NEW MYSTICS ~ SHAMANISTIC RELIGIOUS SPIRITS~

Tree of Life

Many in the Christian Church in the west would like to believe that the Devil is dead, or perhaps, he only lives in pagan foreign countries. However, the Devil is alive and thriving in the west. He has a great army of demonic slaves who are very busy capturing millions.

They are at it again. The New Age mystics are making another attempt to manipulate Scripture with magical vibrations and pagan rituals. The end result is always the same, the creation of a New World Order.

Rick Joyner's heretical book, *The Final Quest*, the false Apostle Claims,

**To have eaten from the Tree of Life
Jesus is an angel named 'Wisdom'
To have spoken to the deceased
A Civil War in the Church
To have more power than the Apostles
To have received the Apostle Paul's ' mantle'**

THIS BOOK REALLY OPENED MY EYES TO HOW STRONG WITCHCRAFT AN VOODOO IS MOST PEOPLE WILL PROABLY THINK THAT SOME OF THE THINGS ARE NOT TRUE IN THIS BOOK BUT AS A SERVANT OF GOD MOST OF MY 36 YEARS I HAVE TO SAY YOU SHOULD BELIEVE THE THINGS IN THIS BOOK I WAS BLOWN AWAY BY HOW STRONG THAT THIS MAN WAS AN THE THINGS THAT HE SEEN IN THE DEMONIC WORLD THIS SHOWS YOU HOW MERCIFUL OUR GOD IS TO SAVE A FOURTH DEGREE WITCHDOCTOR FROM CERTAIN DEATH. [Galatians 5:19-21](#)

Matthew 7:22-25 ²²Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? ²³And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.

Friends, don't buy what Rick is selling; his incantations are meant only to bring about the darkness inside, and subscribes to some heinous theories, associating himself with the most foul of reprobates, such as Bob Jones, C. Peter Wagner. Tell me, what 'god' do you think that they are worshipping with this nonsense?

These Gnostics claim to commune directly with God. Forget the traditional religions and their outdated legalistic, moralistic practices. They will teach you their personal knowledge (gnosis) of God; meditation, astrology, numerology, the paranormal, the supernatural, UFOs, Hinduism, Buddhism, Zoroastrianism, and death, dreams, alternate states of consciousness; and Jewish mysticism. They will bring you from the Bible to the Zohar (23 volume Kabbalah bible) that speaks of astrology, reincarnation (gilgul), spirit guides, and many other subjects. They can be called New Age Christians.

Further, these people want to export this cesspool of unrighteousness into your congregation.

THIRD WAVE NUMEROLOGY ~ HOW IT WORKS

Religious men are nutty and ritualistic. How do these occultic "Christian" operate in numerology? The only more powerful occult number than "333" is "666". The fact that a global prayer call has gone out undergirded by these occult numbers is shocking and frightening! Literally, "333" stands for the occult counterfeit of being "Born Again".

NEWS BRIEF: "Global Day of Prayer Urged for Iraq Crisis: Intercessory network says the date - 030303- has some special significance", by Andy Butcher, Charisma News Service, Special Edition, 2/26/2003.

"As war with Iraq seems to draw closer, Christians have been urged to join in a worldwide day of prayer, next Monday. The appeal has gone out from the World Prayer Team

(WPT) network, based at the World Prayer Center in Colorado Springs, Colo., which says that the date -**030303**- seems to have some special significance. Churches and individual Christians are being asked to set aside at least **three** minutes to pray at precisely **3:33** p.m., local time ... **Ted Haggard** (Yes, it is the same infamous homosexual man that you've heard about in the

media) also said that Jeremiah **33:3** had been highlighted as "our call to action, 'Call to me and I will answer you and tell you **great and unsearchable things you do not know.**'"¹

fire-wizards-background

yet another "Christian" movement called **The Call**, which was founded by Lou Engle. You can see a video of Upton performing for Engle [here](#) (what's with this weaving and bobbing crap by the way? What are we, Hassidic Jews?) It is the imitating demon called Kundalini that impersonates the Holy Spirit. <http://www.habitationofjustice.com/jason-upton-lou-engle-and-company-the-heresies-they-teach-and-why-we-christians-are-so-royally-screwed>

THE CALL LOU INGLE

This call to "Christian Prayer" built around the three (3) sets of "333" is totally unbelievable! However, each Prayer Team Member is told that this March 3 event is mirrored by the "Global Consciousness" movement as well, for they are also planning a global meditation movement on March 3.

"The magnitude of this date is not lost on the non-Christian world as well. **The Global Consciousness movement (New Age)** has for years been planning a worldwide "Largest ever experiment into global consciousness" to take place on 03-03-03. Their effort is slated to begin at **3:33am (Figi local time)**, on the 3rd day of the 3rd month of the 3rd millennium. It has gained widespread notoriety in New Age circles.

Should this not be enough to cause Christians to pray, the significance of 03-03-03 becomes even more pressing as America could launch a war with Iraq at about that very hour ..."

[<http://www.worldprayerteam.org/wpc/emailweb2.htm>]

Ted Haggard thus makes it seem as though he has issued this clarion call for Christians to pray at the very same time in order to combat the wicked forces of evil backing the New Age Global Consciousness movement. However, as we discuss at the end

The Boy Scouts of America motto ends "Everything is A-OK" then they do the "OK" sign with their right hand on their forehead. If you look closely, the thumb and index finger make a circle, and the other three fingers reach up like three 6s. So the OK is 666 and placing it on your forehead is just like in Revelation 13:16

**666 hand signal
Watch their hands**

of this article, God forbids such linkage between His people and Satan's people. God forbids trying to achieve a holy result by using unholy means, or cooperating with unholy people. Now, let us examine the occult call for prayer and meditation on March 3, 2003.

"The aim of this website is to bring together, even if only for a short time, the thoughts, prayers and meditations of all individuals regardless of religion, faith or spiritual belief. We believe that religious or spiritual boundaries or belief systems need not affect our ability to

come together worldwide and to cause positive global change ... Our positive thoughts may be during a few short minutes at the office, at home, with friends or in prayer, meditation or contemplation."

"If you have the intention to join the many others worldwide in affecting positive global changes at 3:33am and/or 3:33pm on 03:03:03, then you have succeeded. We will have at least tried to change this world for the better. No-one has ever 'tested' global thought. We believe it is possible that concentrated thought can play a major role in facilitating positive changes across the earth." ["2March2003", http://www.3march2003.com/global_thoughts.htm]

Then, on a page entitled, "Countdown To March 3", we read: "If you are able to spare three minutes on 3 March 2003, please click Here..."

[http://www.3march2003.com/march2003_countdown.htm]

Literally, this World Team For Prayer event and the New Age prayer event are both organized according to the following numbers:

333 - 333 - 333 - 3

Global Consciousness Framework:

1. March 3, 2003 provides first '333'
2. Praying at 3:33am provides second '333'
3. Praying at 3:33pm provides third '333'

4. Asking for prayer for 3 minutes provides the single '3'

World Prayer Team Framework

1. March 3, 2003 provides first '333'
2. Praying at 3:33 local time provides second '333'
3. Basing prayer event on Jeremiah 33:3 provides third '333'
4. Asking for prayer for 3 minutes provides the single '3'

Therefore, the christian World Prayer Team is coupling their prayer event directly with the occult Global Consciousness prayer event! Literally, the World Prayer Team has placed their call for prayer directly on the same framework as the occult group, Global Consciousness! The Bible forbids this totally! ²

Using Pythagorean numerology, the word “Fox,” like Rupert Murdoch’s FOX News actually encodes 666. So does Rockefeller’s Exxon (eXXOn = 666), the X-Box (XbOX = 666), and movies like Triple-X and the X-Men Trilogy. When something is XXX like for poison or pornography it is 666. When you write XOXOXO for hugs and kisses it also means 666666. When every game of Tic-Tac-Toe is finished, the 3x3 square filled with Xs and Os is actually 666 in every direction. ³

World Global Prayer -06/06/11... is this another Third Wave Venture with spiritual mapping of the world?

Meaning Of The Master Number 11

Occult explanation... The 11 is a highly charged version of the 2 and all characteristics that apply for number 2 also apply for number 11. The characteristics represented by number 2 usually are enhanced in the master number 11.

The following are some typical characteristics of the master number 11:

The 11 is also known as the psychics' number, it's the most intuitive of all numbers and it represents illumination and deep insight. The 11 is also very sensitive, charismatic and inspirational.

It acts as a channel for information between the higher and the lower. In order to find fulfillment and happiness, 11's have to focus on a bigger goal beyond themselves.

11's seem to develop slowly, but they simply need more time to mature and prepare themselves for the bigger goals and challenges they need to face. At times, 11's might get intimidated by the vastness of their goals and they might even lose confidence in themselves.

One of the major challenges of 11's is to develop confidence in their abilities and that's also the key to unlock their enormous potential.

Global Day of Prayer

The Global Day of Prayer is on Sunday, June 12th and we will meet from 7-9pm at Westgate Alliance Church at 3315 Centennial Drive. It is a day in which the Church around the world, in all sizes, gathers in humility, repentance and prayer. It's a great opportunity to unite locally and exercise our authority in prayer over our city.

We will also be gathering for 10 days prior to that day, starting Thursday, June 2nd to Saturday, June 11th from 5-11pm, to fast and pray together. These meetings will be at Hope Fellowship Church (809 32nd Street West). People are welcome to come and go as their schedule permits during the set hours each night as we'll integrate songs of praise with prayer into various issues and possibly have some prayer walks for those who are willing.

Here is a very short video (0:55 mins) and a longer one with a bit of history (3:39 mins), but simply put, this is an invitation to transform our city together with humility before the Lord in prayer.

Clamour of wood, stone, false traditions in order to bring 'peace' and their leader=Antichrist.

GATHERING ~ SOUL SCALPING BY USING MAGICAL THINKING

Fantasy- dramatic magical – Si-fi -- Milky-Way Christianity has arrived. Synchronism of Christianity with mysticism is now at the center of the world's stage which I view as an attempt of using dramatic magic to become concepts take their quantum leap to godhood. These ministers are wizards and witches of the New Age. They think of themselves as the sages of the Christian Church to bring it to a new mystical age of supernaturalism to join their gods, the Ascended Masters of the New Age.

What is behind Peter Wagner, Chuck Pierce, Rick Joyner and their followers creating massive festivals on the magical dates such as 07/07/07 and 08/08/08? Are these esoterically oriented men and their followers trying to create the future by using magical numbers? Are they truly Christian men who may be deceived by the powers of darkness or could they simply understand

what they are spiritually generating a complete transformation of Christianity into the New Age faith and are simply dupes for the coming New World Christ. Through magical thinking, they have this strange religious doctrine that they will be able to reconstruct the entire world. They believe they are God's chosen to amend or repair a broken church; this psychopathic behavior that is being motivated by the concentrated force of Satan and demons. They believe they are invincible and make these changes through the occult. Astrological Divination - Occultic Religions - Witchcraft - Interpretation of Omens - Physic Readings - Spiritualism - Sorcery - Horoscopes - Zodiacs - Magic Texts - Etc... **"Let know one be found among you who sacrifices his son or daughter in the fire, who practices divination or sorcery, interprets omens, engages in witchcraft, or cast spells, or who is a medium or spiritist or who consults the dead. Anyone who does these things is detestable to the Lord, and because of these detestable practices the Lord your God will drive out those nations before you."** (Deuteronomy 18:10-13)

RICK JOYNER ~ FOLLOWING MAGICAL NUMBERS & BOB JONES & TODD BENTLEY

Rick Joyner say, "We knew that our gathering on 8/8/08 would be significant, and we were not disappointed. Eight is the number of new beginnings, and we had many prophetic indications that this day was going to release a new beginning for us. It did."

The bride of Christ is called to be without spot, which speaks of her purity. That she will be without wrinkle speaks of her perpetual youthfulness. Because eight is the number of new beginnings, there was a spirit of renewal present here and it is manifesting in us in many ways. Of course, renewal and refreshing come from the presence of the Lord, and the Holy Spirit will quicken our mortal bodies. Not only are people having their

visions and hopes renewed, but many have been feeling and even looking much younger after being in our meetings for a time.

These are also the times when we can expect "signs in the heavens and on the earth beneath" as prophesied in Acts 2:19. The thousands who came to our gathering on August 8 witnessed a significant one. Days before, a high pressure system had been sitting over the area, and the temperatures had been as high as 100 degrees. The night before our gathering, a low pressure system moved through, and cleared the air. When we began our **8/8/08 meeting at 5:00 p.m.**, according to the weather report, it was 88 degrees, and the wind was blowing at 8 mph. Though this is what we prayed for, it is of course far beyond our ability to do something like this. It was a sign from heaven.

August 8 is a special day for my family and our ministry. My daughter Amber's birth was prophesied by Bob Jones in 1988 to come on August 8 and that she would weigh 8 pounds. Bob prophesied this two years before she was born on August 8, 1990, at about 8:00 a.m. She weighed 8 pounds just like we had been told. The prophecy was that she would be a sign of a new beginning that was coming to the church. That new beginning is here! Amber turned 18 on 8/8/08, which is the age of maturity, and we can expect to see the new breed of ministry that the Lord has been promising to now begin to emerge into their purposes.

It was also in 1988 when Bob Jones was told by the Lord that he had "lost his marbles in the garden," as a metaphor of how mankind had lost its mind at the Fall in the Garden of Eden. Bob was also told that he would begin finding marbles in his literal garden that he planted each year, and they would each be a prophecy. On the day of Amber's birth, Bob found marble number 8, and it was amber in color. Amber is the color of the glory of God and represents the coming of His glory to His people. In fact, we need to see His glory to get our sanity back and that is precisely what this new beginning is going to reveal—the glory of God.

When we were given this prophecy, Julie and I were not expecting to have any more children. Many Christians have likewise ceased to expect any more from God, but He has other plans! You may think your time of bearing fruit is over, but it does not matter how old you are because we have been given a new beginning. You have been given a new beginning. This is a new day! We, the church, are not going to be the same from this time forward. A great change has come, and though it may take some longer than others to recognize it, with some resisting it (as is always the case), a new thing has been released, and we will not be the same again.

Greater Signs and Wonders

We have seen more healings, miracles, and supernatural signs in the last sixteen weeks than we have in the last sixteen years—and we have experienced a lot in the past! We continually walk around in awe now, and this is without question a new level for us, but I also think it is just one more step back to what should be normal church life. This "new beginning" is actually a return to the "ancient paths," the path of life that the church in the first century began to walk on before it was diverted from its course.

Nothing on this earth is as wonderful as knowing the Lord and watching Him do the wonderful things that He does. These are truly the days of miracles and wonders. As awesome as 8/8/08 was, and as our nightly Breakout Meetings are, He keeps on telling us to get ready for more! We still have not seen the birth, but what we have been experiencing are the last spiritual contractions, or birth pangs, before the birth. Again, this is not just about MorningStar or the Lakeland Outpouring, it is far bigger. True revival is coming to America!

TODD BENTLEY'S "OPENING THE STARGATE TO THE FUTURE" OF FALSE PROPHETS ~ EXPOSURE!

Todd Bentley's Ministry on 8/8/08

We were very excited about having Todd Bentley back with us for the gathering on 8/8/08. Todd has stirred up the church like few others in recent times. There are also very few who are neutral about him. Immediately, unprecedented excitement and threats about Todd were coming. The threats encouraged us even more that this was from the Lord, but in these times, they must be taken seriously, and we prepared for a move of God and attacks from the enemy. As most of us have learned, the greater the move of God, the greater the attacks usually are.

We had food vendors, different exhibition tents, and bookstores set up and ready early in the morning, and people started coming just after 9:00 a.m., even though the main service was

Todd Bentley No Tattoos

not scheduled to start until 5:00 p.m. By noon, the crowds were getting large, and everyone seemed to be having a great time in the festival atmosphere and the incredible weather.

When the meeting began, the presence of the Lord was heavy, and as often happens in our meetings, many people's eyes were opened to start seeing things in the spiritual realm. To see the energy and zeal on the crowd was most encouraging, and though there was plenty of room for everyone to sit, thousands actually stood for the entire five-hour meeting.

I have known Todd for years and have spoken at his conferences just as he has spoken at ours. However, he was as anointed that night as I've ever seen him, and he said it was the strongest he had felt for some time. His message was both profound and anointed. The ministry time was powerful, and many people, some of whom we knew, were healed. There were also what the Scripture calls **"noteworthy miracles"** (see **Acts 4:16**). When it was over, everyone

on our team and everyone I talked to afterward said that the day had exceeded their expectations. God had no doubt smiled on this gathering in a remarkable and prophetic way. The DVD sets from that night will be classics.

What will be happening at MorningStar? I will address that in a bit more depth also, but we received a new commission on 8/8/08, and we are going higher, deeper, and further. We are close to the birth of something we were created for, that we believe will begin this fall, around September 21. We have been given that date like we were 8/8/08 and it is not a coincidence that this date is exactly six months after the Honoring the Father's Conference we hosted with WhiteDove Ministries. Because of this, we moved our Harvest Conference to begin on

Xiv. 4, where we read 'Twelve years they served Chedorlaomer, and the thirteenth year they REBELLED.' "Hence every occurrence of the number thirteen, and likewise of every multiple of it, stamps that with which it stands in connection with rebellion, apostasy, defection, corruption, disintegration, revolution, or some kindred idea. ⁶ Interestingly, the Beast is shown in (Rev. 13:1).

Todd Bentley announced that his angel god has told him "something special will happen on the **21st of June 2008.**" Well, this is **Sumer Solstice**, a worldwide worship day for all witches, Satanist and New Breed Christians.

June 21st is the 172nd day of the year (173rd in [leap years](#)) in the [Gregorian calendar](#). There are 193 days remaining until the end of the year.

On certain years, but not every year, this day marks the [summer solstice](#) in the [northern hemisphere](#) and the [winter solstice](#) in the [southern hemisphere](#), and thus is the day of the year with the longest hours of daylight in the northern hemisphere and the shortest in the southern hemisphere. In astrology, it is the [cusp line](#) between [Gemini](#) and [Cancer](#).

On the 23rd of June, 2008, Bentley said that Peter Wagner and many leaders are coming to Lakeland to lay their hands upon him and put their stamp of approval on the revival.

(1 Tim 4:1-2), **Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; 2 Speaking lies in hypocrisy; having their conscience seared with a hot iron . . ."**

RICK JOYNER AND QUESTIONABLE PRACTICES

Rick Joyner said in his latest bulletin:

“... We are close to the birth of something we were created for, that we believe will begin this fall, around September 21. We have been given that date like we were 8/8/08 and it is not a coincidence that this date is exactly six months after the Honoring the Father's Conference we hosted with WhiteDove Ministries.⁷

Because of this, we moved our Harvest Conference to begin on September 18, and the Worship & Warfare Conference to begin on September 22, so September 21 will be the Sunday in-between. Come to either or both of these if you can, and you may be a part of history.

*[Endtimes notes - Does 21st September have any significance?
In ancient Greece, it is the eighth day of the [Eleusinian Mysteries](#).*

It is also United Nations Global Peace Day.

*Importantly, it is the date of Maltese Independence and the Knights of Malata celebrate it:
<http://stjohnscocathedral.com/news-events.html>*

But even more importantly Sept 21st is the autumn equinox called 'Mabon' (The god of YOUTH - note Joyner's previous comments on youth). It is one of EIGHT Wiccan days and is a Wiccan harvest festival called 'The Witches' Thanksgiving'. It has a festival like atmosphere. It is also called Harvest Home, the Feast of the Ingathering, or Thanksgiving - so it is a corrupted pagan festival. Respect is given to the coming darkness (of the winter) and The Dark Mother is honored, the Crone aspect of the triple goddess (a corrupt blasphemous trinity). HUGE BONFIRES ARE LIT. Rituals to thank the growing energies of the God and the fertility of the Goddess are performed. It was celebrated along with Michaelmas by some, the feast of Michael the archangel, so it would be interesting if the angel Michael is mentioned at Joyner's gathering (eg as a 'prophecy') as that would be even more indication of the event's real roots]

See the occult connection concerning bonfires also known as bone fire.

The practice is believed to derive from the [Celtic](#) festival of [Samhain](#) when animal [bones](#) were burnt to ward off evil [spirits](#). In [Great Britain](#), bonfires are particularly associated with [Guy Fawkes Night](#) (also known as [fireworks night](#) or [bonfire night](#)), an annual commemoration of the discovery of the [The Gunpowder Plot](#) on [5 November 1605](#). In [Northern Ireland](#), they are associated with celebrations on the anniversary of the [Battle of the Boyne](#), which took place on [12 July 1690](#). {This bonfire is the proof that many of these guys are pagans/witches! This is not an innocent coincidence that they just so happen to have bonfires on a pagan festival day on the second most important date in the Wiccan

calendar - and at MIDNIGHT at that (this has even more significance) - and that Rick Joyner has used other buzzwords when describing the event such as "festival" and "Ancient paths" and "harvest conference" and "youth" (the god Mabon) as well as using all the numerology related to 8 and Saturn! Note that many of these guys are not just innocently deceived, they are deliberate deceivers in the craft!} roaming worship and ministry teams, and other events that will create a festival atmosphere that is conducive to members of the . . . body getting to know one another. THE ROLE OF PROPHECY IS NOT SHOWN IN THE BIBLE AS MEN “CREATING WITH THEIR WORDS” THINGS THAT WILL HAPPEN ON THIS EARTH. Yet, Todd Bentley and Bob Deluca are “prophesying creation words to bring forth their false strange fire revival” throughout the world see the above YouTube’s.

Notice day May 13, 2008: they admit that belief if they speak words they will bring the

things that they speak from the spiritual world and create them into the worldly sphere. Todd Bentley says, on the below Youtube, "do you understand that we are creating with words . . . the prophetic is creating with words. Jesus said, 'let there be light, there was light. We can create. . . There is an atmosphere being created,' he is very animated at this time. "And as before there are many that have said these words. . . . What's coming . . . what's coming? What's coming? It's here and there's a whole new realm of decreeing a thing today," Bentley screamed, his head bobbing violently, arms thrashing furiously “It's not like when Paul Cain saw the stadiums filled and we heard about it . . . and we heard about it. . . . “Bob Delucca, interrupts shouting, "It's here now. . . . Strange Fire: Mystics in the Church of God

There are mystics, soothsayers and spiritists in the Christian Church of God. Strange Fire is burning everywhere. It works by magical practices, false doctrines and an imitating evil spirit called Kundalini that impersonates the Holy Spirit.

Many people who have dabbled in the powers of the darkness and some with these powers travelling down their family lines are bringing their paranormal anointing into the Christian Churches. Church leadership seem to be blinded by these false prophets and prophetesses and open the doors to the sanctuary to the counterfeit gifts and the results; many bewitching demons have entered and people fascinated, have fallen under the powers of these spell binding demons.

Countless numbers of people are pursuing prophetic ministry and it seems there is no lack of confusion surrounding their ministries. Even Biblically mature men and women of God who love Jesus Christ with all their hearts are faced with many odd, even strange things that will require much spiritual discernment. They must stand planted in the Word of God (KJV) from the Holy Spirit and find confirmation in many Scriptures throughout the written Word of God and discernment of supernatural through the Holy Spirit giving them the gift of discerning spiritual things.

The Holy Spirit is not weird or bizarre producing creepy manifestations such as squirming snakes, barking dogs, cow mooing, unconscious mindlessness, twitching, and madness, Hindu or voodoo demonstrations. He will never lead His precious people to act like animals. He will always speak of Jesus Christ and draw people to repentance and commitment to the Son of God. He is the Third part of the Trinity; not an "IT: a "THING: a "MIST" a "FEELING or some "MYSTICAL MAGICAL FORCE"

<http://www.professionalnumerology.com/numerology.htm>

Imagine getting up and starting your day in a world without numbers. Like many things, we take numbers for granted.

⁹From birth to death, you're a number—and in most cases, a series of numbers. The examples I've just given represent the physical side of numbers, where they're used in some concrete way. Take a case in point—without numbers telephone companies would fold in a very short time. After all, aren't they in the business of numbers?

However, there's another side to numbers—an invisible side. In the world of the occult this is known as Numerology, an ancient and accurate science. It seems numbers and Numerology have always existed together. In my large collection of books on this subject, authors have given credit to various sources, such as Pythagoras, the Greek philosopher, the ancient Chaldeans, the mystic and mysterious Brahmins of India, and the sages of ancient China.

It's hard to pinpoint exactly where, when, why, and how numbers and Numerology truly began. The common consensus is that it began in ancient history." The references to the seven days of creation in the Scriptures may have been the very first use of Numerology.¹⁰

Chaldean and Pythagorean System

Although the exact origin of Numerology hasn't been truly determined, there are

strong clues. The Pythagorean and Chaldean schools of numbers are the most commonly used. Chaldean Numerology is older, but the Pythagorean system of numbers is far more popular especially in the west.¹¹

Pythagoras was considered a master mathematician. Born in Greece in the 6th century B.C., he demonstrated a natural gift with numbers. Many people are familiar with his theorems in geometry. However, he is also considered to be the Father of Modern Numerology. It has been recorded that he spent many years of study in Egypt and other parts of the world learning the ancient science of numbers. He later brought this knowledge back to Greece, where he taught for nearly forty years, and established a college and philosophy of numbers that would bear his name to this very day.¹²

It was said that Pythagoras taught in secret. That each student, selected with care, had to go through a five-year period of perfect silence for the purpose of contemplation to develop a deep sense of faith. Furthermore, his students had to commit his teachings to memory, for it was forbidden to put any of it in writing. It was only after his death, around the year 500 B.C., that his faithful followers broke with this tradition.

The Chaldean system of numbers—better known as Mystic Numerology—gives us an even stronger clue to the age of this science. Astrology, Numerology, and other occult studies were considered a religion, but not in the way we would know it today. Many Chaldean priests were also famous astrologers. They held the belief that all things were part of Divine Providence, and that the planets were simply heavenly interpreters. In the time of Alexander the Great, around 356 B.C., the Chaldeans believed that their knowledge of Numerology and Astrology went back at least 473,000 years. Perhaps it was no accident that, in time, Chaldea and the occult became synonymous. The Chaldean system of numbers is still in use today.¹³

There are other schools of Numerology as well, all reflecting their individual places of origin as well as how they're applied. For instance, there were the ancient Brahmins of India. Cheiro (1866-1936), a leading palmist, numerologist, and psychic of his day, credited these mystic men of the East for much of what he knew. In ancient Japan, there's a system known as Ki, based upon certain numerical patterns found in the birth date. This system is slowly coming back into public notice. Then there is the sacred system of Hebrew Numerology, better known as the Kabbalah, which is based upon the meanings of letters and sounds. And there's still another system coming from Africa that uses numbers for divination purposes. No matter what part of the world we look at, there's a system of Numerology that had its beginnings in the dawn of time.

Hidden Cosmic Vibrations

This Universe exists in the above Cosmic Energy which has powerful radiations. In addition to this Cosmic Energy there are innumerable energies which have their own radiations and waves (Spandana). The vibration force emitted by every energy has an effect on the radiations of another energy. We cannot see these energies, we can feel them.

For instance, we have radio waves or the T.V. waves which we are not aware of or of their existence around us. In order to know them we have to switch on the button. Similarly every individual emits rays and waves and we can know his radiations through the study of Numerology. His birth date is the clue to find out what type of rays are emitted through

him.

Planets And Numerology

There are nine planets which have greater influence on the human life and each of them has been allotted a particular numerology number. The moment a person is born, he is governed by a certain principal planet and a secondary planet and is governed by the numerology numbers allotted to these planets. He thus starts radiating the vibrations of that numerology number or the planet. Psychology, thinking, reason, emotions, ambition, likes, dislikes, health, career, etc. are all dominated by the numerology number he represents. If this numerology number is in harmony with the number of any other person, he will experience harmonious relationships with the other person. If on the contrary, his number is in opposition to his friends number, the two can never live in harmony with each other.¹⁴

Numerology has also been attacked for going against the laws and teachings of God. In fact, just the reverse is true. The Bible, the Talmud, the Koran, even the Egyptian¹⁵

This is a really good numerology calculator where you can calculate all the vibrations really fast. You can switch between Chaldean and Pythagorean Numerology System quickly.¹⁶

Matt 7:15-21

“Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. 16 Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? 17 Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit. 18 A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. 19 Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. 20 Wherefore by their fruits ye shall know them. 21 Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven. 22 Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? 23 And then will I profess

unto them, I never knew you: depart from me, ye that work iniquity. 24 Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock: 25 And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it

was founded upon a rock. 26 And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand: 27 And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it.” KJV

What is Numerology? Numerology is the study of numbers, and the occult manner in which they reflect certain aptitudes and character tendencies, as an integral part of the cosmic plan. Each letter has a numeric value that provides a related cosmic vibration. The sum of the numbers in your birth date and the sum of value derived from the letters in the name provide an interrelation of vibrations. These numbers show a great deal about character, purpose in life, what motivates, and where talents may lie. Experts in numerology use the numbers to determine the best time for major moves and activities in life. Numerology is used to decide when to invest, when to marry, when to travel, when to change jobs, or relocate. Pythagoras, the Greek mathematician who lived from 569-470 B.C., is said by many to be the originator of much of what we call numerology today. The

actual origins of numerology predate Pythagoras, the most popular being from the Hindu Vedas. In the twentieth century, the old science seems to magically reappear in the form of a series of books published from 1911-1917 by L. Dow Balliett and it was helped along in the 30's by Florence Campbell, and within the next few decades a wealth of literature was available to the public. Indeed, if you look at the past 90 years, it would seem that the science has moved very rapidly. But perhaps all of this was known at a much earlier time, and it was just hiding from us for a while.

Occult numerologist believe that different numbers define different characteristics; numbers can change throughout lives but the numbers a person is born with (astrology) influences character, behavior, strengths and weaknesses. Below is a list of what these characteristics are:

If these so-called "Apostles/Prophets" would spend more of their time in the Scriptures and sitting at the feet of Jesus instead of each other delusions of false visions and dreams, they would find some truth to share to God's people. However, they can be christened as false prophets because their dreams and prophecy do not correspond with the Scriptures and Jesus as the Word of God as its true Lord.

Galactic Alignments are gateways that are created by a particular alignment of the planets and stars of our universe with the Earth. When planets or stars move into a geometrical position in relationship with the Earth, it sets up a communication channel. This channel is a gateway for information to flow through. The more conscious and receptive we are of this available channel, the more we can open to receive, assimilate and utilize this energy and information in our lives.

CHUCK PIERCE SINGING WITH THE SINGING PLANETS

If there is one thing I have learned about the self named apostles and prophets of the New Apostolic Reformation, it is this. It can ALWAYS get weirder. A recent circulating YouTube video clip of Chuck Pierce and Robert Heidler has proved this yet again. This relatively short clip was taken from a larger one in which we see Pierce extolling the virtues of singing with the planets - the sound of heaven. He tells the audience that some of their organs will come alive. What exactly does that mean? He claims that he can see strands of DNA being reprogrammed by the sounds of heaven and that he can see the earth rising up to the sounds of heaven to bring forth the plan of the land. A grey haired lady with the eyes of a cheap fortune teller, makes an appearance a few minutes in and gives a prophesy that I can only describe as creepy. This is followed by strange sounds by a man on stage. I give this a 90/100 on the weirdness scale.¹⁷

WITCHES AND WIZARD'S PRACTICES IN CHRISTIAN CHURCHES

There is no longer any doubt that witches are real and active in modern America. The author asked in the book *Be Free* that was written in the seventies "Do you believe that witches and wizards are real? At that time, Christians hardly believed that demons were real, let alone there were people practicing witchcraft. "All one has to do is keep your eyes on Jesus," many said, "Another thing, we don't want to lift the Devil up or give him any credit." . Meantime, right before our eyes one of the greatest occult explosions was taking place in the history of our country.

Witchcraft was everywhere but somehow the Church people remained willingly blinded and bewitched to it, as well as, its implications to Christianity. "We are Christians, we just want to keep our eyes on Jesus. Meantime, in every

area they were being mesmerized by those powers of the world. Christian children were being led into the powers of darkness through cartoons, movies, books, and television, music and computer games. **"In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them,"** (2 Cor. 4:4).

Many Christian leaders have been led into the pathways of all trails lead back to God; or they follow false Christianity which worships other gods. Then many follow a fantasy, Disney World, Better Homes and Garden, false Christianity that preaches everything but the Jesus of Bible.

YE SHALL BE AS GOD

<http://www.patholliday.com/radio.php>

In (Gen 3:5), Satan is talking to Eve. He promised her if she would disobey God that she would become like or “as” God. Read the commentary below. Even Satan knew that Adam was NOT a God! “For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil,” (Gen. 3:5). [Your eyes shall be opened] Your understanding shall be greatly enlightened and improved; and ye shall be as gods, kee-'Elohiym, like God, so the word should be translated, for what idea could our first parents have of gods before idolatry could

have had any being, because sin had not yet entered into the world? The Syriac has the word in the singular number, and is the only one of all the versions which has hit on the true meaning. As the original word is the same which is used to point out the Supreme Being, (Gen 1:1), so it has here the same signification, and the object of the tempter appears to have been this: to persuade our first parents that they should, by eating of this fruit, become wise and powerful as God (for knowledge is power,) and be able to exist forever, independently of him.³³ Satan did not infer that man could be a “little god,” as some modern ministers teach. Satan said if they disobeyed God, they could be LIKE (similar, similar, equal, equivalent, comparable), to God. Scripture says the Gods that have not made the heavens and the earth *will perish*. If you’re striving to be a God, YOU MUST REPENT! Believe it or not, there are many SO CALLED “Christian” teachers telling Christians that they are “little gods.” They twist the Scriptures to teach this damnable heresy.

“Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city. 15 For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie. 16 I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star. 17

And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely," Rev 22:14-17).

Where do you think Peter Wagner and "his son" Chuck Pierce are getting this New Speak, also known as double speak that they are using and practicing upon blinded Christians? They are taking their script directly from the New Age Movement that is preparing the church for the coming of the Cosmic Christ. See the comparisons of the New Age writers and these so-called Christian Leaders.

TIME GATE 2000 & Galactic Cross Omega

By Ananda, June 1999, and March-July 2000

GALACTIC CROSSING
The Zero Point Of 12,900 Years We are in the Midst of a profound period of history. From July to Autumn 2000 the ending of a momentous event in our planet's precession, is commencing. Amidst this our planet is being swept by record breaking weather patterns, and the Sun is releasing record breaking Coronal Mass Ejections bombarding our atmosphere, and being stirred by "objects" in its proximity. And in the July Time Gate 2000 a major temporal resonance between 2009-2006-2000 is occurring.

Our sun has been drastically changed since the first Time Gate in 1996, when the mathematical Bible code for "end days" renders that year for the end of time beginning. In the Sun Gate conspiracy parts 1, 2, 3, you can view the NASA photographs that show these anomolous objects changing the Sun's north coronal polar hole.

Anomolous objects now remain by the sun constantly, as the NASA SOHO EIT and Lasco photographs show. Amidst the descending wave into Temporal Novelty in Time Gate 2000, the "objects" appeared to be near a massive solar flare, which affected the Earths weather in the days that follow.

Over the last 10 years we have presented and uncovered a plethora of indications of the significance of the year 2012, after Emmanuel alerted me to the year 2011, when I was in my late teens, not knowing any of the evidence that supported it. There is still some time to this event, and our book The Unity Keys Of Emmanuel, explores 2012 in avid detail, in lines with the emerging evidence for the New Universe, from scientific sources.

What about today. We are amidst a most significant pre-script of the Wave to come, ripples in time and space, via the celestial mechanics echoing the last wave 12,900 years before.

December 21st, marked the first solstice to be in the proximity to conjunct the galactic centre (it was also a Time Gate to 2010, in the DNA codon sequence {I-Ching hexagramme} graph of time). We were also to learn, that as our group was "free will" inviting inter-universal man, so a similar link up was made to the Andromedian High Council, via hundreds of peoples invocation.

Since, my "contacts" are also Andromedian, it should not surprise one that this occurred synchronized, without awareness of either "contactee". Full conjunction occurs in 2012.¹⁹

GOD OUR LORD JESUS CHRIST IS THE POWER OF GOD!

(Eph 1:16-22), **“Cease not to give thanks for you, making mention of you in my prayers; 17 That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him: 8 The eyes of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints, 19 And what is the exceeding greatness of his power to usward who believe, according to the working of his mighty power, 20 Which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places, 21 Far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come: 22 And hath put all things under his feet, and gave him to be the head over all things to the church, KJV**

WAR AGAINST POWERS OF DARKNESS

(Eph. 3:9-11), **“And to make all men see what is the fellowship of the mystery, which from the beginning of the world hath been hid in God, who created all things by Jesus Christ: 10 To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom o**

f God, 11 According to the eternal purpose which he purposed in Christ Jesus our Lord:”KJV

Christians can bind and loose supernatural powers according to the Bible. “Verily I say unto you, Whatsoever ye shall bind on earth shall be bound in heaven: and whatsoever ye shall loose on earth shall be loosed in heaven.” (Matt. 18:18). The things Christians must loose from the Devil’s power according to the Bible. Nation, state, cities, community, geographical areas, church, family individual members of family, relatives, professions, vocations, businesses, education, finances, physical health, mental health. (Lk. 13:12). We war against the powers of darkness. Satan tries to tie and destroy the plans of Jesus. We command him to loose all controls from his powers. Our spiritual power is the greatest force in the universe because it is source of power is God Himself. “God has spoken once; twice have I heard this that power belongeth unto God,” (Ps. 62:11).

This is what spiritual warfare is about. Jesus must be the center of a person's life. One must know Him from the stand point of the power of the Word of God, because of His triumph, His people can win their war. ²⁰

(Isa. 60:2), **“For, behold, the darkness shall cover the earth, and gross darkness the people: but the LORD shall arise upon thee, and his glory shall be seen upon thee.”**

Jesus is coming soon!

I command all demons associated with these spells, hexes and curses to obey the powers of Jesus AND BOW THEIR KNEES TO HIS NAME now IN JESUS' NAME.

(Ezek. 13:20), "Wherefore thus saith the Lord God; Behold, I am against your pillows, wherewith ye there hunt the souls to make them fly, and I will tear them from your arms, and will let the souls go, even the souls that ye hunt to make them fly."

(I Sam. 8:19), "And when they shall say unto you, Seek unto them that have familiar spirits, and unto wizards that peep, and that mutter: should not a people seek unto their God? For the Living to the dead?"

(I Sam. 8:20), "To the law and to the testimony: if they speak not according to this word, it is because there is no light in them."

(Psa. 9:17), "The wicked shall be turned into hell, and all the nations that forget God."

(Rev. 1:18), "I AM He that liveth, and was dead and behold, I am alive for evermore, Amen; and have the keys of hell and death."

(2 Tim. 4:1), "I charge thee therefore before God, and the Lord Jesus Christ, who shall judge the quick and the dead at his appearing and his kingdom."

(Ezek. 13:19), "And will ye pollute me among my people for handfuls of barley and for pieces of bread to slay the souls that should not die, and to save the souls alive that should not live, by your lying to my people that hear your lies?"

Father, in the Name of the Lord Jesus Christ, I command the spirits in the drums and trance music that conjure up demons to be broken and bound in the Name of Jesus Christ. and reverse them from the left hand of demonic bondage and translate them into the kingdom of God's dear Son, who is seated on the right hand of the Father, where I am now seated also in heavenly places.

(Psa. 9:9-10), "The Lord also will be a refuge for the oppressed, a refuge in times of trouble. And they that know thy name will put their trust in thee: for thou, Lord, has not forsaken them that seek thee."

(Psa. 11:6), "Upon the wicked He shall rain snares, fire and brimstone, and an horrible tempest: this shall be the portion of their (the wicked) cup. Thank You Lord for Your divine protection and we pray for the lost, deceived people in America to receive the true Jesus Christ and bind men's judgments over their souls.

Thank you Jesus.

Yes, you can be free!

Luke 4:18, "The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised," KJV

It's a fellowship with Christ... *Nothing gives the believer so much joy as fellowship with Christ. The joy of the Lord is solid and enduring; no wine can rival the love of Jesus. Let us drink to the full this evening.*

John 18:36 King James Version (KJV) Jesus answered, My kingdom is not of this world: if my kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews: but now is my kingdom not from hence.

The great paradox is this: that Lucifer is, indeed, purposeful, not as an independent sovereign entity but as a force that God uses for His own plan. The dark was created and is allowed to exist by God for His Sovereign purpose and actually needs God's approval and permission to continue to exist.
