false gifts, and false inherited gifts of the spirit realm counterfeiting the Holy Ghost, false dreams and visions, I cast them out in the Name of the Lord Jesus Christ.

In the Name of the Lord Jesus, I take authority over the strong man of these false religious spirits and command them to be bound in Jesus Christ. Also I command the objects (MAGIC STAFFS) used or sorcery used to lose its control and power over every church, government, state, city, person, family or congregation to be bound in Jesus' Name.

(Gen. 3:5), "For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil."

In the Name of the Lord Jesus Christ, I lose myself and my family, church, government, state, city, person, family or congregation to be under the protection Jesus Christ and His authority, and I command the powers of every false prophet that is practicing witchcraft word curses and using magic wands to strike various places to bring these demonic words into force to be broken and bound concerning all storms, fires, floodings tornadoes, and earth quakes. I command all demons associated with these spells, hexes and curses to obey the powers of Jesus AND BOW THEIR KNEES TO HIS NAME now IN JESUS' NAME.

(Ezek. 13:20), "Wherefore thus saith the Lord God; Behold, I am against your pillows, wherewith ye there hunt the souls to make them fly, and I will tear them from your arms, and will let the souls go, even the souls that ye hunt to make them fly."

(I Sam. 8:19), "And when they shall say unto you, Seek unto them that have familiar spirits, and unto wizards that peep, and that mutter: should not a people seek unto their God? For the Living to the dead?"

(I Sam. 8:20), "To the law and to the testimony: if they speak not according to this word, it is because there is no light in them."

(2 Tim. 4:1), "I charge thee therefore before God, and the Lord Jesus Christ, who shall judge the quick and the dead at his appearing and his kingdom."

(Ezek. 13:19), "And will ye pollute me among my people for handfuls of barley and for pieces of bread to slay the souls that should not die, and to save the souls alive that should not live, by your lying to my people that hear your lies?"

Father, in the Name of the Lord Jesus Christ, I command the spirits in the drums and trance music that conjure up demons to be broken and bound in the Name of Jesus Christ. and reverse them from the left hand of demonic bondage and translate them into the kingdom of God's dear

Son, who is seated on the right hand of the Father, where I am now seated also in heavenly places.

(Psa. 9:9-10), "The Lord also will be a refuge for the oppressed, a refuge in times of trouble. And they that know thy name will put their trust in thee: for thou, Lord, has not forsaken them that seek thee."

(Psa. 11:6), "Upon the wicked He shall rain snares, fire and brimstone, and an horrible tempest: this shall be the portion of their (the wicked) cup. Thank You Lord for Your divine protection and we pray for the lost, deceived people in America to receive the true Jesus Christ and bind men's judgments over their souls.

Thank you Jesus.

It's only 4 years away until 2012, and we can either view alien contact as an opportunity to HELP steer us in the right direction for our 2012 evolution, or we can see it as making us all the more vulnerable to aliens that have a self-made master plan for our species... it all depends on the public's mindset and intention. If we are mostly fearful or doubtful of harmony with these aliens, we are inviting the negative ones, but if we can get the SUBTLE help we need to open humans to their true selves and harmonious intentions then we can be ready for positive contact. A lot of the media has portrayed a negative view towards aliens and I think we need to introduce new perspectives. Positive, loving extraterrestrials have been waiting patiently for us, and maybe they have been sending us anonymous help for a long time, which is the most considerate way to help humanity/individuals. But now, just the mere CONTACT with extraterrestrials is what a lot of us want, but still this still is only a percentage of individuals, and then what percentage of these individuals are truly READY for harmonious cooperation/contact, or just acceptance? It won't happen until we are all ready! It's only from our public choice/invitation that they will 'arrive' and help us out. Do we limit this contact to only extraterrestrials that are trying to help us with things like the environment and our opening of consciousness with things like technology, or are we just making the statement of opening our awareness to the galaxies, and they can come and go from their own accord? Because some of us were once these alien species ourselves in past lives/future lives, so it's only a matter of WHAT WE THINK THE EARTH AND HUMANITY AS A SPECIES NEEDS, not us personally, that will be the safest step into contact, and the government has probably been doing this all along anyway. But if the public PERSONALLY wants contact then that means that we are evolving and our DNA craves it, which is a good sign... but in doing this we are trusting these more advanced life forms because we can't understand them and their intentions unless they make them clear themselves, being more advanced. So then the question of whether they are 'service to self' or 'service to others' beings comes into question, and how can we filter out the ones we don't wish to have presence among

the public? There are a lot of things going on under the noses of humans that we are not capable of being aware of yet (having to do with our own selves as well related to ancestral memories encoded into our DNA), and I'm excited to see the public grow more attuned to the subtle rhythms/patterns and events that have been shaping humanity to this day, as well as opening up to our higher selves as a species so that we can speed up time, together, toward 'the golden age' and beyond!! :)

No government can represent its people when acting surreptitiously and in secret. I was never offered the choice to enter into any sort of agreement with groups not of planet Earth. Therefore, any past or current agreements of this sort are null and void. Those representing our governments and those representing the off-planet groups are totally out of integrity and through their covert dealings have violated natural law. I refuse to participate in such behavior and with my sovereign will declare myself immune from any and all agreements instituted without my consent.

The time for ridicule on this subject has to end. There are many intelligent and reputable people who have a story to tell concerning this subject. Too easily are people ridiculed on this subject when their story is told. Pilots with thousands of hours flight experience who are trained in observation of the skies risk losing their job just by reporting that they have seen craft which do not appear to be of earthly origin. That they become "mentally unfit" to carry on their job if they have reported this. There is a great deal of evidence that there are craft traveling in our atmosphere which defy current physics as we know it. There are radar readings which have been shown at the Disclosure Project News Press Conference held in 2001. Radar readings which show that the target would go from 0 to thousands of kms per hour instantaneously and make 90 degree turns at speed. There are NASA videos which show unknown objects traveling in space which deserve proper attention and debate. There are photos of the "Battle of Los Angeles" event in which a craft of unknown origin was targeted and shot at with anti-aircraft weapons and, in which, after some time was unsuccessful in bringing the craft down. The craft moved off at its own leisure. There are radiation readings from claimed landing sights. And the crop formation phenomena shows that the most puzzling formations present absolutely no damage to the crops even though the plants have been bent up to 90 degrees at the stem. Most of these formations have been made over 1-2 nights. The sheer complexity of many of these formations defies any claims that they can be made with a simple combination of rope and a wooden plank. The "UFO" subject receives the highest amounts of hits on the web next to pornography. People want to know about the possibility of extra-terrestrial life. If there is no evidence of extra-terrestrial life, then why is it so heavily ridiculed throughout day to day conversations and within the mass media? The time for freedom of information concerning this subject is well over due. If there is nothing to hide, then why not move for freedom of information on this subject? Why not allow those within government and military programs immunity to speak freely on this subject without criminal repercussions for speaking of what they had experienced. This is a serious area of scientific investigation and needs to be treated as such. If three peoples testimonies are enough to prove President Clinton to be an adulterer, then why are not over 400 government and military employees speaking of their experiences on this subject not enough to, at least, open the gate for freedom of information on this subject and a national inquiry concerning this? Does addressing this subject not have a risk of ridicule attached to it? Just ask yourself. How would you be received for speaking about it? Look at the evidence and act accordingly. Propaganda is not a new tactic, why is it that people are so scared to speak about this in government? Perhaps most of what we see within the mass media shapes our views concerning this matter?

As a contactee with benevolent human appearing E.T.'s, having been physically taken on board their Merkabah Light Ship twice and having these same beings literally save my life against the "cabal" or Earth secret government, I think this is a very exciting and awesome historical moment (as does my Friends Upstairs!!!!). These very advanced "Space Brothers" who belong to only one of many Commands within the Universal Federation or Intergalactic Confederation of Worlds, referred to as the Ashtar Command, have told me many years ago that the citizens all over this planet "would eventually rise up in strength and sovereignty, and demand for the cover-up to finally be over." They also had told me that ultimately they would manifest at some point in mass over this planet because of a need for "planetary Divine Intervention" to help back up and support for the people's of this planet (as in a form of "Cosmic Solidarity" and to usher in an era of more open Intergalactic Cultural Exchange. Having been born in this lifetime without the

"Cosmic Amnesia Veils" over my mind, I was able from the time my soul was born upon this planet through my biological Earth parents, to remember my own Cosmic past and that I and literally millions of other fellow advanced extraterrestrial souls of Light, took physical embodiment to help with this upcoming planetary transition. I also remember, specifically, having chosen to incarnate upon this planet to help Prepare the rest of humanity for this most important historical moment when "Intergalactic Cultural Quarantine" would finally be brought to an end. It is my perception that these millions of fellow Volunteers, who are scattered throughout this planet are rapidly beginning to position themselves, as "Cosmic Planetary Transition Team Members", to help set the stage for more open mass contact, which most souls have recently termed "First Contact". My fellow Volunteers, who have been referred to by many different terms, such as Star People, Wanderers, Walk-Ins, Indigos and Crystal Souls, are all beginning to Cosmically Awaken to what I have always known would one day occur. I am about to publish a powerful book within a few weeks, specifically upon this subject of planetary Divine Intervention. I remembered this plan and Sacred Promise, prior this life, as was discussed in the Higher Councils, that these very benevolent and beautiful human appearing E.T.'s would definitely return for not only those of us who are completing our Missions of Planetary Liberation, but for any one else here on Earth who wants to peacefully explore other worlds. My physical encounters with these same beings I had known prior to this Earth life have reverified and reconfirmed this Sacred Promise of their imminent plan of Divine Intervention, which also includes waves of worldwide evacuation, not really so much as an "emergency scenario", but more like "Cosmic R.& R. Vacations" for those who are ready to travel to these more advanced worlds. For those who would like to be informed when my book is available for obtaining copies, either as a paperback copy or as an E-book, check out my own web site, ChannelForTheChannels.com.

The public who pays for their governments to serve them have a right to know the truth especially about extraterrestrial life of which it seems many are far more advanced than us technologically and spiritually - we could learn a lot from them.

Some honest research and an open yet skeptical mind is required by those in government that have to power to delve deep into the enigma that is the UFO cover-up. Please, it is time the world was aware of our place in the universe. Save the planet from self pollution and destruction

by taking the first step in outing the cover-up and the technology to help the earth will undoubtedly soon follow.

I am more than ready to come to my own full realization of what it is to be a galactic citizen here and now. A Galactic Freedom Day can shove away the repression of low expectations/insights as a beginning for many humans to take control of their own personal evolution in Let's do it together!

It's way past the time this was all brought out. I just wish amnesty could be given to the brave who come forward for humanity. We need to move ahead, or we will fall behind.

Secret agreements need to end. The public education system only teaches 4% of the knowledge, the rest is monopolized by secret organizations. Why use oil when hydrogen based fuel existed for a long time? It would be great to know who's visiting us so we can protect ourselves from whatever germs we have no immunity to that they may carry, as well as other civilizations. Technologically however we can't rely on them to be dumb enough to give us capacity to outcompete them, we need to mine space, build ultra powerful supercomputers that are measurable in Yhtz (Yocto hertz) to solve more problems with maximum accuracy, attach said computers to element detectors and telescopes, and exponentially increase our wealth and civilization level by such means to deal with them on equal terms.
