Prince Charles on private visit to Transylvania

Imagine this, Prince Charles is living in a delusional world of fantasy of being Dracula Vlad the Impaler and is running around in the forest of Transylvania role playing his kinfolk's life. He's a real, genuine Prince of England, in line to become King when his mother dies. If he becomes King, he would ascend to becoming the Head of the Anglican Christian Church. BRITAIN'S Prince Charles is not a well man; it is rumored the British royal will never become king because he's suffering from memory loss and other symptoms of Alzheimer's disease.

PRINCE CHARLES A VAMPIRE?

By Andrew Zarowny

Is Prince Charles a vampire? The heir to the British Throne claims that he is related to Vlad the Impaler, the Romanian scoundrel who inspired Bram Stoker to write his novel, 'Dracula'. According to the Associated Press, Prince Charles says that genealogy shows that he is related to old Vlad. Could this explain why the prince has done work to protect the forests of Romania and to stop the construction of the Dracula Land theme park in the Transylvania region? Or is Prince Charles playing trick-or-treat early this year for Halloween?¹

Prince Charles 'the winged hero' demon?

A giant bronze statue of Prince Charles as a winged hero "saving the world" is to become the centerpiece of a remote Amazonian town. The Prince was presented with a model of the sculpture, which shows him with bulging muscles, pinned back ears and only a loincloth to protect his modesty. During his visit to Tocantins state in central Brazil the Prince was told the full size piece would be erected in a square named in his honour in the main town of Palmas.

Prince Charles retains a full head of hair in the statue Charles arrived in Tocantins from Rio, where he showed his appreciation for Brazilian culture by doing the Samba with street dancers and playing football with children at a community centre. Artist Mauricio Bentes molded the statue of his 53-year-old subject using pictures downloaded from the internet. Apart from the angel-like wings and muscular physique he also gave Prince Charles a full head of hair. At his feet are human bodies, one of whom is drinking a bottle of wine. Piranha-infested Accepting the scale model of Mr Bentes' work the Prince said he was "amazed" and "deeply touched". Explaining its significance, Tocantins state governor Jose Wilson Sequeira Campos said: "It is Prince Charles saving the world". Charles, dressed for the trip in a khaki safari shirt, is in the region for a visit to a global warming station. The Cangacu research station consists of thatched wooden buildings perched on stilts in a swamp.

(AP) – BUCHAREST, 6-8-12- Romania (AP) — Britain's Prince Charles is relaxing in one of his favorite places, Transylvania, immediately after celebrating Queen Elizabeth II's Diamond Jubilee.

Charles arrived for a private visit Wednesday in Targu Mures, a town in the heart of Transylvania, about 100 miles (160kilometers) south of where Bram Stoker's 1897 novel "Dracula" is set. Stoker based Dracula on Vlad the Impaler, whom Charles calls a distant relative.

Images were broadcast Thursday of Charles waving to locals in the picturesque village of Miclosaara, where he sometimes stays. Locals said that Charles was looking for some down time after the Jubilee festivities in Britain. The prince owns property and supports traditional farming methods in Transylvania, which he calls "the jewel in Romania's crown." His son Prince Harry spent Easter in Transylvania. LONDON — A murder mystery with elements of an Agatha Christie whodunit is unfolding at the vast country estate where Queen Elizabeth II and her family gathered in rural splendor to celebrate Christmas and New Year's.

British police said that a young woman's body was found in the forest at Sandringham and that they are treating it as a murder case.

An autopsy was conducted Tuesday, but the precise cause of death was not disclosed, and investigators have yet to establish the woman's identity. The royal family is not implicated in the crime in any way. The body was discovered by a dog walker on New Year's Day three miles (5 kilometers) from the queen's elegant country home. Norfolk police said tests showed the body had been there one to four months. Police said a forensic pathologist found that it was highly unlikely the death was of natural causes and that there was no evidence of accidental injury. Investigators hoped to use DNA to identify the woman.

In 2010, the body of a 46-year-old woman was found on the crown estate near Windsor Castle. She had apparently been killed by hammer blows to her head. Her estranged husband was convicted of manslaughter and sentenced to 26 years in prison.

Last March, the body of an American with a royal obsession was found on an island in the park opposite Buckingham Palace. Authorities said Robert James Moore, who had sent rambling letters and strange

packages to the queen, may have been dead for as much as three years. The cause of death was not determined.

Now Sandringham, which has served as a private residence for British monarchs since 1862, has been touched as well.

Sandringham has long been one of the queen's favorite residences, especially during the holidays. The queen has a long-established routine that calls for presents to be exchanged on Christmas Eve, followed by a church service in the morning and a gala lunch. There are usually long walks through the countryside as well.

The royal family also typically enjoys horseback riding and shooting parties at Sandringham in the brisk winter weather.

Message from HRH the Prince of Wales

PRINCE CHARLES OLD TIME RELIGION

The work of Temenos could not be more important. Its commitment to fostering a wider awareness of the great spiritual traditions we have inherited from the past is not a distraction from the concerns of every-day life. These traditions, which form the basis of mankind's most civilized values and have been handed down to us over many centuries, are not just part of our inner religious life. They have an intensely practical relevance to the creation of real beauty in the arts, to an architecture which brings harmony and inspiration to people's lives and to the development within the individual of a sense of balance which is, to my mind, the hallmark of a civilized person. The Principles for which Temenos stands are rooted, in my mind, to the interests of our children and our children's children and to the world they are to inherit from us. This concern for our traditions is not to deny progress. It rather represents a care to do what we can to ensure for future generations the survival of civilized values and the maintenance of that vital thread of the continuity of tradition that links past and future. In the great spiritual traditions of the world it is understood that wisdom and compassion go hand in hand. But it is also understood that following this path requires both courage and conviction. I admire the courage and conviction of all those who are prepared to challenge the deadening effects of the 'industrialization' of life itself, a process which carries no sensitivity to the qualities which go to sustain a truly civilized and harmonious society. I pray that the wise and compassionate work for which Temenos stands will prevail. I myself will do all I can to help, preserve and encourage it. ²

"It (Islam) very explicitly describes Nature as possessing an "intelligibility" and that there is no separation between Man and Nature, precisely because there is no separation between the natural world and God," said Prince Charles, the heir to the throne, while he was lecturing on the subject – Islam and the environment to an estimated audience of 1,000 scholars at the Oxford Centre for Islamic Studies (OXICIS), on Wednesday, the 9th of June, 2010, at the Sheldonian Theatre, Oxford. The audience included the Lord Mayor of Oxford, John Goddard, Muslim community leaders, scholars of Islamic Studies, and students, academicians and ambassadors.

PRINCE CHARLES AGENDA 21 AND WORLD WITCHCRAFT

Now who were THE players behind the birthing of sustainable development? To my surprise, it was Prince Charles. Not happy with the Christian faith, Charles turned to "Para- psychology" which some define as "dabbling in the occult." He was greatly influenced by the South African-born writer, explorer, and mystic Laurens van der Post who was a friend of his grandmother, the Queen Mother. The prince was also influenced by James Lovelock, a British scientist who formulated the "Gaia hypothesis, which today is known as the worship of the earth, a belief based on the Greek goddess Gaia, the Earth Mother. Charles concurs with the perversion of Genesis 1, 2, and 3.

Most people will not find Prince Charles or his environmental activities in the headlines of major newspapers. Nor do his biographies really explain his involvement, as there is basically a blackout on what he is really doing worldwide. In April 1991, fourteen months before UNCED, the Prince held a private two day international conference aboard the royal yacht Britannia, moored off the coast of Brazil. His goal was to bring together key international figures in an attempt to achieve a degree of harmony between the various countries that would happen at the Rio Earth Summit. Then Senator Al Gore was present, along with senior officials

from the World Bank, chief executives from companies such as Shell and British Petroleum, the key NGO's, and other officials. Several years ago, I had the opportunity to interview Maurice Strong and specifically asked him about this meeting. He told me he was in London at a World Wildlife meeting hosted by Prince Philip and was asked by Prince Charles to accompany him to Rio for the April 1991 meeting. Furthermore, in 1990 when sustainable development had just been formulated by the Brundtland Commission, it was the prince who commended them for "bringing the term 'sustainable development' into everyone's vocabulary."³

PRINCE CHARLES PUTS HIS FAITH IN OUIJA BOARDS

Prince Charles puts his faith in Ouija boards? So says Edna Brown: Ex-Vanity Fair editor's scorching book depicts her 'friend' Diana as a spiteful and manipulative neurotic

Brown, at the time an ambitious young British editor charged with turning around the fortunes of an ailing title, did not mince her words. She described Charles as cranky, self-obsessed and, at 36, prematurely old. She said he surrounded himself with an assortment of gurus, tried to contact his dead uncle Earl Mountbatten through an Ouija board and was dismissed by his father as a "wimp".⁴

Humanity (and the earth) down the river with his recent remarks about Islam leading the way in the Green Movement, as reported in the Daily Mail UK:

Prince Charles yesterday urged the world to follow Islamic 'spiritual principles' in order to protect the environment.

In an hour-long speech, the heir to the throne argued that man's destruction of the world was contrary to the scriptures of all religions - but particularly those of Islam.

He said the current 'division' between man and nature had been caused not just by industrialization, but also by our attitude to the environment - which goes against the grain of 'sacred traditions'....

He added: 'The inconvenient truth is that we share this planet with the rest of creation for a very good reason - and that is, we cannot exist on our own without the intricately balanced web of life around us.

On March 6th 1996 Prince Charles and his sons voluntarily got a microchip implant on their right hands for "security" reasons and since then millions of people around the world have followed the course and others are about to.

If you take a look at all the above said, you can easily tell what I am trying to say. In case you don't, let me summarize the whole thing.

The current British royal family (The Windsors) is the direct descendant of the 13th bloodline and they are the family from which the Antichrist is going to arise. They project their real occult status in their royal logos without being noticed by most of the people and they are driving their secret agenda of satanic rule on the world right under our nose but we don't know it.

Jesus said that the Devil is the Father of Lies. Christians must be sober and alert as the day of the Lord draws near so that we will be able to hear His voice knowing with all of our hearts that we are not being deceived by the evil one he spirit of antichrist is already at work. As these Last Days approach, more and more, we are witnessing people abandon the bible in favor of the New Age Movement, witchcraft, and Unitarian beliefs. A great falling away from true faith: 2Thes. 2:2, 3, The day of Christ shall not come except there come a falling away (apostasy) first. Matt. 24:12 Iniquity shall abound... the love of many shall wax cold. Matt. 2: 5, 11, 24.

The AntiChrist and a Cup of Tea — Charles, Prince of Wales. Foretold . . . In The AntiChrist and a Cup of Tea, Tim Cohen provides biblical evidence to demonstrate that all of the prophecies pertaining to the coming AntiChrist — that can be fulfilled before he assumes control over a global government during the Great Tribulation — are already fulfilled in a living prince of Roman lineage; this is true of no one else, not even that same prince's sons. This prince, for example, has the lineage: he claims descent simultaneously from Israel's King David, Islam's false prophet Mohammed, and, by way of a false occult lineage, Jesus Christ Himself! 7

This prince has the imagery: his personal heraldic achievement or coat of arms has the literal symbolism of the first beast of Revelation 13, which represents the AntiChrist, and of Daniel 7 (i.e., the little horn having eyes like the eyes of a man — a unicorn with human eyes). This prince's coat of arms also bears the red dragon described in Revelation 12 and 13, specifically representing Satan, and he was seen globally as he faced this dragon in 1969 to be coronated as "Prince of the Red Dragon" (i.e., Satan). This prince has the name calculation: his title, by which he is globally known, calculates to 666 in both Hebrew and English on the original biblical numbering system — the very system used in the underlying Greek text of Revelation 13:18 to specify the number six-hundred and sixty-six. This prince has the involvement in the Mideast peace process. In fact, the current Road Map, as well as the Oslo process from which it derives, and the Madrid Peace talks from which the Oslo process itself derived, can be directly traced to the London Agreement of 1987, which in turn can be directly traced to...THIS PRINCE. Also, this prince has the global authority.... That's right — he is not the ignored wimp that the masses have been misled to believe; rather, he is the number one globalist on the planet today, and has been for decades. Indeed, this prince is over the entire New World Order power structure. This is accomplished through the world's most prominent and oldest order of chivalry: the Order of the Garter. This order is very much more than

 merely a revival of King Arthur's legendary round table. And to top it all off, this prince NOW HAS THE IMAGERY OF WHAT COULD BE THE FUTURE ABOMINATION THAT CAUSES DESOLATION! 8
 Prince Charles delivers keynote speech at Copenhagen summit

Prince Charles of Wales, keynote speaker at Copenhagen Meeting said, "For the grim reality is that our planet has reached a point of crisis and have

only seven years before we lose the levers of control."

'Islam has always taught this and to ignore that lesson is to default on our contract with creation.'

PRINCE CHARLIE IS A BLITHERING IDIOT

The bonehead Prince Charlie made his pro-Islam comments during a speech at Oxford's Centre for Islamic Studies, in which he so blatantly sucked up to his hosts/sponsors that the audience appeared to be completely disgruntled to the point of revulsion.

What Islamic "spiritual principles," Charles? The ones embodied in the Koran and other Islamic texts that say Jews are "apes and pigs" that should be hunted down and slaughtered? Or the Koranic verses that dictate all non-Muslims must be murdered or that otherwise incite Muslim followers to violence? Or how about the Koranic scriptures and commentaries that say women are worth one-half or less than men, that men are their superiors and essentially own them as property?

How does any of this hateful rubbish constitute Islamic respect for the "intricately balanced web of life around us?" Have you ever seen the practices of Islamic animal slaughter or read the derogatory Islamist remarks about dogs and other animals? While the West can barely get a handle on animal abuse, at least it tries, but you can bet animal abuse is far more rampant in many if not most Muslim countries. And associating environmentalism with Islam is another disgrace that will completely turn off millions of people from joining the Green Movement. From the looks of things - such as the proposed London mega-mosque, which was planned to have sand all around it - if Muslim fanatics were left to their own, they would turn the entire planet into one big desert. Yep, that's a fine environmental principle.

BLOOD LINE TO THE KINGDOM

This British royal logo or precisely the coat of arms of the future king and now Prince Charles of England was designed by the British college of heraldry using a system of guidelines over 500 years old. The logo successfully features all the 12 major signs of the antichrist. When you take a passer by's look at the logo the only thing that comes to your mind is the greatness of the British Empire but that's not all. There is more to it.

This logo actually represents "the man of sin" The Antichrist himself. There is this occult society by the name of "Free Masons" also known as the "Illuminati" "the tribe of Dan" or the 13th bloodline which comes from Egypt. The 13th bloodline is known as the "seed of Satan" because they are known to be the direct descendents of the Satan.

The inhabitants of the British Isles also came from Egypt. Are you connecting the dots?

Why do you think Prince Charles married a woman who did not belong to any royal family nor had nothing to do with royalty? Of course, it wasn't a Cinderella story.

Princess Diana Frances Spencer comes from the direct descendants of the Stuart kings. The bloodline she brought into the royal family brings the bloodlines of all the kings who left descendants into the current Windsor royal family. Now the children of Prince Charles (Prince William Arthur Phillip Windsor, Prince Henry Charles Albert Windsor) bear all Merovingian bloodlines i.e. the evil bloodline.

"They had not worshiped the beast or his image and had not received his mark on their foreheads or their hands. They came to life and reigned with Christ a thousand years". (Revelation 20:4)

And the huge dragon was cast down and out -- that age-old serpent, who is called the Devil and Satan, he who is the seducer (deceiver) of all humanity the world over; he was forced out and down to earth, and his angels were flung out with him." [Revelation 12:9]

Satan is a serpent! That is what this verse truly says. He is "that age-old serpent" whose name is "the Devil and Satan"! Thus, it was no surprise that Satan appeared in the form of a serpent in the Garden of Eden. Consistent with this Biblical teaching, occultists boldly state that Satan is a Reptilian; further, they say that the most powerful demonic possession possible is with demons that have a Reptilian form. Keep this in mind, for it will be most important later on.

NEWS BRIEF

"Winged Prince is 'Savior of the World' ", Fox News Life, March 7, 2002.

"LONDON — The Prince of Wales is to be immortalized in bronze as a muscular, winged god dressed in nothing more than a loincloth. He will be the first living member of the Royal Family to have a life-size statue dedicated in his honor. Although the Prince is destined to become Defender of the Faith when he becomes King of England, the inscription on the statue in Brazil will honor him as 'Savior of the World'."

Who could deny Prince William.? He will be adored by everyone as Diana was. No one would believe or think it possible for him to be the antichrist but [he could be]. Prince Charles is teaching him the ropes right now. He is a 33rd deg Freemason. WILL IT BE PRINCE CHARLES--- OR PRINCE WILLIAM?

<http://www.scribd.com/doc/30652050/Deceitful-Change-Agents-of-Hell-Avatars-Messiahs-and-Ascended-Masters>

The marriage of Charles to Diana was so extremely important because Diana brought one aspect of the Merovingian Bloodline back to the English crown. Greatest among the princess's forebearers were the Stuart kings, (Charles II and James II.)She unwittingly gave this bloodline to the current Royal Family, and thus her son Prince William was the first child to claim lineage from every English king who has left descendants.

FROM ATLANTIS TO ANTICHRIST: THE ANGLO-BRITISH ROYAL SECRET EXPOSED

Two Royal Families in Great Britain have claimed of them to be descendants of the Royal House of David, a Bloodline which supposedly produced many of the ruling Houses of Europe today, including the British Monarchy and current ruling House of Windsor. The other family important to this lineage is the Scottish House of Stuart (Spencer), whose most infamous descendant was the late Princess Diana. While there is discrepancy as to whether or not the Windsor claims to the Throne of England are legitimate (being descendants of the Germanic House of Saxe-Coburg-Gotha), most agree that the Stuart lineage are not only the rightful heirs to the Throne of England (and Scotland), yet also to the Throne of David, and Israel itself. In light of this, it was therefore of paramount importance that the Windsor's seek out a 'Virgin' of the Merovingian Bloodline to marry into, in effect, to finally legitimize their long held Occult power and authority claimed of them being descendants of Crusader Godfrey de Bouillon, who was given the honor of the Kingdom and declared "King of Jerusalem" in 1099, as well as creating what they see would be a unique Christ descendant from such a union of their draconic lineages that would forever legitimize their tight grasp on the British Monarchy. Therefore this intriguing and most infamous of arranged marriages between Charles and Grail Princess Diana was not hatched solely by the Windsor's themselves, it was of far more ancient design and connected to the Knights Templar. Interestingly enough, six months after the Royal Wedding, while Diana was already three months pregnant, came the release of Holy Blood Holy Grail, its three authors making shocking claims of European lineage supposedly 'exposing' long held Templar secrets. This 'secret' being propagated to the world in 1982 contained the genealogical record of the Davidic Bloodline passing thru Christ and His descendants to become the Merovingian Kings, a secret which curiously became the foundation for the Occult and its own prophecy about the birth of a future King.

Prince William gives familiar Satanic signal

This designation just reeks of the title Antichrist is planning to take upon himself when he appears on the world scene. He will come striding through the smoke, dust, and destruction of the planned Third World War [NEWS1056] to establish "peace and safety", amidst great "lying signs and wonders". He will deceive the entire population of the world -- except for God's Elect -- because a mighty demonic spirit of lying and deception will blow through the world at the time he appears.

Let us go back to this article:

"He is shown naked, apart from the loincloth, with giant, angel-like wings protruding from his back. His arms are extended as if offering comfort and security. The statue will dominate the town square, to be named after the Prince, in Palmas, the state capital of Tocantins on the edge of the rainforest. The sculpture, which will invite comparisons with the statue of Christ overlooking Rio de Janeiro from Corcovado, is set on a marble base. At its feet is an untidy mass of human bodies, one drinking from a bottle of wine, which is said to represent the world in a mess which the Prince is busy saving."

If you look closely at this statute, you can see the teeming mass of humanity mired in what looks like mud, looking up expectantly at this winged Prince Charles. Since Winged Charles is so much larger than the people below, he looks positively huge in comparison. He looks divine; coming to "rescue" mankind, to give us "peace and safety".

"Jose Wilson Sequeira Campos, the Governor of Tocantins, in central Brazil, said: 'It is Prince Charles saving the world. We think he is deserving of it.' While the muscular physique of the statue, complete with bulging pectorals, maybe not immediately shouts Prince Charles, the facial features are unmistakable, even if he has a full head of hair and small, pinned back ears."

PRINCE CHARLES SAVING THE WORLD

Many people remember him as being proud and haughty, and mean to the beloved Princess Diana; however, Charles traveled a long way back in many people's minds when he went to Diana's defense against the Mother Queen, after Di had been killed.

Further, remember that the man who will ultimately be Antichrist will be a practitioner of Black Magic Witchcraft, just as Daniel 8:23-25 foretells; therefore, he will absolutely ooze charm once he appears on earth, for there are powerful charm rituals

guaranteed to "charm" anyone not saved by the Blood of the Lamb!

INDICATORS THAT PRINCE CHARLES MAY BE ANTICHRIST

ANTICHRIST MUST BE A KING

REVELATION 17:8, 11 "The Beast that thou sawest was, and is not; and shall ascend out of the Abyss [which the Occult equates being located in the depths of the Atlantic Ocean], (Christians, the Abyss – the pit of hell) and go into [the Son of] Perdition: and they that dwell on the earth shall marvel, whose names were not written in the Book of Life from the foundation of the world, when they behold the Beast THAT WAS, and is not, and yet is. And the Beast that was, and is not, [even he is the Eighth (KING), and is of the Seven] (Merovingian Kings).

DANIEL 11:33-36 "And they that understand among the people shall instruct many: yet they shall fall by the sword, and by flame, by captivity, and by spoil, many days. And some of them of understanding shall fall, to try them, and to purge, and to make them white, even to the Time of the End: because it is yet for a time appointed. And the KING shall do according to his will, and he shall exalt himself above every god, and shall speak against the God of gods."

DANIEL 8:23-25 "In the latter time, a KING of fierce countenance and understanding dark sentences shall arise. And his power shall be mighty, but not by his own power: and he shall destroy supernaturally, and shall prosper and practice and shall destroy the mighty and the Holy people. And through his policy also he shall cause Craft to prosper in his hand; and he shall magnify himself in his heart and by peace shall destroy many: he shall also stand up against the Prince of princes, and he shall be broken."

2 THESSALONIANS 2:3-5

"For that day shall not come, except there come a falling away first, and that Man of Sin be revealed,

PRINCE OF DARKNESS.

God has permitted Satan to maintain a degree of authority to deceive the nations and take human being's POWER, THRONE AND AUTHORITY; but it is men and women who have given him THE RIGHT to do it. How is that? Because Satan rules the darkness of this world, his realm (kingdom) of operation, and that darkness is found in the hearts of men who refuse to love the truth.

Notice in (Rev. 13:2) that the devil (the dragon) has power: "the dragon gave him his power." Strong's (G1410) says the word "power" means "miraculous power." He has "a seat," meaning "a throne" (Strong's G2362). He has "great authority," meaning "exceeding authority" (Strong's G1849 G3173). Also the devil, the head of "the rulers of the darkness of this world, spiritual wickedness in high places" (Eph. 6:12), will give all of this to one man, who will manifest the adversary's miraculous power and great authority from the throne he receives from Satan.

The devil or Satan is introduced to us as a person who opposes God and His work.

"Now the serpent was more subtle than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, ye shall not eat of every tree of the garden? 2 And the woman said unto the serpent, we may eat of the fruit of the trees of the garden." (Gen. 3:1, 2). Satan - a Hebrew name meaning literally 'adversary, the accuser' In the Greek of the New Testament, the name Satan (AS) is the leader of fallen spirits (See Matt. 12:24).

The Book of Daniel, chapter II, says that the willful king (Antichrist) will honor a "strange god" -- a god whom his father's knew not... a "god of forces" There is a great spiritual blindness that covers the earth today. Many Christians seem to be caught in a web of deceit. Why have so many so often been so blind to the meaning of the great events often been so oblivious to the meaning of the great events transpiring in our time?

And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven. (Revelation 13:6) And the king shall do according to his will; and he shall exalt himself; and magnify himself above every god, and shall speak marvelous things against the God of gods, and shall prosper till the indignation be accomplished: for that that is determined shall be done. Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all. But in his estate shall he honour the God of forces; and a god whom his fathers knew not shall he honour with gold, and silver, and with precious stones, and pleasant things. (Daniel 11:38)

Is it because we have not bothered to relate the Word of God to those affairs of life which lie beyond our personal interests, our families, and our immediate circle of Christian friends? As much of Europe rids itself of all traces of biblical Christianity, it has chosen to degrade Jesus to merely a man and mock the bible and in turn embrace a new vision for their future . . . a vision that will usher in the coming of the antichrist on the world stage.

The Prophet Daniel warns of an end time battle, in which military will honor, "the god of forces." This reveals that they look to demonic power, for victory. Constantine the Great, together with his army, worshipped a warlord principality demon or territorial spirit which the Romans called "the god of forces." (Dan. 11:38)

JUPITER GREETER AT THE UNITED NATIONS

the Son of Perdition who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the Temple of God, shewing himself that he is God. For the Mystery of Iniquity doth already work: only he who now restrains will let, until he be taken out of the way and then shall that Wicked be revealed...Even him, whose coming is after the working of Satan with all power and signs and lying wonders, and with all deceivableness of unrighteousness in them that perish; because they received not the Love of the Truth (Jesus Christ), that they might be saved. And for this cause God shall send them a strong delusion, that they should believe a lie..."

Standing at its entrance of the UN is the mighty statue the Statue of Zeus (Jupiter) of Ba'al or Zeus; Apollon or Apollyon, Abaddon or Apollo, Jupiter or Zeus, depending upon whether you're Roman, Persian or Greek — Heilios, Hermes, Antiochos, Kommagene, Mammon. These are the gods of the New Age.

GOD JUPITER STANDS AT THE ENTRANCE OF THE UNITED NATIONS

He greets the people of the world; of course Jesus is not seen in the UN.

The Keil & Delitzsch Commentary on the Old Testament addresses the god of forces as follows:

On the other hand, he will honour the god of fortresses. That $\text{D}^{\text{I}}\text{J}^{\text{U}}\text{P}^{\text{I}}\text{T}^{\text{E}}\text{R}$ is not, with Theodotion, the Vulgate, Luther, and others, to be regarded as the proper name of a god, is now generally acknowledged. But as to which god is to be understood by the "god of fortresses," there is very great diversity of opinion. Grotius, C. B. Michaelis, Gesenius, and others think on Mars, the god of war, as the one intended; Hävernick, v. Lengerke, Maurer, and Ewald regard Jupiter Capitolinus, to whom Antiochus purposed to erect a temple in Antioch (Livy, xli. 20); others, Jupiter Olympius; while Hitzig, by changing $\text{D}^{\text{I}}\text{J}^{\text{U}}\text{P}^{\text{I}}\text{T}^{\text{E}}\text{R}$ into $\text{D}^{\text{I}}\text{J}^{\text{U}}\text{P}^{\text{I}}\text{T}^{\text{E}}\text{R}$, fortress of the sea, thinks that Melkart, or the Phoenician Hercules, is referred to. But according to the following passage, this god was not known to his fathers. That could not be said either of Mars, or Jupiter, or Melkart. Add to this, "that if the statement here refers to the honoring of Hercules, or Mars, or Zeus, or Jupiter, then therewith all would be denied that was previously said of the king's being destitute of all religion" (Klief.). The words thus in no respect agree with Antiochus, and do not permit us to think on any definite heathen deity.

The Hebrew word mauzzim מִצְדָּוֹת translated forces in Daniel 11:38 means fortresses. The literal meaning of mauzzin and its context in the midst of war found in Daniel 11:38-45 isn't supportive of the belief that the "god of forces" is a reference to the Luciferian doctrine of the god of forces. A clear and well documented summary of this hermeneutically unsound belief can be read at <http://www.christianmediaresearch.com/cm-65.html>.
