Georgetown Says It Covered Over Name of Jesus to Comply With White House Request<sup>1</sup>

On Wednesday, CNSNews.com inspected the pediment embedded in the wall at the back of the stage in Gaston Hall, where Obama delivered his speech. The letters "IHS" were not to be found. They appeared to be shrouded with a triangle of black-painted plywood.

Pictures of the wooden pediment prior to Obama's speech show the letters "IHS" in gold. Many photos posted on the Internet of other events at Gaston Hall show the letters clearly.

The White House did not respond to a request from CNSNews.com to comment on the covering up of Jesus' name at Gaston Hall.

Roman Catholics traditionally use "IHS" as an abbreviation for Jesus' name. According to the Catholic Encyclopedia, "St. Ignatius of Loyola adopted the monogram in his seal as general of the Society of Jesus (1541) and thus became the emblem of his institute." The Society of Jesus is the formal name for the Jesuits.

(CNSNews.com) - Georgetown University says it covered over the monogram "IHS"--symbolizing the name of Jesus Christ--because it was inscribed on a pediment on the stage where President Obama spoke at the university on Tuesday and the White House had asked Georgetown to cover up all signs and symbols there.

As of Wednesday afternoon, the "IHS" monogram that had previously adorned the stage at Georgetown's Gaston Hall was still covered up--when the pediment where it had appeared was photographed by CNSNews.com.

**When Hitler came to power, pastors actually put swastikas upon their altars to show him that they were standing with him!**

"In coordinating the logistical arrangements for yesterday's event, Georgetown honored the White House staff's request to cover all of the Georgetown University signage and symbols behind Gaston Hall stage," Julie Green Bataille, associate vice president for communications at Georgetown, told CNSNews.com.

**"The White House wanted a simple backdrop of flags and pipe and drape for the speech, consistent with what they've done for other policy speeches," she added. "Frankly, the pipe and drape wasn't high enough by itself to fully cover the IHS and cross above the GU seal and it seemed most respectful to have them covered so as not to be seen out of context."**

Although the monogram was covered over on the wooden pediment at the back of the Gaston Hall stage where it would have been directly above and behind President Obama as he spoke,

<sup>2</sup> *(AP Photo/Gerald Herbert)*

the letters "IHS" are posted elsewhere around the hall approximately 26 times on shields representing different parts of the United States and the world.

Obama did not mention the name of Jesus during his address. However, he did mention Christ's Sermon on the Mount.

"There is a parable at the end of the Sermon on the Mount that tells a story of two men... 'the rain descended and the floods came, and the winds blew, and beat upon that house... it fell not: for it was founded upon a rock,'" Obama said.

"We cannot rebuild this economy on the same pile of sand," he added. "We must build our house upon a rock."<sup>3</sup>

### ***THE MAN OF SIN ~ ANTICHRIST SPIRIT***

*President Obama and Georgetown University President John J. DeGioia both fulfill the express definition of the having the Antichrist spirit by their evil actions as shown above.*

*Christian church, Antichrist acts as God-taking upon himself God's titles and attributes, and arrogating to himself the authority that belongs to the Most High.<sup>4</sup>*

*The words hoos Theon , as God, are wanting in ABD, many others, Erpen's Arabic, the Coptic, Sahidic, AEthiopic, Armenian, the Vulgate, some copies of the Itala, and the chief of the Greek fathers Griesbach has left them out of the text, and Professor White says, Certissime delenda; "They should most certainly be erased." There is indeed no evidence of their being authentic, and the text reads much better without them: So that he sitteth in the temple of God, etc.<sup>5</sup>*

Throughout. history at recent despots and tyrants such as Hitler, Mussolini, Stalin, and Mao, what is most notable is that these rulers used an extensive legal system to control the people. They used massive legal apparatuses; courts controlled by party loyalty rather than impartial justice and legalized punishment for all categories of violations of newly designed laws, minor and major. It was through the means of these changed laws that these dictators gained excessive control over the lives and "religious devotion" of the populace they held their nations in subjection through threats of punishment or death and heightened fear of exposure through an extensive network of spies. Hitler used the law to establish his dictatorship, and then passed laws

Is Obama or people connected to him trying to portray him as a god or even may that particular personality known as the Antichrist?

NOW WE BESEECH YOU, BRETHREN, BY THE COMING OF OUR LORD JESUS CHRIST, AND BY OUR GATHERING TOGETHER UNTO HIM, 2 THAT YE BE NOT SOON SHAKEN IN MIND, OR BE TROUBLED, NEITHER BY SPIRIT, NOR BY WORD, NOR BY LETTER AS FROM US, AS THAT THE DAY OF CHRIST IS AT HAND. 3 LET NO MAN DECEIVE YOU BY ANY MEANS: FOR THAT DAY SHALL NOT COME, EXCEPT THERE COME A FALLING AWAY FIRST, AND THAT MAN OF SIN BE REVEALED, THE SON OF PERDITION; 4 WHO OPPOSETH AND EXALTETH HIMSELF ABOVE ALL THAT IS CALLED GOD, OR THAT IS WORSHIPPED; SO THAT HE AS GOD SITTETH IN THE TEMPLE OF GOD, SHEWING HIMSELF THAT HE IS GOD," ( 2 THESS 2:1-4). KJV

*[Who opposeth and exalleth] He stands against and exalts himself above all divine authority, and above every object of adoration, and every institution, relative to divine worship, sebasma , himself being the source, whence must originate all the doctrines of religion, and all its rites and ceremonies; so that sitting in the temple of God-having the highest place and authority.*

What is common to dictators is not only that they want absolute power over the lives of others; but that they want to extinguish freedom of thought, speech and opposition and true debate. They want to control human behavior and they demand ultimate and complete allegiance from all who surround them. Any person found to waver in his support is removed from power, arrested and executed. Mao's "re-education" camps were an attempt not only to control the behavior of the opposition, but to control the thoughts of the heart and mind to force them into abject obedience. In short, demagogues demand a godlike obedience that not even God requires of his subjects.

The irony is that despots use the laws of the land to justify their lawless behaviors. Hit squads, abductions, assassinations and torture become part of the arsenal of the State in its quest for security and secrecy. It isn't just for matters of national security, but these forces of intimidation and murder are used to eliminate perceived enemies as well as those who only disagree with their policies. The extreme examples of the misuse of the law for evil purposes are genocides [the Holocaust or persecution of a race of people, the Gypsies, e.g.], forced sterilizations of people determined to be "inferior," for imprisoning opposition parties, and for enforcing personality cults, like Maoism or Führer worship. **In other words, the law, or the power of law, is misused**

<sup>6</sup> Ibid

**by despots to cloak evil behaviors.** It is these misuses of the law, to make what is evil appear to be good, that is at the heart of lawlessness.

In some ways, Hitler had the appearance of good things. He taught children to respect their elders, he restored the economy, and he suppressed public immorality. Yet at the root of his "order" was a craving for personal and absolute power over the lives of others. If we take Hitler as an example, we can see that the heart of lawlessness will flourish in a State with many laws. Laws create power, and laws misused can reinforce injustice.

## **HE THINKS TO CHANGE LAWS ~ ANTICHRIST ~ MAN OF SIN**

**OBAMA'S CHANGE**

**"MAN OF LAWLESSNESS"**

**President Obama will continue the back-and-forth of presidents before him by using the Roe v. Wade anniversary to allow non-governmental organizations working abroad to use U.S. funding to give counseling on or provide abortions.**

Deesillustration.com

Since the Apostle Paul says, this "Man of Lawlessness" will be one "who opposes and exalts himself against every so-called god or object of worship, so that he takes his seat in the temple of God, proclaiming himself to be God," we can surmise that he will have the power to enforce absolute obedience and worship over all his subjects. He can only enforce such control over people through a worldwide legal and governmental system which has the power to kill or imprison all of those who oppose him. For this reason, the "Man of Lawlessness" will have the appearance of morality and be a man of many laws.

**Dan. 7:25 And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time.**

**Senate votes to expand federal hate crimes law and The House in April approved a similar bill and President Barak Obama has urged Congress to send him hate crimes legislation, presenting the best scenario for the measure to become law since Sen. Edward Kennedy, D-**

Mass., first introduced it more than a decade ago.<sup>7</sup>

Opponents of the bill, including conservative religious groups, argued that it infringes on states' rights and could intimidate free speech.

"The bill could potentially imperil the free speech rights of Christians who choose to speak out against homosexuality - which could even be extended to preaching against it," The Christian Coalition of America said in a statement.

Supporters countered that prosecutions under the bill can occur only when bodily injury is involved, and no minister or protester could be targeted for expressing opposition to homosexuality, even if their statements are followed by another person committing a violent action.<sup>8</sup>

### **"PEDOPHILE PROTECTION ACT" WILL SNEAK INTO SENATE AMENDMENT**

Senate Majority Leader Harry Reid (D-NV), added the "Matthew Shepard Hate Crimes Prevention Act," (which is better known to conservatives as the "Pedophile Protection Act,") to his short-term legislative list Monday, by saying he was "committed" to a Senate vote on hate crimes legislation before the August recess. The pro-homosexual newspaper Washington Blade reported the vote could happen as early as this week, but staffers at Senator Kennedy's office denied that claim, giving us a few more days to act.

The pro-homosexual, anti-faith bill, sponsored by Senator Ted Kennedy (D-MA) and pushed hard by the Obama Administration, was until recently labeled S. 909 "Local Law Enforcement Hate Crimes Prevention Act." But it faced such strong resistance by conservatives (including threat of filibuster or faith-protecting amendments by pro-faith Senator Jim DeMint, R-SC), so instead Democrats have announced they will soon hide the bill as an amendment to another "must-move" bill, denying committee hearings, and completely side-stepping the Republicans right to debate and amend.

### **547 SEXUAL DEVIANCES TO BE PROTECTED BY FEDERAL MARSHALS**

**The forthcoming "poison pill" amendment will mirror a House bill H.R. 1913, already passed 249-175 along strict party lines, which makes "sexual orientation," "gender," and "gender identity" into federally-protected classes under the law, and codifies federal protection of up to 547 types of sexually deviant behaviors, including:**

**\* Incest - sex with one's offspring (a crime, of course)**

- \* **Necrophilia - sexual relations with a corpse, also a crime**
- \* **Pedophilia - sex with an underage child, another crime**
- \* **Zoophilia - a crime in numerous states**
- \* **Voyeurism - a criminal offense in most states**
- \* **Fronteurism - a man rubbing against an unknown woman's buttocks**
- \* **Coprophilia - sexual arousal from feces**
- \* **Urophilia - sexual arousal from urine**

Attempts by House Republicans to add amendments stating "pedophilia is not protected as a sexual orientation" were specifically blocked and defeated by House Democrats. Lesbian Congresswoman Tammy Baldwin (D-WI) expressed opposition to excluding pedophiles from the bill, and Democrats voted with her to strike any child-protection amendment. She claimed that pedophiles would not be defined within "sexual orientation," but wouldn't put that in writing, and refused to define that phrase "sexual orientation," which according to the American Psychiatric Association includes all 547 sexual deviances listed in their DSM-III manual of clinical psychoses, including pedophilia, so now thanks to most Democrats, child molesters will be protected by federal law.

### **QUOTING THE BIBLE IN CHURCH WILL BE PUNISHED**

Not only will sexually deviant behaviors gain legal protection, this legislation also lays the legal foundation to investigate, prosecute and persecute pastors, youth pastors, Bible teachers, and anyone else whose speech and thought is based upon and reflects the truths found in the Bible. How will this legislation over-rule the First Amendment?

### **PASTORS NOT PROTECTED BY FIRST AMENDMENT**

S. 909 broadly defines "intimidation," thus a pastor's sermon could be viewed as "hate speech" if heard by an individual who then acts aggressively against persons based on any "sexual orientation." The pastor could be prosecuted for "conspiracy to commit a hate crime" or for "inciting violence against gays" simply by quoting the Bible in church. And the First Amendment won't automatically protect pastors, since speech accused of "inciting violence" is not protected, and is punishable, under precedent of Supreme Court rulings. In 1993 Wisconsin v. Mitchell, the U.S. Supreme Court upheld a "hate speech" law providing enhanced punishments for violent crimes based on racial motives as revealed by speech of the accused, (which would now apply broadly to punish any "anti-gay motives" in the speech of accused pastor "co-conspirators.") But pastor, if a crazy person in your audience commits a crime against a heterosexual, don't worry, you'll get a comparative discount in your prison time.

## **IS PRAYER IN JESUS' NAME A "HATE CRIME?"**

Any public prayer against the sin of homosexuality could be construed as "inciting violence" by easily offended listeners, especially if those prayers are offered "in Jesus name." When I served our country as a former Navy Chaplain, for example, I was told in writing by Chief of Chaplains Rear-Admiral Louis Iasiello, that "any chaplain's continued insistence on ending public prayers 'in Jesus' name'...could reasonably tend to denigrate those with different forms of faith." His policy prohibiting prayers "in Jesus name" was enforced against me at court-martial, before it was later rescinded by Congress in 2006. But this year I've already been falsely accused of "inciting violence" because I quoted verbatim from Psalm 109 in my public prayers, (for which secular activist Mikey Weinstein literally requested an FBI investigation against me!) Just imagine more anti-Christian aggression by law enforcement officials AFTER this hate-crimes bill becomes law.

## **IS PREACHING AGAINST SIN A HATE CRIME?**

As a former Navy Chaplain who was punished (in writing, three times) for quoting the Bible in chapel during optionally-attended worship, I know exactly how they'll come after us. The enemies of religious liberty will simply declare certain gospel phrases "hateful" and "offensive" like my commanding officer who punished me for quoting John 3:36 in chapel, and was supported by government lawyers for "protecting" easily offended listeners from the "offensive" gospel of salvation through Jesus Christ.

Congressman Louie Gohmert (R-TX) agrees with me, saying pastors, rabbis, or imams could be charged with encouraging or inducing a "hate crime" if they preach against homosexuality. "Every preacher of the gospel, unless you cut out parts of it; every imam who mentions anything with regard to sexual immorality - they could be pursued, and in other countries they have been," says Gohmert. (Congressman Gohmert is my personal advocate, with whom I preached last year at a pro-faith rally in Texas...and we both agree the gospel of freedom from sin really is "love speech" not "hate speech.")

## **FREE SPEECH SUPPRESSED IN NORWAY**

Hate crimes laws protecting homosexuals from criticism are already silencing pastors in Norway, where these dangerous laws specifically empower law enforcement officials to prosecute "intimidation" of homosexuals. For example, Congressman Gohmert warned "I was talking to a guy from Norway who was telling me that people are even afraid to say Mary was a virgin, because just bringing up sexuality at all can raise problems with law enforcement."

## **FREE SPEECH CRIMINALIZED IN SWEDEN**

In Sweden, Pastor Ake Green received a one-month jail sentence last year under a Swedish "hate crimes" law that forbids criticism of those who participate in homosexual behavior. The Goeta Appeals Court later overturned the decision. The government demanded the pastor be punished by appealing the case to the Swedish Supreme Court, which ruled the law unconstitutional. Yet here in America, the Reid-Kennedy-Obama trio is pushing to pass and enforce this same type of "anti-free speech" law, despite their acknowledgment that any such enforcement would be unconstitutional in America too. (They why pass the bill in the first place?)

## **FREE SPEECH CRIMINALIZED IN CANADA**

In Canada, where "hate crimes" laws already passed, the Alberta Human Rights Tribunal actively forbid evangelical pastor Stephen Boisson from expressing his moral opposition to homosexuality. The tribunal also ordered Boisson to pay \$5,000 "damages for pain and suffering" and apologize to the "human rights" activist who filed the complaint. His crime? In 2002, the pastor wrote a letter to the editor of his local newspaper in which he denounced the homosexual agenda as "wicked" and stated that: "Children as young as five and six years of age are being subjected to psychologically and physiologically damaging pro-homosexual literature and guidance in the public school system; all under the fraudulent guise of equal rights." The Canadian government tribunal ordered the Christian pastor to "cease publishing in newspapers, by email, on the radio, in public speeches, or on the internet, in future, disparaging remarks about gays and homosexuals." (This "re-education commission" reminds me of Big Brother from Orwell's 1984.)

## **FREE SPEECH CRIMINALIZED IN PENNSYLVANIA:**

Can't happen in America? It already has. In 2004 my friend Michael Marcavage was arrested along with ten other Christians (including two elderly grandmothers), and charged with violating Pennsylvania's "hate crimes" laws, because they carried signs conveying God's love at a Gay Pride rally. One member of "The Philadelphia Eleven," Arlene Elshinnawy, 75 year-old grandmother of three, was holding a sign: "Truth is hate to those who hate the truth," before she was hauled off to jail by police officers. They were literally threatened with 50 years in jail for preaching the Gospel of Jesus Christ on a public sidewalk, because it offended gays. That hate crimes law was so outrageous it was later found unconstitutional by the Pennsylvania Supreme Court, but now Ted Kennedy and Barack Obama want to pass essentially that same discredited law nationwide.

## ANTICHRIST PERSECUTING POWER

Daniel 7:23-27

It would be proud, and ambitious, and particularly arrogant against God: **"and he shall speak great words against the Most High,"** Dan 7:25. The Chaldee here rendered against - *l-tsad* - means, literally, at, or against the part of it, and then against. Vulgate contra; Greek pros . This would be fulfilled in one who would blaspheme God directly; or who would be rebellious against his government and authority; or who would complain of his administration and laws; or who would give utterance to harsh and reproachful words against his real claims. It would find a fulfillment obviously in an open opposer of the claims and the authority of the true God; or in one the whole spirit and bearing of whose pretensions might be fairly construed as in fact an utterance of great words against him.<sup>10</sup>

(g) This would be a **persecuting power: "and shall wear out the saints of the Most High,"** Dan 7:25. That is, it would be characterized by a persecution of the real saints-of those who were truly the friends of God, and who served him.<sup>11</sup>

(h) He would claim legislative power, the power of changing established customs and laws: **"and think to change times and laws,"** (Dan. 7:25). The word rendered "think" *c-bar* (**these laws will come from his reprobate mind**) means, more properly, to hope; and the idea here is, that he hopes and trusts to be able to change times and laws. *Vulgate, Putabit quod possit mutare tempora, etc.* The state of mind here referred to would be that of one who would desire to produce changes in regard to the times and laws referred to, and who would hope that he would be able to effect it. If there was a strong wish to do this and if there was a belief that in any way he could bring it about, it would meet what is implied in the use of the word here. There would be the exercise of some kind of authority in regard to existing times for festivals, or other

occasions, and to existing laws, and there would be a purpose so to change them as to accomplish his own ends.<sup>12</sup>

**Dan 11:37-39, “Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all. 38 But in his estate shall he honour the God of forces: and a god whom his fathers knew not shall he honour with gold, and silver, and with precious stones, and pleasant things. 39 Thus shall he do in the most strong holds with a strange god, whom he shall acknowledge and increase with glory: and he shall cause them to rule over many, and shall divide the land for gain,” KJV**

37 He (Antichrist) will show no regard for the gods of his father’s or **one who desired women**,(homosexual) nor will he regard any god, but will exalt himself above them all. 38 Instead of them, he will honor a god of fortresses; a god unknown to his father’s he will honor with gold and silver, with precious stones and costly gifts. 39 He will attack the mightiest fortresses with the help of a foreign god and will greatly honor those who acknowledge him. He will make them rulers over many people and will distribute the land at a price.<sup>13</sup>

**Freeman takes you on a rollercoaster ride of conspiracy and ancient technology. He will challenge your very sight as he postulates the theory that our First Family may be clones of the ancient Egyptian pharaohs, Akhenaten and his mother Queen Tiye.<sup>17</sup>**

Freeman says, "I have been showing off my art work of Barack Obama as Akhenaten to see what people think. Admittedly, most of my friends already see the world differently than your average citizen. Let's just say they already come with a conspiracy bent. My hope is to instill wonder in our world and to say that things just might be a little stranger than you thought.

I would show my friends this picture and say, "What do you think?" Without any other comment. They would say, "Well, he does look a lot like Akhenaten."

My jaw would dangle just a bit.

I say, "OK, I understand that you do not know that this woman next to Barackhenaten is Akhenaten's mother, Queen Tiye."

"That's really her face?" They ask.

I say, "I have done nothing to alter their faces. I simply found a photo that was facing the right direction and their mouth was closed. I cut the face in half and super-imposed it on the ancient busts."

"That is amazing!"

"It gets even stranger." I say, "I found that Akhenaten had two daughters from Queen Nefertiti...

I wait for it.

"They do look like Akhenaten's children!"

"Notice in this ancient frieze of Akhenaten and Nefertiti with their two girls, what is the other most prominent features of this picture?" I ask.

"Didn't Akhenaten worship the sun god Aten?"

"Yes"

"Oh, and the flowers."

"Exactly. Do you know the code names the secret service gave the first family?"

"Isn't that a secret?"

"I guess it should be but, no, it was in the news. Their names are Renegade, Renaissance, Radiance, and Rosebud."

"Radiance and Rosebud?"

"Absolutely. Here look for yourself."<sup>18</sup>

<sup>17</sup> Ibid, Freeman

<sup>18</sup> Ibid, freeman

"Well, what do you think now?" I ask.

"Are there family connections?"

Come on, what are the odds that a woman that looks exactly like the mother of Akhenaten would marry a man who looks exactly like Akhenaten and have two children that look exactly like the offspring of Akhenaten and Nefertiti?

As a kid my mind was open to such possibilities. As I studied the pyramids and ancient astronauts, I knew mummification had a mysterious property that we in the, then, 20th century could not reproduce. Our new mummies decompose. The ancient Egyptian mummies did not. I knew this allowed for the retrieval of a viable cell for cloning and I pondered if there would be some day when "they" would bring back the Pharaohs. I was thinking of some Armageddon script when the dead would walk the Earth. What I never thought of was, the clones coming out as the first family of America!

"Today is a great day to live." They say.

"Amazing!"<sup>19</sup>
