**"Pray for the peace of Jerusalem: they shall prosper that love thee," (Ps 122:6). KJV**

This writer is not anti-Semitic. I love the Jewish people and many as close friends. We pray for the peace of Israel and conversions of its people. However, I am against Zionism. Come with me and see why.

**STAR of DAVID**

**HEXAGRAM**

— Manly P. Hall, *Lectures on Ancient Philosophy*, p. 356. (Manly P. Hall was one of the most influential occultists of the last century. He was recognized as a leading figure in the quest for mystical knowledge, and is considered one of the greatest Freemasons of the last one hundred years.)

The Star of David if not found in the Old or New Testament; it

**THE ROTHSCHILDS**  
Founders of "the Star of David"

did not come from King David nor King Solomon as being used as a Godly symbol. It came from David Rothschild that chose it for the flag of Israel. The Hexagram is considered the most powerful magic charm pictogram in witchcraft!

"Symbols are oracular forms—mysterious patterns creating vortices in the substances of the invisible world. They are centers of a mighty force, figures pregnant with an awful power, which, when properly

fashioned, loose fiery whirlwinds upon the earth."

**"The crucial question, of course, is what kind of meaning is being conferred by the use of certain symbols—what stands to be gained, what lost, and by whom." <sup>1</sup>**

Zionism became a political agenda of the Bolshevik Illuminati to capture the area of Israel for the Antichrist. Infact, their agenda is to rule the world from Jerusalem. When the Battle of

Armageddon takes place the Antichrist gathers all the world's armies to Israel to fight against the Second Coming of Jesus Christ. At that time, the Antichrist is ruling from Jerusalem.

**The Rothschild's had long had** a plan to create a personal fiefdom for themselves and the Illuminati in Palestine and that plan involved manipulating Jewish people to settle the area as their "homeland." Charles Taze Russell, of the Illuminati Russell bloodline, was the man who founded the Watchtower Society, better known as the Jehovah's Witnesses. He was a Satanist, a pedophile according to his wife, and most certainly Illuminati. His new "religion" (mind-control cult) was funded by the Rothschild's and he was a friend of theirs, just like the founders of the Mormons who were ... Rothschild-funded through Kuhn Loeb and Co. Russell and the Mormon founders were all Freemasons. In 1880, Charles Taze Russell, this friend of the Rothschild's,

predicted that the Jews would return to their homeland. It was about the only prediction Russell ever got right. <sup>2</sup>

The Rothschild's are an important part of the history of the Seal of Solomon (... known as hexagram, Amgen David, six-pointed star, Star of David.) The Seal of Solomon, the hexagram, was not considered a Jewish symbol before the Rothschild's began using it. Throughout the **Middle Ages the Seal of Solomon** had been used by **Arab Magicians, Cabalist Magicians, Druid witches and Satanists**. One of the few ancient uses of the symbol was on the floor of a 1,200 year old Moslem Mosque found where Tel Aviv is today. In the twelve century an Ashkenazic Jew Menahem ben Duji, who thought he was the Messiah, used the magical symbol. Because the Rothschild's were Satanists they adopted this **powerful magic symbol in 1822 for their coat- of-arms**. The name they adopted for their family actually comes from the fact that in the 17th century Mayer Amschel Bauer began hanging out a **red hexagram in front of their house** to identify it. Mayer Amschel then decided to take the name **red-schild (Rothschild in German)** after the red **Seal of Solomon** that they used. **Alice Bailey** in A Treatise on White Magic, p. 412, claims that the Hierarchy has a special group which she calls "the financial group", controlling all that can be converted into energy, and constituting a dictatorship over all modes of intercourse, commerce and exchange." According to the Luciferian **Alice Bailey**, the "financial group" is the latest group directed by the Hierarchy. <sup>3</sup>

In the year 1998 the modern State of Israel celebrated its fiftieth birthday. The Western world joined the celebration accordingly, including many practicing Christians. One could observe, especially in book stores, quantities of large Stars of David exhibited in the display windows as eye catchers in order to announce newly published books, which praise the history of the Zionist state. It is not the only point of criticism that Israel's history is explained rather one-sidedly in these books – especially by eliminating the fate of the eternal losers in the Middle East conflict,

the Palestinians. Another critique deals with the fact that in western countries – fortunately – no one gets angry about advertisements using the Star of David, but that on the other hand public displays of Christian crucifixes in Israel will lead to violent protests and even measures by the legislation. This religious discrimination in Israel is not perceived outside of Israel, because the victims of the past are not allowed to be criticized today. The insight that it was the Catholic Order of the Jesuits that selected the Star of David as a Jewish symbol is rather amusing, if not downright ironic.<sup>4</sup>

The writer remembers Rev. Irene Park, a former witch telling me that the hexagram was the most powerful talisman that was used by every witchcraft coven. She said, “We loved to see these symbols on Christian’s because it gave us an occult object of contact to direct our curses, hexes and spells.”

Also, *Dr. Israel Shahak† says that Christian discrimination does exist in Israel and is not perceived outside of Israel. It is true. When the author was in Israel in the 70’s, we were forbidden to speak the name of Jesus on the streets and warned that if we were caught, we’d be placed on a plane and demanded to leave the state. It was explained there were legislative laws against witnessing concerning Jesus.*

## *Christian Imposters in the House of God*

Jesus and the Apostle Paul constantly made references concerning the Judaizers in the Church of Jesus Christ. These were the leaders in God’s Synagogue that were teaching from the “Oral Law” instead of the Word of God, the Torah. Jesus loved his Jewish brothers and sisters and wept for them before going to His death on the Cross for their Sins. The Christian faith was founded by His Jewish disciples and so this article is not about Jewish hate. It’s about those who say they are Jews but are not: (Rev 3:9), **“Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee.”** KJV  
True Jews living in Israel will see Jesus when He returns. (Zec. 14:4)>

Satan and his human disciples have created a world in which The Lie prospers. Indeed, the whole planet has become an interlinking spider’s web of fabrications and untruths. Christian leaders, politicians, bankers, educators, salesmen, blue-collar workers—virtually everyone spreads lies. Judaizers inside the Christian Church—men like Chuck Smith of Calvary Chapel, John Hagee, Pat Robertson, James Dobson, and others—are ignorant of the fact that the religion of Judaism is not based on the Torah or Old Testament but, as Jesus revealed, on "man-made traditions;" *The Talmud,*

Where Does the Star of David Come from? Surprising Revelations about the Origin of the States Symbol, *By Dr. Israel Shahak†* <http://www.vho.org/tr/2004/3/Shahak249f.html>

**JOHN HAGEE Evangelical ZIONIST**, although over the past two years Hagee has gained

international notoriety for his agitation for an Armageddon war with Iran and his evangelical Zionist project, Christians United for Israel, back in 2000 he was little known outside Pentecostal circles. **Beyond a shadow of doubt**, Jews are saved by the blood sacrifice of Jesus Christ. However, **John Hagee preaches that Jews have a different pathway back to God apart from Jesus Christ!** There simply is no other power of God can save a fallen, sinful soul?

**Hagee claims that his book will shake Christian theology to its core. This is also a false statement. His claims only show that he has departed from biblical Christian theology.**

Rev. Hagee has had an infatuation with Israel for a while. At his church he has built a replica of the Wailing Wall with bricks purchased from Jerusalem. Now it appears that he has taken his defense of Israel to the point where he is denying scripture in order to side with Israel. The promise that God will bless those who bless the seed of Abraham and curse those who curse him does not mean that we must pretend like the Jewish people have never done wrong. To bless someone is not to try to justify all their sins or pretend that the Bible is wrong in order to protect those who reject God's plan. <sup>1</sup>

Hagee is the founder and National Chairman of the [Christian-Zionist](#) organization [Christians United for Israel](#), incorporated on February 7, 2006. [4]

ISRAEL WAS NOT FOUNDED AS A JEWISH STATE, IT'S FOUNDED AS OCCULT STATE (like the U.S.): Author Jerry Golden writes, "This report will shock and upset some; it is one I have put off for over 4 years. After struggling with it I have decided now is the time to write it. Knowing it could be misunderstood as anti-Semitic. God forbid that I a Jew should ever say or do anything that would be remotely considered as such, but I must admit this report does not come easy for me. The fact still remains that an evil force has been put into place in Jerusalem and has spread throughout Israel ... This report will prove that such a move is underway and has been for quite some time ..... the architectural design of the New Israeli Supreme Court Building designed and paid for by Rothschild's reflects instead only the presence of Free Masonry & Illuminati architecturally. The Engineers who were chosen for this job by the Rothschild's were grandson & granddaughter of Ben-Zion Guine from Turkey who worked for Baron Rothschild, Ram Kurmi, born in Jerusalem in 1931, and Ada Karmi-Melanede born in

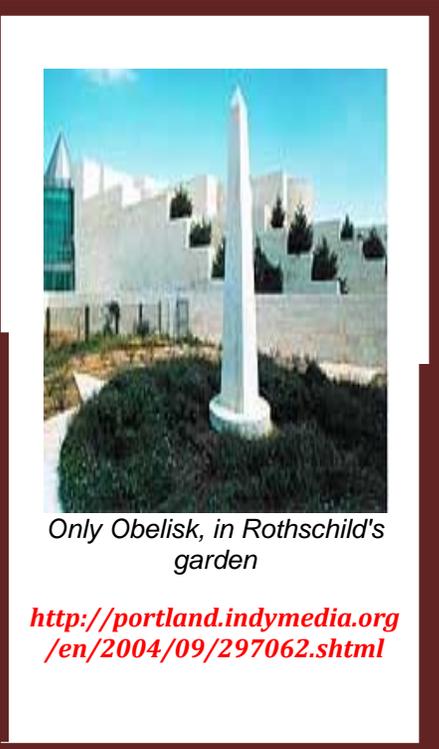

Tel-Aviv in 1936. For those who can make something out of the numbers: important to builders to have everything done according to correct numbers: were 1,000 sheets of plans, 1,200 cement posts; worked on building for 3 years or 750 days; 20 workers each day, for 200,000 workdays; 250,000 building stones, each hand placed. Rothschilds made many stipulations with Israeli Government before the building began, among them: Rothschilds would pick the plot of land to align & build Supreme Court; Rothschilds would use their own architects; & no one would ever know how much the building cost. It took four years to build a structure with many secrets built into it. This is where our journey begins as we begin to enter into the building, for this entire journey is intended to bring one from darkness into the light, become an Illuminated one, destroy Christianity and Islam through trampling/mocking their symbols, introduce Hindu, Far Eastern, & Egyptian symbolism, & be a daily reminder of occult power in Israel for those in the know as they move Jews and Muslims like chess pawns against each other, toward a designed Middle Eastern WWII.<sup>5</sup>

## The Star of David was also a sad symbol of the Holocaust.

From the Holocaust to the Israeli flag, what is the deeper meaning of this six-pointed Jewish symbol?

The Star of David was a sad symbol of the Holocaust, when the Nazis forced Jews to wear an identifying yellow star. Actually, Jews were forced to wear special badges during the Middle Ages, both by Muslim and Christian authorities, and even in Israel under the Ottoman Empire.<sup>7</sup>

So whether it is a blue star waving proudly on a flag, or a gold star adorning a synagogue's entrance, the Star of David stands as a reminder that for the Jewish people... in God we trust.

The **yellow badge** (or **yellow patch**), also referred to as a **Jewish badge**, was a cloth patch that Jews were ordered to sew on their outer garments in order to mark them as Jews in public. It is intended to be a **badge of shame** associated with **antisemitism**.<sup>[1]</sup> In both Christian and Islamic countries, persons not of the dominant religion were intermittently compelled by **sumptuary laws** to wear badges, hats, bells or other items of clothing that distinguished them from members of the dominant religious group.

The yellow badge that was compulsory in the Middle Ages was revived by the **German Nazis**.<sup>8</sup>

According to *The Donning International Encyclopedic Psychic Dictionary*, the pentagram is the "most powerful symbol of all ceremonial rites..." [This encyclopedia correctly views pentacles as a form of pentagram]. The Encyclopedia ascribed to this symbol the powers of active and passive spiritual "shielding," the "five wounds of Christ," and the notification of "esthetic world intelligences."<sup>9</sup>

Eliphas Levi, one of the most influential magicians of the 1800's, wrote in his massive volume on transcendental magic . . . In modern times, the Star of David has become a premier Jewish symbol. This six-pointed star (hexagram) made of two interlocking triangles, can be found on mezuzahs,

menorahs, tallis bags, and kipot. Ambulances in Israel bear the sign of the "Red Star of David," and the flag of Israel has a blue Star of David planted squarely in the center.<sup>10</sup>

What is the origin of this six-pointed symbol?

By bein' ignorant to history, we are not aware the Star of David did not become affiliated with the so-called Jew until after Rothschild adopted it for themselves. So-called Jewish resources will tell you the star has a connection to David or Solomon, but the very ones who started them using the symbol made it clear who their allegiance was with...EVIL!<sup>11</sup>

According to author of Ancient Future, Wayne Chandler, *"Many people have seen the symbol that represents the axiom; it is now referred to as the Star of David or Solomon's Seal, the hexagram of Judaism. Its origin and meaning are far more auspicious than that of an emblem used to categorize a particular creed or group of human beings. What is ironic is that this symbol has been regarded as officially Jewish only for about a century. The hexagram reached Judaism via the eastern Tantric influences on medieval Jewish cabalists, who chose to elaborate on the union of God and his female counterpart, Shekina. Historically, at the time the biblical stories were being spun about David and Solomon, this star had nothing to do with the Jewish people, but had been previously employed in cultures such as India and Egypt for more than 2,000 years."*<sup>12</sup>

In India, its earliest appearance was discovered in the Indus Valley civilization (3000BCE, and soon after was regarded as a Jain philosophical symbol. It would later be utilized by the Buddhists and Tantrikas of India to symbolize divine sexual energy and union of the male and female elements in creation. The linguistic origins of the word 'sex' are rooted in mathematics, as in the biblical reference to 'six days of creation.' Sex in Sanskrit means six. Currently, in India the six-pointed star is called the Star of Vishnu.<sup>13</sup>

## **The six points symbolize God's rule over the universe in all six directions.**

Through the Jewish people's long and often difficult history, we have come to the realization that our only hope is to place our trust in God. The six points of the Star of David symbolize God's rule over the universe in all six directions: north, south, east, west, up and down.<sup>14</sup>

## **In Kabbalah, the two triangles represent the dichotomies inherent in man.**

In Kabbalah, the two triangles represent the dichotomies inherent in man: good vs. evil, spiritual vs. physical, etc. The two triangles may also represent the reciprocal relationship between the Jewish people and God. The

triangle pointing "up" symbolizes our good deeds which go up to heaven, and then activate a flow of goodness back down to the world, symbolized by the triangle pointing down.

A more practical theory is that during the Bar Kochba rebellion (first century), a new technology was developed for shields using the inherent stability of the triangle. Behind the shield were two interlocking triangles, forming a hexagonal pattern of support points. (Buckminster Fuller showed how strong triangle-based designs are with his geodesics.)

One cynical suggestion is that the Star of David is an appropriate symbol for the internal strife that often afflicts Jewish nation: two triangles pointing in opposite directions!<sup>15</sup>

The Rothschild's wasn't their original name, for they went by several before choosin' this one. One of their earlier names was the Bauers — one of the most notorious cult bloodlines of Middle Ages Germany. The name Rothschild's became in the 18th century (note the close resemblance to "Red-Shield") when a working member of the Illuminati, one Mayer Amschel Rothschild, took the name from the red-shield or hexagram; y'kno, the Star of David or Seal of Solomon.<sup>16</sup>

It is not maintained today in Israel that this symbol has an antique origin, because many Israelis are interested in Jewish history and are active as hobby archeologists, and such an allegation would be quickly exposed as a lie. Therefore the origin of this symbol is simply ignored. Even the Zionist movement did not use the shield of David until the death of its founder Herzl; on Herzl's flag was the lion rampant, surrounded by seven *five-pronged* stars. However, David Wolfsohn, the successor of Herzl, who paid more attention to Jewish sensitivity, created the flag which later was accepted by the State of Israel. The white background with the blue bands at the edges correlates to today's Jewish prayer scarf. The coloring originates, however, from the Roman toga, where the violet was replaced with blue, as this special blue is a preferred Jewish color for reasons unknown to me at this time.<sup>17</sup>
